Two ordinary resolutions will be proposed at the meeting to grant the Issue Mandate to the Directors and to extend the Issue Mandate by adding to it the number of Shares bought back by the Company under the Buy-back Mandate respectively.

On the basis that no further Shares are issued or bought back prior to the date of the 2025 Annual General Meeting, the Company would be allowed under the Issue Mandate to issue a maximum of 217,442,320 Shares, representing 20 percent of the total number of Shares in issue (excluding treasury shares, if any) as at the Latest Practicable Date.

including but not limited to changes enabling the Company to conduct general meetings (including holding hybrid/virtual general meetings), all of which are in alignment with current market practices.

The details of the proposed amendments to the Articles of Association of the Company (the “**Proposed AOA Amendments**”) are set out in Appendix III to this circular. The special resolution relating to the Proposed AOA Amendments is set out in the Notice and is subject to the approval of the Shareholders at the 2025 Annual General Meeting and, if approved, will become effective upon such approval.

Save for the Proposed AOA Amendments, all other provisions of the existing Articles of Association of the Company remain unchanged.

On behalf of the Board
Leng Wei Qing
Chairlady

This explanatory statement contains all the information required under the Listing Rules for you to consider the Buy-back Mandate.

The Listing Rules permit companies whose primary listings are on the Stock Exchange to buy back their fully paid up shares on the Stock Exchange subject to certain restrictions, the most important of which are summarized below:

SHARE CAPITAL

As at the Latest Practicable Date, the total number of Shares in issue was 1,087,211,600 and the Company did not have any treasury shares. On the basis that no further Shares are issued or bought back prior to the date of the 2025 Annual General Meeting, the Company would be allowed under the Buy-back Mandate to buy back a maximum of 108,721,160 Shares, representing 10 percent of the total number of Shares in issue (excluding treasury shares, if any) at the Latest Practicable Date.

REASONS FOR SHARE BUY-BACKS

The Directors have no present intention to buy back any Shares and, whilst it is not possible to anticipate in advance those circumstances in which the Directors might think it appropriate to buy back Shares, Shares would only be bought back in circumstances where the Directors consider that the buy-back would be in the interests of the Company and the Shareholders. Such buy-back may, depending on market conditions and funding arrangements at the time, lead to an enhancement of earnings per Share.

If the Company purchases any Shares pursuant to the Buy-back Mandate, the Company will either (i) cancel the Shares repurchased and/or (ii) hold such Shares in treasury, subject to market conditions and the Company's capital management needs at the relevant time any repurchases of Shares are made.

SOURCE OF FUNDS

It is proposed that buy-backs of Shares under the Buy-back Mandate would be financed from internal funds and available banking facilities of the Company. In Share buy-backs, the Company may only apply funds legally available for such purpose in accordance with all applicable laws of Hong Kong and the Articles of Association of the Company.

STATUS OF SHARES BOUGHT BACK

The Listing Rules provide that the shares repurchased by a company shall be held as treasury shares or cancelled. The listing of all shares which are held as treasury shares shall be retained. The Company shall ensure that treasury shares are appropriately identified and segregated. The listing of all shares bought back but not held as treasury shares shall be automatically cancelled and the certificates for these shares must be cancelled and destroyed.

Shareholders' rights attached to any Shares held in treasury by the Company will be suspended under the Companies Ordinance (as amended) once the Shares are repurchased by the Company, irrespective of whether they are held in the name of the Company or its nominee.

WORKING CAPITAL OR GEARING POSITION

If the Buy-back Mandate was exercised in full at any time during the proposed buy-back period, it would not have a material adverse impact on the working capital of the Company or its gearing position (as compared with the position disclosed in the Company's published audited accounts for the year ended 31 December 2024). The Directors do not propose to exercise the Buy-back Mandate to such extent as would, in the circumstances, have a material adverse impact on the working capital of the Company or its gearing position (as compared with the position disclosed in the Company's published audited accounts for the year ended 31 December 2024) which in the opinion of the Directors are from time to time appropriate for the Company.

