ISSUE OF NEW SHARES UNDER GENERAL MANDATE

On 6 February 2026 (after trading hours), the Company entered into a Subscription Agreement with each of the Subscribers, pursuant to which, the Subscribers conditionally agreed to subscribe for, and the Company conditionally agreed to issue, in aggregate 108,571,428 Subscription Shares at the Subscription Price of HK\$0.105 per Subscription Share in cash, representing an aggregate subscription consideration of approximately HK\$11.4 million, on and subject to the terms and conditions set out therein. Summarised below are the principal terms of the Subscription Agreements:

Date of the Subscription Agreements

6 February 2026 (after trading hours)

Parties to the Subscription Agreements

- (1) the Company as issuer; and
- (2) each of the Subscribers as subscriber.

To the best of the Directors' knowledge, information and belief having made all reasonable enquiries, as at the date of this announcement, each of the Subscribers is an Independent Third Party.

Particulars of the Subscribers, the Subscription Shares and the subscriptions consideration payable

Pursuant to the respective Subscription Agreements, each of the Subscribers conditionally agreed to subscribe for, and the Company conditionally agreed to allot and issue, such number of Subscription Shares at the Subscription Price of HK\$0.105 per Subscription Share as set out against the relevant Subscriber in the table below:

Subscriber	No. of Subscription Shares subscribed for	Approx. Subscription consideration (HK\$)	Approx. percentage of total issued Shares as at the date of this announcement	Approx. percentage of total issued Shares immediately after completion of the Subscription
First Subscriber	80,000,000	8.4 million	4.76%	4.47%
Second Subscriber	28,571,428	3 million	1.70%	1.60%
Total:	108,571,428	11.4 million	6.46%	6.07%

The Subscription Shares in aggregate represent approximately 6.46% of the existing total number of issued Shares as at the date of this announcement and approximately 6.07% of the total number of issued Shares as enlarged by the allotment and issue of the Subscription Shares (assuming that there will be no change in the total number of issued Shares from the date of this announcement until the completion of the Subscription).

The Subscription Price

The Subscription Price of HK\$0.105 per Subscription Share represents:

- (i) a discount of approximately 17.32% to the closing price of HK\$0.127 per Share as quoted on the Stock Exchange on the date of the Subscription Agreements; and
- (ii) a discount of approximately 19.72% to the average closing price of HK\$0.1308 per Share as quoted on the Stock Exchange for the last 5 consecutive trading days immediately preceding the date of the Subscription Agreements.

The Subscription Price was determined after arm's length negotiation between the Company and the Subscribers with reference to, among others, the prevailing trading prices of the Shares, the prevailing market conditions, the availability of alternative financing options (e.g. debt financing, placing of new Shares through placing agent(s) and rights issue) and the potential benefits referred to in the section headed "Reasons for and benefits of the Subscriptions" in this announcement.

The market value of the Subscription Shares is approximately HK\$13.8 million, based on the closing price of HK\$0.127 per Share as quoted on the Stock Exchange on the date of the Subscription Agreements. The aggregate nominal value of the Subscription Shares is HK\$1,085,714.28.

The aggregate Subscription Price of approximately HK\$11.4 million will be payable by the Subscribers to the Company at Completion.

The net proceeds from the Subscription, after deducting all related fees and expenses, are expected to be approximately HK\$11.3 million. - (d) the allotment, issue and subscription of the Subscription Shares not being prohibited by any statute, order, rule, regulation, ruling, directive or request promulgated or issued after the date of the Subscription Agreement by any legislative, executive or regulatory body or authority (including the Stock Exchange and the Securities and Futures Commission of Hong Kong) which is applicable to the Company and the Subscriber; and
- (e) the warranties and representations provided by the Company set out in the Subscription Agreement remaining true and accurate in all material respects and not misleading in any material respect as at the Completion Date.

The Conditions set out in (a), (b), (c) and (d) above are incapable of being waived.

EQUITY FUND RAISING ACTIVITIES BY THE COMPANY IN THE PAST 12 MONTHS

The Company has conducted the following fund-raising activity involving the rights issue and placing in the 12 months immediately preceding the date of this announcement:

Date of prospectus/ announcement	Fund raising activity	Aggregated amount of net proceeds	Proposed use of proceeds	Actual use of proceeds
The prospectus dated 25 August 2025, and the announcements dated 15, 22 and 25 September 2025, and 6 October 2025	The Company conducted (i) a rights issue of up to 1,343,147,397 rights Shares at HK\$0.080 per rights Share (the "Rights Issue"); and (ii) a placing (the "Placing") in respect of the unsubscribed rights Shares, pursuant to which up to 391,856,559 Placing Shares (being unsubscribed rights Shares) could be placed at the placing price of HK\$0.080 per Placing Share. Based on the results of acceptance of the Rights Issue and the results of the Placing, an aggregate of 1,232,590,838 Shares were taken up after completion of the Rights Issue and the Placing.	Approximately HK\$97 million	Approximately HK\$54.02 million was intended to be utilised to set-off the outstanding amount of the shareholder's loans of approximately HK\$58.20 million; and the remaining net proceeds were intended to be utilised for repayment of indebtedness, upgrading the Company's existing cross border e-Commerce platform, investment, and general working capital of the Group.	The net proceeds are being utilised in accordance with the intended use as disclosed.

INFORMATION ON THE COMPANY AND THE GROUP

The Company is an investment holding company and the Group is principally engaged in the wholesaling and retailing of beauty, healthcare and lifestyle products through a combination of online sales channels (including its e-commerce platform) and other distribution channels, and wholesale trading of technology (3C) products.

INFORMATION ON THE SUBSCRIBERS

To the best of the Directors' knowledge, information and belief having made all reasonable enquiries, each of the Subscribers is a merchant and an Independent Third Party.

REASONS FOR AND BENEFITS OF THE SUBSCRIPTIONS

The Board is of the view that the Subscriptions represent an opportunity for the Company to broaden its Shareholder base and to strengthen the Group's capital base and liquidity position. The Subscriptions are expected to enhance the Group's financial flexibility without incurring additional indebtedness or imposing interest and repayment obligations.

The gross proceeds and the estimated net proceeds (after deduction of the relevant expenses and fees) from the Subscriptions will be approximately HK\$11.4 million and approximately HK\$11.3 million, respectively. The Company intends to apply the net proceeds from the Subscriptions for its general working capital purposes.

Having considered that the Subscriptions will raise additional capital for sustaining the operation of the Group's core businesses, and the issue of new Shares under the General Mandate is a more desirable financing option as compared with debt financing as it does not create any interest payment obligations which will have a negative impact on the gearing ratio of the Group, the Directors consider that the terms of the Subscription Agreements (including the Subscription Price), which are determined after arm's length negotiations between the Company and each of the Subscribers, are fair and reasonable, on normal commercial terms and in the interests of the Company and the Shareholders as a whole.

As Completion of each of the Subscription Agreements is subject to fulfilment and/or waiver (as appropriate) of the Conditions, the Subscriptions may or may not proceed. Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.
