VOLUNTARY ANNOUNCEMENT

CIRC AND BRAZIL NATIONAL COMMISSION FOR NUCLEAR ENERGY SIGNED MOU ON COOPERATION

This announcement is voluntarily made by China Isotope & Radiation Corporation (“**CIRC**” or the “**Company**”) to keep its shareholders and potential investors informed of the latest business developments of the Company.

The board of directors of the Company is pleased to announce that recently, at the China side event of the 30th IAEA Fusion Energy Conference held in Chengdu, CIRC and Brazil National Commission for Nuclear Energy (CNEN) signed the Memorandum of Understanding on Cooperation in Isotope Procurement. The two parties will establish a long-term cooperation mechanism focusing on isotope product supply, quality management, and information exchange, jointly enhancing isotope product R&D and application capabilities, and supporting the development of nuclear technology applications and radiopharmaceutical industries of Brazil.

As a leading Chinese company in the field of isotopes and radiopharmaceuticals, CIRC will leverage this signing as an opportunity to actively expand its international cooperation, promote the export of its technologies, products, and services, and contribute to the peaceful uses of nuclear technology and public health.
