Unless otherwise defined, capitalized terms used herein shall have the same meanings as those defined in the Announcements.

EXTENSION OF THE LONG STOP DATE AND ENTERING INTO THE SECOND SUPPLEMENTAL AGREEMENTS

As disclosed in the Announcements, the Subscription is conditional upon fulfilment of the conditions on or before the Long Stop Date, being 17 January 2026. Due to the Subscriber’s funding allocation issues, the parties have agreed to extend the Long Stop Date to 12 April 2026.

On 14 January 2026 (after trading hours of the Stock Exchange), the Company entered into (i) the second supplemental agreement to the Subscription Agreement with the Subscriber (the “**Second Supplemental Subscription Agreement**”); and (ii) the second supplemental agreement to the Placing Agreement with the Placing Agents (the “**Second Supplemental Placing Agreement**”) (collectively, the “**Second Supplemental Agreements**”). The principal terms of the Second Supplemental Agreements are as follows:

1. The parties thereto agreed to extend the Long Stop Date to 12 April 2026, or such other later date as the parties may agree in writing.

2. The parties thereto agreed that Designated Person(s) for Tranche 2A Subscription and Tranche 2B Subscription shall be notified to the Company no later than ten Business Days before the Long Stop Date. Subject to the Stock Exchange having granted the listing of, and permission to deal in, the Subscription Shares, the Subscriber shall issue the completion notice to the Company. The completion of the Subscriptions shall take place within five business days from the date of the completion notice, subject to the fulfilment or waiver of the conditions precedent to the Subscriptions, and in any event no later than the Long Stop Date, irrespective of whether the identity of the Designated Person(s) has been notified or the relevant completion notice(s) has been issued.

Save and except for the aforesaid changes, all other terms of the Subscription Agreement (as amended and supplemented by the Subscription Supplemental Agreement) and the Placing Agreement (as amended and supplemented by the Placing Supplemental Agreement) remain unchanged and shall continue in full force and effect.

EFFECT OF THE EXTENSION OF THE LONG STOP DATE

The Company has received the aggregate net proceeds of the Tranche 1A Subscription and Tranche 1B Subscription from the Subscription of approximately HK\$777.29 million. After careful consideration and evaluation of the Group's operations and business strategies, the Company is of the view that the net proceeds from the Tranche 1A Subscription and Tranche 1B Subscription, together with the Company's internal resources, are sufficient to meet the short-term funding requirements. The Company expects to have long-term funding requirements to support research and development, investments in artificial intelligence, and the continued expansion of its targeted marketing business. Such initiatives form part of the Group's long-term strategic objectives and are not expected to be fully implemented within a short time frame. In addition, the Group will also utilize its internal resources to support the Group's long-term strategic objectives in due course. As disclosed in the announcement of the Company dated 18 September 2025, the Company expects that all of the net proceeds from the Subscription will be fully utilized by the end of 2027.

Accordingly, having taken into account (i) the receipt of the above net proceeds, (ii) the availability of internal resources, and (iii) the expected timeline for the utilization of the net proceeds from the Subscription, the Company is of the view that the extension of the Long Stop Date to 12 April 2026 shall have no material adverse impact on the existing business, operation and financial condition of the Group.

REASONS FOR ENTERING INTO THE SECOND SUPPLEMENTAL AGREEMENTS

The Subscriber is a strategic shareholder of the Company. In order to facilitate the establishment and maintenance of a long-term strategic relationship with the Subscriber, and having considered the Subscriber's internal funding allocation arrangements, the Company has agreed to extend the Long Stop Date.

Having taken into account (i) the strategic importance of the Subscriber to the Company; (ii) the orderly completion facilitated by the extension of the Long Stop Date; and (iii) that the extension will not have any material adverse impact on the Group's existing business, operations or financial condition, the Directors consider that terms and conditions of the Second Supplemental Agreements are fair and reasonable and are in the interests of the Company and the Shareholders as a whole.

The Company will keep its Shareholders and potential investors informed of any significant development of the Subscription and will make further announcement(s) as and when appropriate and in accordance with the Listing Rules.

As completion of the Subscription is subject to the satisfaction and/or waiver of certain conditions precedent, it may or may not materialise as contemplated or at all, and it may be terminated in certain circumstances, Shareholders and potential investors are reminded to exercise caution when dealing in the securities of the Company.
