II. Communication with Accounting Firm

The relevant financial data of the current reporting period's estimated results have not been audited by certified public accountants. The Company has conducted preliminary communication with the annual report audit accounting firm on matters related to the estimated results, and there is no disagreement between the two parties.

III. Explanation for the Changes in Results

The decrease in net profit for the annual results of 2024 compared to the corresponding period last year is mainly due to the competitive market environment, the significant drop of sales unit price of smart devices, and the small and medium-sized display modules business has been under pressure, resulting in a year-on-year decrease in revenue and gross profit margin.

IV. Risk Warning

These estimated results are preliminary estimation made by the finance department of the Company and have not been audited by the audit firm. Detailed figures of the 2024 annual results will be disclosed in the 2024 annual report of the Company, subject to the 2024 annual report disclosed by the Company. The Company's designated official media platforms included "China Securities Journal", "Securities Times" and website of the Shenzhen Stock Exchange (www.cninfo.com.cn). Investors are advised to pay attention to the investment risks.
