To the Shareholders

Dear Sir or Madam,

**PROPOSED SHARE SUBDIVISION
AND
NOTICE OF THE 2026 FIRST EXTRAORDINARY
GENERAL MEETING**

I. INTRODUCTION

The purpose of this circular is to provide you with the details of certain resolutions proposed to be considered at the EGM and set out the notices of EGM.

The following matters are intended to be proposed at the EGM for consideration and approval by way of special resolution: the Proposed Share Subdivision and the Proposed Amendments to the Articles of Association.

Details of the aforesaid resolutions are set out below in this circular.

LETTER FROM THE BOARD

II. PROPOSED SHARE SUBDIVISION AND PROPOSED AMENDMENTS TO THE ARTICLES OF ASSOCIATION

Reference is made to the announcement of the Company dated 23 January 2026 in relation to the Proposed Share Subdivision and the Proposed Amendments to the Articles of Association.

Proposed Share Subdivision

The Board proposes to implement the Proposed Share Subdivision on the basis that every one (1) Existing H Share with a par value of RMB1.00 each be subdivided into five (5) Subdivided H Shares with a par value of RMB0.20 each.

Upon the Proposed Share Subdivision becoming effective, the issued share capital of the Company will be RMB59,788,807 divided into 298,944,035 Subdivided H Shares in issue and fully paid or credited as fully paid, assuming that no further H Shares will be issued or repurchased after the Latest Practicable Date and prior to the Proposed Share Subdivision becoming effective.

The Subdivided H Shares will rank *pari passu* with each other in all respects with, and shall have the same rights and privileges attaching thereto as, the H Shares in issue prior to the Proposed Share Subdivision, and the relevant rights of the Shareholders will not be affected by the Proposed Share Subdivision.

Conditions for the Proposed Share Subdivision

The Proposed Share Subdivision is conditional upon:

- (a) the passing of special resolution by the Shareholders at the EGM to approve the Proposed Share Subdivision;
- (b) the Listing Committee granting the listing of, and permission to deal in, the Subdivided H Shares; and
- (c) the compliance with the relevant procedures and requirements under PRC laws and regulations (where applicable) to effect the Proposed Share Subdivision.

As at the Latest Practicable Date, none of the above conditions have been fulfilled.

For the avoidance of doubt, a resolution will be proposed to the Shareholders to seek their approval for the Proposed Share Subdivision at the EGM. In the event that any of the conditions precedent to the implementation of the Proposed Share Subdivision is not fulfilled, the Proposed Share Subdivision and Proposed Amendments to the Articles of Association will not become effective.

LETTER FROM THE BOARD

Effects of the Proposed Share Subdivision

As at the Latest Practicable Date, the registered share capital of the Company is RMB59,788,807, comprising 59,788,807 Existing H Shares with a par value of RMB1.00 each.

Assuming that there is no change in the issued share capital of the Company from the Latest Practicable Date until the effective date of the Proposed Share Subdivision, the registered share capital of the Company immediately upon the Proposed Share Subdivision becoming effective is RMB59,788,807, comprising 298,944,035 Subdivided H Shares with a par value of RMB0.20 each, all of which are in issue.

Assuming there is no change in the issued share capital of the Company prior to the effective date of the Proposed Share Subdivision, the share capital structures of the Company (i) as at the Latest Practicable Date; and (ii) immediately after the Proposed Share Subdivision becoming effective are set out below.

As at the Latest Practicable Date	Immediately after the Proposed Share Subdivision becoming effective
Par value	RMB1.00
Number of issued H Shares	59,788,807
Total issued share capital ¹	RMB59,788,807
	RMB59,788,807

Note 1: Total issued share capital is calculated by multiplying the par value by the number of issued H Shares, which together with, amongst others, share premium, form part of shareholders' equity.

As at the Latest Practicable Date, the Company has no outstanding convertible securities, options or warrants in issue which confer any right to subscribe for, convert or exchange into the Existing H Shares.

Upon the Proposed Share Subdivision becoming effective, the Subdivided H Shares shall rank *pari passu* in all respects with each other.

Other than the expenses to be incurred in relation to the Proposed Share Subdivision, the implementation of the Proposed Share Subdivision will not, by itself, affect the underlying assets, business operations, management or financial position of the Company or the proportionate interests or rights of the Shareholders.

Application for Listing

An application will be made by the Company to the Listing Committee for the listing of, and permission to deal in, the Subdivided H Shares arising from the Proposed Share Subdivision.

LETTER FROM THE BOARD

Subject to the granting of the listing of, and permission to deal in, the Subdivided H Shares on the Stock Exchange, as well as compliance with the stock admission requirements of the HKSCC, the Subdivided H Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealings in the Subdivided H Shares on the Stock Exchange or such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second settlement day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. All necessary arrangements will also be made for the Subdivided H Shares to be admitted into the CCASS established and operated by HKSCC.

None of the securities of the Company are listed or dealt in on any other stock exchange other than the Stock Exchange and no such listing or permission to deal is being or is proposed to be sought.

