The board of directors of the Company (the “**Board**”) wishes to inform the shareholders (the “**Shareholders**”) and potential investors of the Company that, based on a preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2025 and the information currently available, the Group is expected to record a significant increase of approximately 150% in its net profit attributable to owners of the Company for the year ended 30 June 2025, as compared to that for the six months ended 30 June 2024.
