The Subscription Price of HK\$0.33 per Subscription Share (i) represents a discount of approximately 5.71% to the closing price of HK\$0.35 per Share as quoted on the Stock Exchange on 5 September 2025, being the date of the Subscription Agreement; and (ii) represents a discount of approximately 11.05% to the average closing price of HK\$0.371 per Share as quoted on the Stock Exchange for the last five consecutive Trading Days up to and including the Last Trading Day.

The Subscription Shares will be allotted and issued under the General Mandate. The gross proceeds of the Subscription are expected to be approximately C\$750,000.00 (equivalent to approximately HK\$4,254,112.50). The net Subscription Price, after deduction of all related expenses, is estimated to be approximately HK\$0.322 per Subscription Share. The Company intends to apply the net proceeds from the Subscription in the manner set out in the paragraph headed “REASONS FOR AND BENEFITS OF THE ISSUE OF THE SUBSCRIPTION SHARES” in this announcement.

**Shareholders and potential investors should note that Closing of the Subscription is subject to fulfilment of the conditions under the Subscription Agreement. As the Subscription may or may not proceed, Shareholders and potential investors are reminded to exercise caution when dealing in the securities of the Company.**

## **SUBSCRIPTION AGREEMENT**

The Board is pleased to announce that on 5 September 2025 (after trading hours), the Company entered into the Subscription Agreement with the Subscriber.

The principal terms of the Subscription Agreement are summarized as follows:

### **Date**

5 September 2025 (after trading hours)

### **Parties**

- (1) the Company; and
- (2) the Subscriber.

### **Subscription**

Pursuant to the Subscription Agreement, the Company has conditionally agreed to allot and issue, and the Subscriber has conditionally agreed to subscribe for, 12,891,250 Subscription Shares at the Subscription Price of HK\$0.33 per Subscription Share to be paid by cash on the Closing Date, the breakdown of which is as follows:

The number of 12,891,250 Subscription Shares represents (i) approximately 2.20% of the issued share capital of the Company as at the date of this announcement; and (ii) approximately 2.15% of the issued share capital of the Company as enlarged by the allotment and issue of the Subscription Shares (assuming there is no change in the issued share capital of the Company between the date of this announcement and the Closing Date save for the allotment and issue of the Subscription Shares).

## **Subscription Price**

The Subscription Price of HK\$0.33 per Subscription Share:

- (1) represents a discount of approximately 5.71% to the closing price of HK\$0.35 per Share as quoted on the Stock Exchange on 5 September 2025, being the date of the Subscription Agreement; and
- (2) represents a discount of approximately 11.05% to the average closing price of HK\$0.371 per Share for the last five consecutive trading days up to and including the Last Trading Day.

The Subscription Price was determined after arm's length negotiations between the Company and the Subscriber after considering, among other things, the Company's past performance, the then prevailing market price of the Shares and the future prospects of the Company.

Within five days after satisfaction or waiver of the Conditions Precedent, or such date as the Company and the Subscriber may agree in writing, the Subscriber shall make full payment of the Subscription Price by way of wire transfer of immediately available funds to the Company.

The Company and the Subscriber have agreed that the Subscriber will pay for the Subscription Shares in C\$ using the exchange rate of the higher of (i) HK\$1 to C\$0.1763, and (ii) the HK\$ to C\$ exchange rate as quoted by the Bank of Canada for the five days preceding the payment for the new Shares. Given that the Company is a Canadian company and incurs costs in C\$, this arrangement helps to eliminate foreign exchange risk which the Company and the Shareholders otherwise would be exposed to if the HK\$ to C\$ exchange rate was not fixed.

## **Conditions Precedent**

The obligations of the Subscriber to subscribe and pay for, and the obligations of the Company to issue, the Subscription Shares are subject to the fulfilment of the following Conditions Precedent:

- (1) the passing of the resolutions of the Board approving (i) the Subscription Agreement and the transactions contemplated thereunder, and (ii) the allotment and issue of the Subscription Shares under the Subscription Agreement;

- (3) the purchase of the Subscription Shares contemplated hereunder being in compliance with the requirements of the Listing Rules and the Takeovers Code, as applicable;
- (4) all necessary consents and approvals required to be obtained by the Company in respect of the Subscription having been obtained;

