The purpose of this circular is to provide the Shareholders with notice of the AGM and information in connection with, among other things, proposals for (i) the re-election of Directors, (ii) the grant to the Directors the General Mandates to issue Shares and to repurchase Shares and to grant an extension thereof; and (iii) the notice of the AGM.

### 2. RE-ELECTION OF DIRECTORS

Pursuant to bye-law 98(A) of the Bye-laws, one-third of the Directors for the time being, or if their number is not a multiple of three, then the number nearest to but not less than one-third, shall retire from office by rotation at least once every three years at the AGM. Any retiring Director shall be eligible for re-election.

The Nomination Committee of the Company, when recommending candidates including proposing independent non-executive Directors, for re-election as a member of the Board at the AGM, has considered the candidates' commitments to their respective roles and functions and a range of diversity perspectives, including but not limited to gender, age, cultural and educational background, ethnicity, professional experience, skills, knowledge and length of service. Accordingly, the Nomination Committee has proposed three Directors, Mr. Ching Man Chun, Louis, Mr. Yam Kwong Chun and Mr. Lam Yik Tung will retire from their offices by rotation at the AGM and being eligible, to be re-elected at the AGM in accordance with bye-law 98(A) of the Bye-laws. Having considered the recommendation of the Nomination Committee and with due regard for the benefits of diversity, the Board is satisfied that the proposed Directors have contributed effectively to the operation of the Board in the past years and believes that the re-election of such proposed Directors will allow the Board to continuously benefit from the sharing of their invaluable experience, contribution and participation.

Brief biographical and other details of each of the above Directors, who are proposed to be re-elected at the AGM are set out in Appendix I to this circular.

### 3. GENERAL MANDATES TO ISSUE SHARES AND TO REPURCHASE SHARES

At the annual general meeting of the Company held on 28th August, 2024, general mandates were granted to the Directors authorising them, *inter alia*, (a) to exercise the powers of the Company to allot, issue and deal with Shares not exceeding 20% of the total number of the issued Shares as at 28th August, 2024; (b) to repurchase Shares not exceeding 10% of the total number of the issued Shares as at 28th August, 2024; and (c) to extend the general mandate to issue Shares by adding to it the aggregate number of issued Shares purchased under the repurchase mandate mentioned in (b) above. Such general mandates will expire at the conclusion of the AGM.

---

## LETTER FROM THE BOARD

---

Ordinary resolutions will be proposed at the AGM to grant to the Directors new general mandates authorising them, *inter alia*, (i) to exercise the powers of the Company to allot, issue and deal with Shares not exceeding 20% of the total number of issued Shares as at the date of the passing of such resolution; (ii) to repurchase Shares not exceeding 10% of the total number of issued Shares as at the date of the passing of such resolution; and (iii) subject to the passing of the ordinary resolutions to approve the General Mandates at the AGM, to extend the Issue Mandate by adding to it the aggregate number of issued Shares purchased under the Repurchase Mandate.

As at the Latest Practicable Date, there were 302,742,424 Shares in issue. Subject to the passing of the ordinary resolutions to approve the General Mandates at the AGM and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company would be allowed to issue up to a maximum of 60,548,484 Shares under the Issue Mandate and to repurchase up to a maximum of 30,274,242 Shares under the Repurchase Mandate.

The Directors believe that it is in the interests of the Company and the Shareholders as a whole if the General Mandates are granted at the AGM. The Issue Mandate will provide the Directors with flexibility to issue new Shares especially in the context of a fund-raising exercise in a timely manner or a transaction involving an acquisition by the Group where Shares are to be issued as a consideration and which has to be completed speedily.

As at the Latest Practicable Date, the Directors had no present intention to exercise the Issue Mandate to allot, issue and deal with Shares and to exercise the Repurchase Mandate to repurchase Shares. Repurchase of Shares will only be made when the Directors believe that such repurchase will benefit the Company and the Shareholders as a whole. Considering the rapid changes in market conditions, the Repurchase Mandate can provide flexibility to the Directors to enhance the net asset value of the Company and/or its earnings per Share by repurchasing shares.

The General Mandates, if approved by the Shareholders at the AGM, will continue until whichever is the earliest of:

- (i) the conclusion of the next annual general meeting of the Company;
- (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Bye-laws or any applicable law of Bermuda to be held; and
- (iii) the revocation or variation of such authority by the Shareholders in general meeting of the Company.

An explanatory statement providing all the information required under the Listing Rules regarding the Repurchase Mandate is set out in Appendix II to this circular.

## **APPENDIX II      EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE**

---

This is an explanatory statement given to the Shareholders relating to the proposed ordinary resolution approving the Repurchase Mandate by the Shareholders at the AGM.

