**VOLUNTARY ANNOUNCEMENT  
REGISTRATION APPLICATION OF SELF-EXPANDING  
INTRACRANIAL DRUG-ELUTING STENT ACCEPTED BY NMPA**

This announcement is made by Shanghai HeartCare Medical Technology Corporation Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) on a voluntary basis to provide the shareholders and potential investors of the Company with updated information in relation to the latest business and new product development progress of the Group.

The Company is pleased to announce that the registration application of the Self-expanding Intracranial Drug-eluting Stent developed by the Group has been accepted by the National Medical Products Administration of the People’s Republic of China (“**NMPA**”).

The Self-expanding Intracranial Drug-eluting Stent is used to treat intracranial atherosclerotic stenosis. It exerts supportive and recanalization effects on stenotic and occluded lumens and can effectively prevent in-stent restenosis. According to public information inquiries, no similar products have been approved for marketing worldwide currently, and the Company’s research and development progress for such type of product ranks at the leading level in the industry.

There is no assurance that the Self-expanding Intracranial Drug-eluting Stent will ultimately be successfully commercialized. Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
