ANNOUNCEMENT

PROPOSED ISSUE OF US\$300,000,000 6.50% GUARANTEED GREEN NOTES DUE 2029 AND CNY690,000,000 3.50% GUARANTEED GREEN NOTES DUE 2029 UNDER THE US\$1,500,000,000 GUARANTEED MEDIUM TERM NOTE PROGRAMME

This announcement is made pursuant to paragraph 10.3 of the REIT Code.

The Board wishes to announce that on 5 February 2026, the MTN Company Issuer, the REIT Manager and the USD Notes Managers entered into the USD Subscription Agreement, and the MTN Company Issuer and the REIT Manager have executed the USD Pricing Supplement, pursuant to which the USD Notes Managers have agreed severally and not jointly to subscribe for the aggregate principal amount of US\$300,000,000 6.50% guaranteed green notes due 2029 and to pay the gross subscription moneys for the USD Notes. The USD Notes will be issued at 100.00% of their aggregate nominal amount. The gross proceeds of the USD Notes to be issued are expected to be US\$300,000,000.

The Board also wishes to announce that on 5 February 2026, the Moon King Issuer, the REIT Manager and the CNY Notes Managers entered into the CNY Subscription Agreement, and the Moon King Issuer and the REIT Manager have executed the CNY Pricing Supplement, pursuant to which the CNY Notes Managers have agreed severally and not jointly to subscribe for the aggregate principal amount of CNY690,000,000 3.50% guaranteed green notes due 2029 and to pay the gross subscription moneys for the CNY Notes. The CNY Notes will be issued at 100.00% of their aggregate nominal amount. The gross proceeds of the CNY Notes to be issued are expected to be CNY690,000,000.

The Notes will be offered and issued only to Professional Investors (as defined in Chapter 37 of the Listing Rules). Application will be made for the listing of, and permission to deal in, the Notes on the Stock Exchange by way of debt issues to Professional Investors (as defined in Chapter 37 of the Listing Rules) only.

The transactions under each of the Subscription Agreements, which comprise: (i) the payment of Underwriting Fees and Expenses to Yue Xiu Securities and Chong Hing Bank; and (ii) the subscription of the Notes by Yue Xiu Securities and Chong Hing Bank, constitute connected party transactions of Yuexiu REIT under the REIT Code. As each of Yue Xiu Securities and Chong Hing Bank will only subscribe for unsecured notes on the same terms as the other Notes Managers, the REIT Manager considers such transactions to be unsecured financial assistance received by Yuexiu REIT from a connected person on normal commercial terms, and accordingly, fully exempt from the REIT Code connected party transaction requirements (including reporting and announcement requirements) having regard to the exemption under Rule 14A.90 of the Listing Rules. As the highest applicable percentage ratio for the Underwriting Fees and Expenses payable to Yue Xiu Securities and Chong Hing Bank under the Subscription Agreements, as calculated in accordance with Chapter 14 of the Listing Rules (as applied pursuant to paragraph 8.7A of the REIT Code) is less than 0.1%, such transactions will be regarded as *de minimis* connected transactions and are fully exempt from the announcement, reporting and independent unitholders' approval requirements under Chapter 8 of the REIT Code.

The net proceeds from the issue of the USD Notes are expected to be approximately US\$299,000,000 and the net proceeds from the issue of the CNY Notes are expected to be approximately CNY686,826,000, and the net proceeds from both of the issue of the USD Notes and the CNY Notes, are intended to be used for refinancing of certain indebtedness of Yuexiu REIT in accordance with the Pre-issuance NDRC Registration Certificate and an amount equivalent to the net proceeds of the Notes will be exclusively allocated to refinance existing Eligible Projects (as defined in the Pricing Supplements) as further described in the section entitled "Sustainable Finance Framework" set forth in the Pricing Supplements.

As at 31 December 2024, Yuexiu REIT's gearing ratio was 47.5% as disclosed in the latest published financial results of Yuexiu REIT for the year ended 31 December 2024. Yuexiu REIT has raised funds through capital operations recently and has used its own funds to repay certain of its debts when due, thereby reducing its gearing ratio. Therefore, it is expected that immediately following the issue of the USD Notes and the CNY Notes, Yuexiu REIT's gearing ratio will remain below 50%.

Completion of each of the transactions under each of the Subscription Agreements is subject to the satisfaction, or waiver, of the conditions precedent in the relevant Subscription Agreement. In addition, any of the Subscription Agreements may be terminated under certain circumstances. As the issue and subscription of the USD Notes and the CNY Notes under the relevant Subscription Agreement may or may not proceed to completion, Unitholders and prospective investors are reminded to exercise caution when dealing in the units of Yuexiu REIT.

This announcement is made pursuant to paragraph 10.3 of the Code on Real Estate Investment Trusts (the “**REIT Code**”).

(including its investment objectives and strategies) and in compliance with the REIT Code and the Trust Deed; (b) on normal commercial terms, which are fair and reasonable and in the best interests of Yuexiu REIT, the independent Unitholders and the Unitholders as a whole notwithstanding that the Relevant CPTs with Yue Xiu Securities and Chong Hing Bank constitute connected party transactions under the REIT Code; and (ii) no Unitholders' approval is required under the REIT Code and the Trust Deed for the Subscription Agreements and the transactions contemplated thereunder.

Based and in sole reliance on the information and assurances provided by the REIT Manager including in this announcement, and the opinion of the audit committee of the REIT Manager in respect of the terms of the Relevant CPTs, which is consistent with the opinion of the Board, the REIT Trustee, having taken into account its duties set out in the REIT Code and the Trust Deed, is of the view that: (A) (i) the transactions contemplated under the Subscription Agreements include the Relevant CPTs and (ii) the terms of the Relevant CPTs, are: (a) consistent with Yuexiu REIT's investment policy and in compliance with the REIT Code and the Trust Deed; (b) in the interests of the Unitholders as a whole; and (c) on normal commercial terms which are fair and reasonable; and (B) no Unitholders' approval is required under the REIT Code and the Trust Deed for the Relevant CPTs. Accordingly, and on the above basis, the REIT Trustee has no objection to the Relevant CPTs.
