POSITIVE PROFIT ALERT

This announcement is made by WuXi Biologics (Cayman) Inc. (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 Laws of Hong Kong).

The Company wishes to inform the shareholders (the “**Shareholders**”) and the potential investors of the Company that, based on the preliminary assessment of the unaudited consolidated management accounts of the Group (prepared in accordance with International Financial Reporting Standards (IFRS)) for the year ended December 31, 2025, it is expected that the revenue of the Company for the total year ended December 31, 2025 will increase approximately 16.7% to RMB21,790 million; the gross profit margin rate will expand by approximately 5 percentage points to 46.0%; the adjusted gross profit will increase to approximately RMB10,638 million, representing an increase of approximately 25.5% year-on-year; the profit of the Company and the profit attributable to equity shareholders of the Company for the total year ended December 31, 2025 will increase approximately 45.3% to RMB5,733 million and approximately 46.3% to RMB4,908 million, respectively; and after adjusting for share-based compensation expenses, foreign exchange gain & loss, and gain & loss from equity investments, asset divestiture, restructuring and related one-time costs, the non-IFRS adjusted net profit of the Company will increase approximately 22.0% to RMB6,586 million, compared with that of last year. Such increase was primarily attributable to, among other factors:

- (i) the successful execution of the Group’s “Follow and Win the Molecule” strategies, coupled with its leading technology platforms, best-in-industry timeline and excellent execution track record, contributing to the revenue growth of the Group;

- (ii) enlarged spectrum of services offered to the biologics industry by the Group, including research & discovery services, pre-IND development services, clinical and commercial manufacturing services, from fast growing technology platforms such as Bispecific Antibodies and ADC (Antibody-drug Conjugate);
- (iii) growth of research services revenue generated from the Group's various cutting-edge technologies;
- (iv) the utilization of existing and newly expanded capacities, including ramp-up of the Group's manufacturing facility in Europe;
- (v) the cost savings and efficiency improvements achieved through the Group's WuXi Biologics Business System (WBS) and digitalization initiatives; and
- (vi) investment gains from the Company's investment portfolio.

The Company is still in the process of finalizing the annual results of the Group for the year ended December 31, 2025. The information contained in this announcement is only based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the year ended December 31, 2025, which are subject to finalization and other potential adjustments, if any, and have not been reviewed or confirmed by the auditors of the Group or the audit committee of the board of directors of the Company. Shareholders and potential investors of the Company should refer to the annual results announcement of the Group for the year ended December 31, 2025, which is expected to be published on March 24, 2026.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