Reasons for the Proposed Share Subdivision

The Proposed Share Subdivision will decrease the nominal value and trading price of each H Share and increase the total number of H Shares in issue. Based on the closing price of HK\$276.00 per Share as quoted on the Stock Exchange as at the Latest Practicable Date, the market value per board lot of 50 H Shares is HK\$13,800. The estimated market value per board lot of 50 Subdivided H Shares will theoretically be reduced to HK\$2,760.00 immediately upon the Proposed Share Subdivision becoming effective.

The Board is of the view that the Proposed Share Subdivision will lower the investment barrier and improve the liquidity in the trading of H Shares and broaden the shareholder base of the Company by appealing to more investors. In forming its view, the Board has also taken into account general feedback received from Shareholders from time to time, including suggestions that a share subdivision could enhance market accessibility and improve the trading liquidity of the H Shares. As a result, the Proposed Share Subdivision is expected to result in downward adjustment to the trading price of each H Shares and the market value per board lot of H Shares. Given the prevailing market conditions, a more liquid market will provide more flexibility for investors to trade in the H Shares, which will in turn facilitate the Company's growth and development in the future.

As the Proposed Share Subdivision will not result in odd lots or fractional shares, no odd lot arrangement is required to be made to match the sales and purchases of odd lots.

As at the Latest Practicable Date, the Company has no concrete plan nor any agreement, arrangement, understanding or negotiation (concluded or otherwise) for any fund raising activities, or any intention to carry out other corporate action or arrangement, including share consolidation, share subdivision and capital reduction, which may have an effect of undermining or negating the intended purpose and effect of the Proposed Share Subdivision in the next 12 months.

LETTER FROM THE BOARD

Other than the expenses to be incurred in relation to the Proposed Share Subdivision, the implementation of the Proposed Share Subdivision will not, by itself, affect the underlying assets, business operations, management or financial position of the Company or the proportionate interests or rights of the Shareholders. Accordingly, the Directors consider that the Proposed Share Subdivision will not have any adverse effect on the financial position of the Company.

In view of the above, the Board considers that the implementation of the Proposed Share Subdivision is in the best interests of the Company and the Shareholders as a whole.

Exchange of Share Certificates

Subject to the Proposed Share Subdivision becoming effective, Shareholders may submit their existing share certificate(s) in blue colour for the Existing H Share(s) to the H share registrar and transfer office of the Company in Hong Kong, Computershare Hong Kong Investor Services Limited, at Shops 1712-1716, 17th Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong, in exchange for new share certificate(s) in yellow colour for the Subdivided H Shares free of charge between 9:00 a.m. and 4:30 p.m. on any Business Day from Friday, 20 February 2026 to Monday, 30 March 2026 (both days inclusive). It is expected that new share certificate(s) for the Subdivided H Shares will be available for collection within 10 Business Days after the submission of the existing share certificate(s) for the Existing H Share(s) to Computershare Hong Kong Investor Services Limited for exchange.

From Tuesday, 31 March 2026 onwards, exchange of existing share certificate(s) for the Existing H Share(s) for new share certificate(s) for the Subdivided H Shares can only be made at a cost of HK\$2.50 (or such higher amount as may be allowed by the Stock Exchange from time to time) for each existing share certificate for the Existing H Share(s) cancelled or each new share certificate for the Subdivided H Shares issued, whichever number of share certificates involved is higher.

Subject to the Proposed Share Subdivision becoming effective, existing share certificates for the Existing H Share(s) will only be valid for delivery, registration, trading and settlement purposes for the period up to 4:10 p.m. on Thursday, 26 March 2026 and thereafter will not be accepted for delivery, registration, trading and settlement purposes. However, all existing share certificates for the Existing H Share(s) will continue to be good evidence of legal title to the Subdivided H Shares on the basis of one (1) Existing H Share for five (5) Subdivided H Shares.

Proposed Amendments to the Articles of Association

In order to reflect the Company's new capital structure upon the Proposed Share Subdivision becoming effective, the Board proposes to (i) make corresponding amendments to the Articles of Association; and (ii) to authorise the Board or its authorised person(s) to handle all approval, registration and/or filing procedures with the relevant regulatory authorities in

LETTER FROM THE BOARD

connection with the proposed amendments to the Articles of Association (including but not limited to making any such modifications or wording adjustments to the Proposed Amendments to the Articles of Association according to the opinions of regulatory authorities).

If the Shareholder is a corporate body, the proxy form must be either executed under its common seal or under the hand of its director(s) or duly authorised attorney(s). If the proxy form is signed by an attorney of the Shareholder, the power of attorney authorising that attorney to sign or other authorisation documents must be notarised.

To be valid, the proxy form together with the power of attorney or other authorisation document (if any) must be lodged at the H share registrar of the Company in Hong Kong by hand or by post as soon as possible but in any event not less than 24 hours before the time appointed for holding the EGM (i.e. not later than 10:00 a.m. on Thursday, 12 February 2026) or any adjournment thereof (as the case may be) by holders of H Shares. The H share registrar of the Company in Hong Kong is Computershare Hong Kong Investor Services Limited, whose address is at 17M Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong. Completion and return of the proxy form will not preclude a shareholder from attending and voting in person at the EGM if he/she so wishes, but in such event the instrument appointing a proxy shall be deemed to be revoked.
