## **VOLUNTARY ANNOUNCEMENT**

### **APPROVAL OF THE PHASE III CLINICAL STUDY PROTOCOL OF IMM0306 FOR THE TREATMENT OF RELAPSED/REFRACTORY FOLLICULAR LYMPHOMA FROM CDE**

This announcement is made by ImmuneOnco Biopharmaceuticals (Shanghai) Inc. (the “**Company**,” together with its subsidiaries, the “**Group**”) on a voluntary basis to inform shareholders and potential investors of the Company about the latest business development of the Group.

The board (the “**Board**”) of directors (“**Directors**”, and each a “**Director**”) of the Company is pleased to announce that our Company has received the approval of the Phase III clinical study protocol of IMM0306 in combination with lenalidomide for the treatment of relapsed/refractory follicular lymphoma from the Center for Drug Evaluation (the “**CDE**”) of the National Medical Products Administration (the “**NMPA**”), marking an acceleration in the development of innovative treatment for relapsed/refractory follicular lymphoma.

### **ABOUT IMM0306**

IMM0306, independently developed by the Group, is a bispecific molecule targeting both cluster of differentiation 47 (CD47) and cluster of differentiation 20 (CD20) and is the first CD47 and CD20 dual-targeting bispecific to enter into clinical stage globally. IMM0306 blocks the “don’t eat me” signal by inhibiting the CD47-SIRP $\alpha$  interaction, enhances Fc-Fc $\gamma$ RIIa and Fc-Fc $\gamma$ RIIIa interactions to activate macrophages and NK cells, and preferentially binds CD20 over CD47 to effectively eliminate malignant B cells while minimizing toxicity, leading to improved therapeutic outcomes.

As of the date of this announcement, the Group owns the global intellectual property rights and commercial rights of IMM0306.

Cautionary Statement required by Rule 18A.05 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited: The Company cannot guarantee that it will be able to develop, or ultimately market, IMM0306, successfully. Shareholders and potential investors of the Company are advised to exercise due care when dealing in the shares of the Company.