- (5) all necessary consents, filings, approvals and registrations from or with any relevant governmental or regulatory authorities required to be obtained or completed by the Subscriber, including, but not limited to, the Ministry of Commerce of the PRC and the State Administration of Foreign Exchange of the PRC (or their respective local branch or the designated local banks) that are necessary for the Subscriber to consummate the Subscription having been obtained or completed, including compliance with the “Circular on Relevant Issues Concerning Foreign Exchange Administration of Overseas Investment and Financing and Return Investments Conducted by Domestic Residents Through Overseas Special Purpose Vehicles”; and
- (6) delivery by the Subscriber to the Company of evidence satisfactory to the Company, in its sole discretion, that the Subscriber has sufficient funds available to purchase the Subscription Shares.

As at the date of this announcement, aside from the first and sixth conditions, none of the other conditions set forth above has been fulfilled.

### **Closing**

Closing is subject to the satisfaction of the Conditions Precedent on or before 30 September 2025, or such other date as may be determined by the Company in its sole discretion.

### **Ranking**

The Subscription Shares, when issued and fully paid, will rank pari passu in all respects among themselves and with all other Shares in issue at the time of allotment and issue of the Subscription Shares.

### **GENERAL MANDATE**

The Subscription Shares will be allotted and issued under the 2025 General Mandate. The 2025 General Mandate entitles the Directors to issue, allot and deal with up to 104,577,304 Shares, representing 20% of the issued share capital of the Company as at the date of the AGM, which was 522,886,520 Shares.

Since the date of the AGM and up to and including the date of this announcement, the Company has agreed to issue 7,775,884 Shares pursuant to the 2025 General Mandate. Accordingly, the 2025 General Mandate is sufficient for the allotment and issue of the Subscription Shares and the allotment and issue of the Subscription Shares will not be subject to the Shareholders’ approval.

### **APPLICATION FOR LISTING**

The Company will apply to the Listing Committee for the listing of, and permission to deal in, the Subscription Shares.

## **INFORMATION ON THE SUBSCRIBER**

The Subscriber is a citizen of the PRC.

To the best knowledge, information and belief of the Directors, and having made all reasonable enquiries, the Subscriber is an Independent Third Party.

## **REASONS FOR AND BENEFITS OF THE ISSUE OF THE SUBSCRIPTION SHARES**

The Company is principally engaged in natural gas and crude oil exploration and production, with a focus on natural gas resources. The Company focuses on long-term growth through acquisition, exploration, development and production in the Western Canadian Sedimentary Basin.

The gross proceeds of the Subscription are expected to be approximately C\$750,000.00 (equivalent to HK\$4,254,112.50). The Company estimates it will incur total costs of approximately C\$18,070.75 (equivalent to approximately HK\$102,500.00) in respect of the Subscription. After deducting the related expenses, the net proceeds of the Subscription will amount to approximately C\$731,806.00 (equivalent to approximately HK\$4,151,612.50). The net Subscription Price, after deducting the related expenses, is estimated to be approximately HK\$0.322 per Subscription Share. The Company intends to apply the net proceeds of the Subscription as its general working capital.

The Directors believe that the completion of the Subscription will provide a good opportunity to raise surplus capital for the Company while strengthening the financial position of the Company. Further, the Directors believe that the Subscription will allow the Company to receive additional funds at a reasonable cost to support the Company's existing operations and further development of its existing and potential business and investment opportunities.

Having considered the above, the Board is of the view that (i) the Subscription Agreement is entered into upon normal commercial terms following arm's length negotiations between the Company and the Subscriber; (ii) the terms of the Subscription Agreement is on normal commercial terms and are fair and reasonable; and (iii) the Subscription is in the interests of the Company and the Shareholders as a whole.

As at the date of this announcement, other than the entering into of the Subscription Agreement, the Company has not entered into, or contemplated entering into, any other arrangements, agreements or understandings (whether formal or informal and whether express or implied) with the Subscriber. However, the proceeds from the Subscription may not satisfy the upcoming financial needs of the Company in full if there is any change of the Company's current circumstances or business plan or if there shall arise any potential business opportunities. Therefore, the Board does not rule out the possibility that the Company will conduct further debt or equity fund-raising exercises when suitable fund-raising opportunities, including but not limited to financing from the then Shareholders or other third-party sources arise in order to support future developments of the Company. The Company will make further announcements in this regard in accordance with the Listing Rules as and when appropriate.
