This announcement is made by SPT Energy Group Inc. (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571, Laws of Hong Kong).

The board of directors (the “**Directors**”) of the Company (the “**Board**”) hereby informs the shareholders of the Company (the “**Shareholders**”) and its potential investors that, based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2025 (the “**Period**”), the Group is expected to record a net loss attributable to equity owners of the Company for the Period in the range of approximately RMB40 million to RMB60 million, as compared to a net loss attributable to equity owners of the Company of approximately RMB62.7 million for the same period of the previous year, representing a narrowing of the loss as compared to the same period of the previous year. Based on the preliminary assessment of the management accounts and the information currently available to the Company, the Board considers that the above is mainly due to the following reasons:

1. During the Period, the Group optimized and adjusted its business structure and strengthened cost control measures; and
2. The Group recorded a decrease in impairment loss on assets.

Some of the markets in which the Group operates are facing challenges, with certain customers continuing to reduce costs and improve efficiency, while the industry remains subdued. The Group has optimized and adjusted its business structure and strengthened cost control measures, more time is needed to reverse the loss situation.
