PROFIT WARNING

This announcement is made by China Hongguang Holdings Limited (the “**Company**”, and together with its subsidiaries, collectively the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company would like to inform the shareholders (the “**Shareholders**”) and potential investors of the Company that, based on the preliminary review of the Group’s unaudited consolidated management accounts for the six months ended 30 June 2020 (the “**Period**”) and the information currently available to the Board, the Group is expected to record a significant decrease in net profit for the Period by approximately 90% as compared to the net profit for the corresponding period in 2019 (the “**Corresponding Period**”). The decrease in net profit for the Period was primarily attributable to the significant decline in revenue by approximately 37% for the Period as compared to that in the Corresponding Period due to the impact of the outbreak of the novel coronavirus since the beginning of 2020, which has caused postponement in resuming the Group’s production and operation as well as postponement of project schedule and order execution of customers of the Group.

The Company is still in the process of finalising its results for the Period. The information contained in this announcement is only based on a preliminary assessment made by the management of the Company with reference to the information currently available and the unaudited consolidated management accounts of the Group for the Period, which have not been reviewed or audited by the Company’s auditors or reviewed by the audited committee of the Company and may be subject to adjustments. Shareholders and potential investors are advised to read the Group’s results announcement for the Period, which is expected to be published in mid-August 2020.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.
