Summarised below are the principal terms of the Loan Agreement.

### **THE LOAN AGREEMENT**

Date of Agreement	:	14 January 2026
Lender	:	SZCG
Borrower	:	Customer FN
Principal	:	RMB10,000,000
Interest rate	:	14.4% per annum
Term	:	6 months commencing from the drawdown date
Security	:	A first legal charge mortgage in respect of a residential property located at Nanshan District, Shenzhen, with valuation conducted by an independent property valuer in Shenzhen with the market value of approximately RMB14,485,000 as at 19 December 2025
Repayment	:	the Borrower will repay the interest on a monthly basis with a principal amount to be repaid at maturity.

## **INFORMATION ON THE CREDIT RISK RELATING TO THE LOAN**

The making of the Loan is collateralised against a residential property. The collateral provided by the Borrower for the Loan is sufficient based on the value of the mortgaged property for the Loan as determined by an independent valuer.

The advances in respect of the Loan are also made on the basis of the Company's credit assessments with reference to the facts that (i) the collateral provided by the Borrower is at the prime site in Shenzhen; (ii) the Borrower's net worth is strong and solid to prove her repayment ability; and (iii) the relatively short term nature of the Loan. After taking into account the factors as disclosed above in assessing the risks of the relevant advances, the Company considers that the risks involved in the advances to the Borrower are manageable.

The Group will finance the Loan with the Group's general working capital.

## **INFORMATION ON THE BORROWER**

## **REASONS FOR ENTERING INTO THE LOAN AGREEMENT**

Taking into account the principal business activities of the Group, the grant of the Loan to the Borrower is in the ordinary and usual course of business of the Group.

The terms of the Loan Agreement, including the interest rate applicable, were negotiated on an arm's length basis between SZCG and the Borrower, having taken into account the prevailing market terms and practice of transactions of similar nature. The Directors consider that the grant of the Loan is a financial assistance provided by the Group within the meaning of the Listing Rules. The Directors are of the view that the terms of the Loan Agreement were entered into on normal commercial terms based on the Group's credit policy. Taking into account the satisfactory financial background of the Borrower and that a stable revenue and cashflow stream from the interest income is expected, the Directors consider that the terms of the Loan Agreement are fair and reasonable and the entering into of the Loan Agreement is in the interests of the Company and its Shareholders as a whole.