This explanatory statement contains a summary of the information required pursuant to Rule 10.06 of the Listing Rules.

### **1.      SHARE CAPITAL**

As at the Latest Practicable Date, the authorised share capital of the Company comprised 10,280,000,000 Shares, of which a total of 302,742,424 Shares were issued and fully paid.

Assuming no further Shares are issued or repurchased between the Latest Practicable Date and the date of the AGM, there will be 302,742,424 Shares in issue on the date of the AGM, and the exercise in full of the Repurchase Mandate would result in up to a maximum of 30,274,242 Shares, representing 10% of the total number of issued Shares as at the date of the passing of such resolution, under the Repurchase Mandate.

### **2.      REASONS FOR REPURCHASES**

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole for the Directors to have a general authority from the Shareholders to repurchase Shares on the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share and will benefit the Company and the Shareholders as a whole.

### **3.      FUNDING OF REPURCHASES**

The repurchase of Shares shall be made with funds legally available for such purpose in accordance with the Bye-laws, the Listing Rules and the applicable laws of Bermuda. Under Bermuda law, repurchases may only be effected out of the capital paid up on the repurchased Shares or out of funds of the Company otherwise available for dividend or distribution or out of the proceeds of a fresh issue of Shares made for the purpose. Any premium payable on a repurchase over the par value of the Shares to be repurchased must be provided for out of funds of the Company otherwise available for dividend or distribution or out of the Company's share premium account before the Shares are repurchased. It is envisaged that the funds required for any repurchase of Shares pursuant to the exercise of the Repurchase Mandate would be derived from such sources.

As compared to the financial position of the Company as at 31st March, 2025 (being the date to which the Company's latest audited financial statements have been made up), the Directors consider that the repurchases of securities will have no material adverse impact on the working capital and the gearing position of the Company in the event that the Repurchase Mandate are to be exercised in full during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing levels of the Company, which in the opinion of the Directors, are from time to time appropriate for the Company.

**4.      DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS**

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates, has any present intention, in the event that the Repurchase Mandate is approved by the Shareholders, to sell Shares to the Company.

No core connected person of the Company has notified the Company that he/she has a present intention to sell Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

**5.      UNDERTAKING OF THE DIRECTORS**

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise all the powers of the Company to make repurchase of Shares pursuant to the Repurchase Mandate in accordance with the Listing Rules, the Bye-laws and the applicable laws of Bermuda.

The Company confirms that the explanatory statement set out in Appendix II to this circular contains the information required under Rule 10.06(1)(b) of the Listing Rules and that neither the explanatory statement nor the proposed share repurchase under Repurchase Mandate has any unusual features.

**6.      SHARE REPURCHASE MADE BY THE COMPANY**

The Company had not repurchased any Shares (whether on the Stock Exchange or otherwise), in the six months preceding the Latest Practicable Date.

**7.      EFFECTS OF THE TAKEOVERS CODE**

If a Shareholder's proportionate interest in the voting rights of the Company increases as a result of the Directors exercising the powers of the Company to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition of voting rights for the purpose of Rule 26 and 32 of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert, depending on the level of increase in the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 and 32 of the Takeovers Code.

## APPENDIX II EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

Mr. Ching, a director of the Company is also a director of MARCHING GREAT, who owns the entire issued share capital of MARCHING GREAT. - (3) Based on the disclosure of interest filing of Mr. Zhu as at 18th August, 2023, Mr. Zhu owns 31,288,276 shares of the Company and owns the entire issued share capital of One Perfect Group Ltd (“**One Perfect**”), which holds 234,000 shares of the Company. Accordingly, Mr. Zhu is deemed to be interested in 234,000 shares of the Company held by One Perfect under the SFO.

In the event the Directors exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the Repurchase Mandate, the interests of each of the above Shareholders in the Company would be increased to approximately the percentages as set out opposite their respective names in the table above.

On the basis of the aforesaid increase of shareholding held by the Shareholders set out above, Mr. Ching and parties acting in concert with him will be obliged to make a mandatory offer under Rule 26 of the Takeovers Code as his shareholding percentage would increase to more than 30% of the voting rights of the Company.

---

## APPENDIX II      EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

---

The Directors have no present intention to exercise the power to repurchase Shares pursuant to the Repurchase Mandate to such an extent as would trigger a mandatory offer under Rule 26 of the Takeovers Code, or would result in the number of Shares being held by the public falling below the relevant minimum prescribed percentage as required by the Stock Exchange, which is 25% of the total issued Shares of the Company.

### 8.      PRICES OF THE SHARES