DIRECTORS AND THEIR ASSOCIATES

None of the Directors nor, to the best of their knowledge and belief having made all reasonable enquiries, any of their close associates, has any present intention, in the event that the Buy-back Mandate is approved by Shareholders, to sell Shares to the Company.

CONNECTED PERSONS

No core connected persons have notified the Company that they have a present intention to sell any Shares (in issue or to be issued) to the Company or have undertaken not to do so, in the event that the Company is authorized to make Share buy-backs.

UNDERTAKING OF THE DIRECTORS

The Directors will exercise the power of the Company to buy back Shares pursuant to the proposed resolution in accordance with the Listing Rules, all applicable laws of Hong Kong and the Articles of Association of the Company.

EFFECT OF TAKEOVERS CODE

If, as a result of a buy-back of Shares, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a shareholder or group of shareholders acting in concert, could depending on the level of increase of such interest, obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 and Rule 32 of the Takeovers Code.

As at the Latest Practicable Date, SIIC through its subsidiaries, namely Shanghai Investment Holdings Limited, SIIC Capital (B.V.I.) Limited, Shanghai Industrial Financial Holdings (Hong Kong) Company Limited, SIIC Trading Company Limited and SIIC CM Development Limited held 519,409,748 Shares, 80,000,000 Shares, 52,908,000 Shares, 34,327,000 Shares

and 10,000 Shares respectively, and is accordingly deemed to be interested in the respective Shares totaling 686,654,748 Shares held by the aforementioned companies, representing approximately 63.16 percent of the total number of Shares in issue (excluding treasury shares, if any).

Assuming no changes in the aforementioned shareholdings of the respective companies, in the event that the Directors exercise in full the power to buy back the Shares, the shareholding of SIIC would be increased from approximately 63.16 percent to approximately 70.17 percent. Such increase would not give rise to an obligation to make a mandatory offer in accordance with Rule 26 and Rule 32 of the Takeovers Code. The Directors are not aware of any consequences of any buy-back which would arise under the Takeovers Code. In addition, the Company will not buy back its Shares which will reduce the total number of Shares in issue in public hands to below 25 percent.

GENERAL

Neither the explanatory statement nor the Buy-back Mandate has unusual features.

The proposed amendments to the existing Articles of Association of the Company are summarized below.

Treasury shares (New Articles 13A to 13D)

The proposed amendments seek to bring the existing Articles of Association of the Company in line with the Companies (Amendment) Ordinance 2025 which came into operation on 17 April 2025, which enables Hong Kong incorporated listed companies to make use of the treasury share regime under the Listing Rules to hold the Shares bought back in treasury and sell or transfer treasury shares subject to certain restricts. This provides greater flexibility for the Company to manage its capital through Share repurchases and resale or transfer of treasury shares, subject to the Companies Ordinance and the Listing Rules.

New Article 13A and 13D are inserted to expressly permit the Company to hold Shares bought back as treasury shares in accordance with the Companies Ordinance and to dispose of the treasury shares on such terms and conditions as determined by the Board subject to the Companies Ordinance and the Listing Rules.

Other minor drafting changes have been made to the existing Articles of Association of the Company to incorporate the treasury share regime as appropriate.

General Meetings (New Articles 66A, 69A to 69G, 73A and 73B)

The proposed amendments to the existing Articles of Association of the Company allows the Company to hold hybrid/virtual general meetings using virtual meeting technology as specified in the notice of the relevant general meeting or as determined by the Board. Shareholders or their proxies attending a general meeting at any meeting location(s) (physical or virtual) shall be counted in the quorum and may exercise the rights to listen, speak and vote at such meeting.

The proposed amendments also provide that every notice of general meeting shall disclose the meeting location(s) (physical or virtual) and the virtual meeting technology to be used, as decided by the Board.

The proposed amendments allows the Board and the chairman of the general meetings to make necessary arrangements for managing Shareholders' attendance, participation, and/or voting at general meetings, and to specify in the notice of general meeting the circumstances under which the general meeting may be postponed. This allows the Company to conduct general meeting affairs more efficiently and to ensure proper and orderly conduct of the meeting and for the safety of all persons attending the meeting. These amendments are in line with current market practice.
