POSITIVE PROFIT ALERT

This announcement is made by Anton Oilfield Services Group (the “**Company**”, and together with its subsidiaries, the “**Group**”) pursuant to Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong) and Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited.

The board of directors (the “**Board**”) of the Company would like to inform the shareholders and potential investors of the Company that, based on a preliminary review of the unaudited consolidated management accounts of the Group for the year ended 31 December 2025, it is expected that the Group’s profit attributable to equity holders for the year ended 31 December 2025, will range from approximately RMB360.0 million to RMB380.0 million, representing a significant increase of between 48.4% and 56.6% compared to the profit attributable to equity holders of approximately RMB242.6 million for the year ended 31 December 2024. The growth is mainly attributable to: (i) the continued expansion of the Group’s global operations and the ongoing deepening of the Amoeba management model, which led to the continued expansion of the Group’s business scale and sustained growth in both revenue and gross profit; (ii) the full repayment of the Group’s U.S. dollar-denominated bonds upon maturity in January 2025, resulting in a substantial decrease in finance costs compared to the same period last year.

The information contained in this announcement is only based on the information currently available to the Company and the Company’s preliminary review of the latest unaudited consolidated management accounts of the Group for the year ended 31 December 2025. The accounts are currently being audited by the Company’s independent auditors and have not yet been reviewed or approved by the Company’s Audit Committee. Further details of the Company’s financial results will be disclosed in the announcement of the annual results for the year ended 31 December 2025, which is expected to be published by 30 March 2026.

The figures above represent a preliminary estimate based on information currently available and have not been audited by the Company's auditors or approved by the Company's Audit Committee. Shareholders of the Company and potential investors are advised to exercise caution when trading in the securities of the Company.
