VOLUNTARY ANNOUNCEMENT

This announcement is made by Cloud Factory Technology Holdings Limited (the "**Company**", together with its subsidiaries, the "**Group**") on a voluntary basis.

The board of directors of the Company (the "**Board**") is pleased to announce that, on 4 November 2025, the Company entered into a sales agreement ("**Agreement**") with Star Plus IP (HK) Limited ("**Star Plus IP**") to purchase 5,000 units of quadruped robots from Star Plus IP for a total consideration of USD15 million.

Aligned with the industry trend of merging edge computing and artificial intelligence ("**AI**"), the Company adopts the core strategy of "Edge Cloud + AI Services." Leveraging its *Lingjing Cloud* edge computing power platform, the Group provides capabilities, including AI model simulation training, real-time inference and computing, and low-latency network scheduling, to robots to enable them to continuously learn and optimize performance across diverse application scenarios. As part of its strategic layout, the Group has procured quadruped robots and integrated them with its *Lingjing Cloud* edge computing power platform to deliver intelligent terminal solution that combines intelligent robots with edge computing power to our customers to create more comprehensive and efficient value for them. The Board believes that the transaction contemplated under this Agreement will promote the Group's development in extending its edge computing business system beyond AI model training into broader applications involving intelligent robotics and artificial intelligence of things terminal deployment.

Star Plus IP is a company incorporated under the laws of Hong Kong and a wholly-owned subsidiary of Star Plus Legend Holdings Limited (together with Star Plus IP, the "**Star Plus Group**"), which is listed and traded on The Stock Exchange of Hong Kong Limited ("**Stock Exchange**") (stock code: 6683). Star Plus IP is principally engaged in entertainment IP development, operation, and licensing business and the Star Plus Group is principally engaged in IP creation and operation business and new consumption business in the Peoples' Republic of China.

To the best knowledge, information and belief of the directors of the Company, having made all reasonable enquiries, Star Plus IP and its ultimate beneficial owner are third parties independent of the Company and its connected persons (as defined under the Listing Rules).

The entering of the Agreement and the transaction contemplated thereunder are in the ordinary and usual course of business of the Group. As at the date of this announcement, the Board confirms that it is not aware of any matter related to the Agreement which will be required to be disclosed pursuant to the Rules Governing the Listing of Securities ("**Listing Rules**") on the Stock Exchange. The Company will make further announcement(s) in the future should any disclosure requirements be triggered under the Listing Rules in respect of matters related to the Agreement.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.

By order of the Board
