APPLICATION FOR LISTING ON THE STOCK EXCHANGE

We have applied to the Listing Committee for the granting of the listing of, and permission to deal in, the H Shares to be issued pursuant to the Global Offering (including H Shares which may be issued pursuant to the exercise of the Offer Size Adjustment Option and the Over-allotment Option).

STRUCTURE OF THE GLOBAL OFFERING

The Global Offering comprises:

- the Hong Kong Public Offering of initially 15,510,000 Offer Shares (subject to reallocation and the Offer Size Adjustment Option), representing approximately 10.0% of the total number of the Offer Shares initially available under the Global Offering, and
- the International Offering of initially 139,590,000 Offer Shares (subject to reallocation, the Offer Size Adjustment Option and the Over-allotment Option), representing approximately 90.0% of the total number of Offer Shares initially available under the Global Offering.

The allocation of the Offer Shares between the Hong Kong Public Offering and the International Offering will be subject to reallocation as described in the section headed “Structure of the Global Offering” in the Prospectus.

In particular, subject to the requirements under Practice Note 18 of the Listing Rules and Chapter 4.14 of the Guide for New Listing Applicants, the Overall Coordinators (for themselves and on behalf of the Underwriters) may, at their sole discretion, reallocate Offer Shares from the International Offering to the Hong Kong Public Offering to satisfy valid applications under the Hong Kong Public Offering. In accordance with Practice Note 18 of the Listing Rules and Chapter 4.14 of the Guide for New Listing Applicants, the maximum total number of Offer Shares available for subscription under the Hong Kong Public Offering following such reallocation shall not exceed 23,265,000 Offer Shares, representing approximately 15% of the number of Offer Shares initially available under the Global Offering (before any exercise of the Over-allotment Option and the Offer Size Adjustment Option).

In connection with the Global Offering, the Company is expected to grant to the International Underwriters, exercisable by the Overall Coordinators (on behalf of the International Underwriters), the Over-allotment Option, which will be exercisable from the date of the International Underwriting Agreement until the 30th day after the last day for the lodging of applications under the Hong Kong Public Offering, to require the Company to issue up to an aggregate of 23,265,000 additional H Shares (representing not more than 15% of the Offer Shares initially available under the Global Offering assuming the Offer Size Adjustment Option is not exercised at all) or up to an aggregate of 26,754,500 additional H Shares (representing not more than 15% of the Offer Shares being offered under the Global Offering assuming the Offer Size Adjustment Option is exercised in full) at the Offer Price, to cover over-allocations in the International Offering, if any. In the event that Over-allotment Option is exercised, we will make an announcement which will be posted on the website of the Stock Exchange (www.hkexnews.hk) and on our website (<https://www.joyson.com/>), respectively.

PRICING

We will determine the Offer Price by reference to, among other factors, the closing price of the A Shares on the Shanghai Stock Exchange on the last trading day on or before the Price Determination Date, and the Offer Price will not be more than HK\$23.60, unless to be otherwise announced as further explained in the section headed “Structure of the Global Offering” in the Prospectus.
