POSITIVE PROFIT ALERT

This announcement is made by Fangzhou Inc. (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong).

The board (the "**Board**") of directors (the "**Directors**") of the Company is pleased to inform the shareholders of the Company (the "**Shareholders**") that based on the preliminary review of the Group's unaudited consolidated management accounts for the year ended December 31, 2025 (the "**Reporting Period**") and the information currently available to the Board, the revenue of the Group is expected to be within the range of approximately RMB3.50 billion to RMB3.55 billion for the Reporting Period, representing a growth of approximately 30.0% from revenue of RMB2,707.4 million for the year ended December 31, 2024. The Group also expects to record net profit of approximately RMB7 million to RMB10 million for the Reporting Period, representing a significant increase compared to the net loss before taxation of RMB854.9 million for the year ended December 31, 2024.

The anticipated increase in revenue was primarily due to continued growth across the Company's consumer facing business segments as we attracted more patients and doctors to our platform. The turnaround to profit was mainly attributable to our increased revenue, and a reduction in equity-settled share-based transactions.

As of the date of this announcement, the Company is still in the process of finalizing the annual results of the Group for the year ended December 31, 2025. The information contained in this announcement is only a preliminary assessment by the Board based on the unaudited consolidated management accounts of the Group for the Reporting Period currently available to the Company, and is not based on any figures or information which have been reviewed or confirmed by the audit committee of the Board, or reviewed or audited by the independent auditors of the Company. The actual results of the Group for the Reporting Period may differ from those disclosed in this announcement. The information contained in this announcement shall not be taken as a measure or indication of the Group's current or future operating or financial performance nor shall it be taken as a representation by the Group of the corresponding figures as may be provided in due course in the Company's annual results announcement for the Reporting Period, which is expected to be published by the end of March 2026 in accordance with the requirements of the Listing Rules.

Shareholders and potential investors should exercise caution when dealing in the securities of the Company.
