After this date, when no further stabilizing action may be taken, demand for the H Shares, and therefore the price of the H Shares, could fall.

APPLICATION FOR LISTING ON THE STOCK EXCHANGE

We have applied to the Listing Committee for the granting of the listing of, and permission to deal in, the H Shares to be issued pursuant to the Global Offering (including any H Shares which may be issued pursuant to the exercise of the Over-allotment Option).

STRUCTURE OF THE GLOBAL OFFERING

The Global Offering comprises:

- the Hong Kong Public Offering of initially 5,045,200 H Shares (subject to reallocation), representing approximately 10.0% of the total number of Offer Shares initially available under the Global Offering, and
- the International Offering of initially 45,406,600 H Shares (subject to reallocation and the Over-allotment Option), representing approximately 90.0% of the total number of Offer Shares initially available under the Global Offering.

The allocation of the Offer Shares between the Hong Kong Public Offering and the International Offering will be subject to reallocation as described in the section headed “Structure of the Global Offering” in the Prospectus.

Subject to the allocation cap described in the subsequent paragraph, the Sponsor-Overall Coordinator may in its discretion reallocate Offer Shares from the International Offering to the Hong Kong Public Offering to satisfy valid applications under the Hong Kong Public Offering. In addition, if the Hong Kong Public Offering is not fully subscribed, the Sponsor-Overall Coordinator will have the discretion (but shall not be under any obligation) to reallocate to the International Offering all or any unsubscribed Hong Kong Offer Shares in such amounts as it deems appropriate.

In each case, the additional Offer Shares reallocated to the Hong Kong Public Offering will be allocated between Pool A and Pool B and the number of Offer Shares allocated to the International Offering will be correspondingly reduced in such manner as the Sponsor-Overall Coordinator deems appropriate. In the event of reallocation of Offer Shares between the International Offering and the Hong Kong Public Offering in the circumstances where (a) the International Offer Shares are fully subscribed or oversubscribed and the Hong Kong Offer Shares are fully subscribed or oversubscribed irrespective of the number of times; or (b) the International Offer Shares are undersubscribed and the Hong Kong Offer Shares are fully subscribed or oversubscribed irrespective of the number of times, then up to 2,522,500 Offer Shares may be reallocated from the International Offering to

the Hong Kong Public Offering, so that the total number of Offer Shares available for subscription under the Hong Kong Public Offering will increase up to 7,567,700 Offer Shares, representing approximately 15.0% of the number of Offer Shares initially available under the Global Offering (before exercise of the Over-allotment Option), in accordance with Chapter 4.14 of the Guide for New Listing Applicants. In the circumstance where the International Offer Shares are fully subscribed or oversubscribed and the Hong Kong Offer Shares are undersubscribed, there will be no reallocation from the International Offering to the Hong Kong Public Offering, and no over-allocation of H Shares to the Hong Kong Public Offering.

Given the initial allocation of the Offer Shares to the Hong Kong Public Offering and the International Offering follows Mechanism B set out under paragraph 2 of Chapter 4.14 of the Guide and the provision of paragraph 4.2(b) of Practice Note 18 of the Listing Rules, no mandatory clawback or reallocation mechanism is required to increase the number of Offer Shares under the Hong Kong Public Offering to a certain percentage of the total number of Offer Shares offered under the Global Offering.

In connection with the Global Offering, the Company is expected to grant the Over-allotment Option to the International Underwriters, exercisable by the Sponsor-Overall Coordinator (for itself and on behalf of the International Underwriters). Pursuant to the Over-allotment Option, the International Underwriters have the right, exercisable by the Sponsor-Overall Coordinator (for itself and on behalf of the International Underwriters) at any time from the Listing Date until 30 days after the last day for lodging applications under the Hong Kong Public Offering, to require the Company to issue up to an aggregate of 7,567,700 additional Offer Shares, representing approximately 15.0% of the Offer Shares initially available under the Global Offering, at the Offer Price under the International Offering, to cover over-allocations in the International Offering, if any. In the event the Over-allotment Option is exercised, we will make an announcement which will be posted on the website of the Stock Exchange (www.hkexnews.hk) and on our website (www.hanscnc.com), respectively.

PRICING

We will determine the Offer Price by reference to, among other factors, the closing price of the A Shares on the Shenzhen Stock Exchange on the last trading day on or before the Price Determination Date, and the Offer Price will be no more than HK\$95.80 per Offer Share unless to be otherwise announced. Applicants for the Hong Kong Offer Shares may be required to pay, on application (subject to application channels), the maximum Offer Price of HK\$95.80 per Offer Share together with brokerage of 1.0%, SFC transaction levy of 0.0027%, AFRC transaction levy of 0.00015% and Stock Exchange trading fee of 0.00565%, subject to refund (subject to application channels).
