## LETTER FROM THE BOARD

---

The purpose of this Prospectus is to provide you with (i) further information on the Rights Issue, including the procedures for acceptance of the Rights Shares provisionally allotted to you; and (ii) certain financial and general information on the Group.

### THE RIGHTS ISSUE

The Board proposes to implement the Rights Issue on the basis of one (1) Rights Share for every two (2) Shares held on the Record Date at the Subscription Price of HK\$0.28 per Rights Share, to raise up to approximately HK\$21.8 million before expenses by way of issuing up to 77,833,203 Rights Shares to the Qualifying Shareholders (assuming there is no other changes in the total number of issued Shares on or before the Record Date). The Rights Issue is only available to Qualifying Shareholders and will not be extended to Non-Qualifying Shareholders.

The principal terms of the Rights Issue are as follows:

#### Rights Issue statistics

Basis of the Rights Issue	:	One (1) Rights Share for every two (2) Shares held by the Qualifying Shareholders on the Record Date
Subscription Price	:	HK\$0.28 per Rights Share
Number of Shares in issue as at the Latest Practicable Date and the Record Date	:	155,666,407 Shares
Maximum number of Rights Shares	:	77,833,203 Rights Shares (assuming there is no other change in the total number of issued Shares on or before the Record Date)
Aggregate nominal value of the Rights Shares	:	HK\$6,226,656.20 (assuming no change in the total number of issued Shares on or before the Record Date)
Total issued shares as enlarged by the Rights Issue (assuming the Rights Issue is fully subscribed)	:	233,499,610 Shares (assuming no change in the number of Shares in issue on or before the Record Date and that no new Shares (other than the Rights Shares) will be allotted and issued on or before completion of the Rights Issue)
Maximum gross proceeds to be raised from the Rights Issue	:	Approximately HK\$21.8 million

---

## LETTER FROM THE BOARD

---

As at the Latest Practicable Date, the Group had no outstanding derivatives, options, warrants, convertible or exchangeable securities carrying rights to subscribe for, convert or exchange into Shares.

Assuming no change in the number of Shares in issue on or before the Record Date and that no new Shares (other than the Rights Shares) will be allotted and issued on or before completion of the Rights Issue, the maximum of 77,833,203 Rights Shares to be issued pursuant to the terms of the Rights Issue represent: (i) 50.0% of the issued share capital of the Company as at the Latest Practicable Date; and (ii) approximately 33.3% of the issued share capital of the Company as enlarged by the allotment and issue of the Rights Shares.

### **Non-underwritten basis**

The Rights Issue will proceed on a non-underwritten basis irrespective of the level of acceptances of the provisionally allotted Rights Shares. In the event that the provisional allotments for the Rights Issue are not fully subscribed, any Rights Shares not taken up by the Qualifying Shareholders together with the Rights Shares not provisionally allotted to the Non-Qualifying Shareholders will be made available for excess application under the EAFs. There are no applicable statutory requirements under the laws of the Cayman Islands regarding minimum subscription levels in respect of the Rights Issue.

Besides, any Shareholder who applies to take up all or part of his/her/its entitlement under the PAL or applies for excess Rights Shares under EAF may unwittingly incur an obligation to make a general offer for the Shares under the Takeovers Code. Accordingly, the Rights Issue will be made on the term that the Company will provide for Shareholders to apply on the basis that if the Rights Shares are not fully taken up, the applications of any Shareholder for his/her/its entitlement under the PAL or for excess Rights Shares under the EAF can be scaled down to a level which does not (i) result in any non-compliance with the public float requirements under Rule 8.08(1) of the Listing Rules on the part of the Company; and (ii) trigger an obligation on the part of the relevant Shareholder to make a general offer under the Takeovers Code in accordance with the note to Rule 7.19(5)(b) of the Listing Rules.

**If the Rights Issue is undersubscribed or scaled-down, the size of the Rights Issue will be reduced. Qualifying Shareholders who do not take up their assured entitlements in full and Non-Qualifying Shareholders, if any, should note that their shareholdings in the Company may be diluted, the extent of which will depend in part on the size of the Rights Issue.**

### **Irrevocable Undertaking**

As at the Latest Practicable Date, the Board has received the Irrevocable Undertaking from Mr. Hubert Chan (being the Chairman, the Chief Executive Officer, an executive Director and a controlling shareholder) and Light Emotion Limited, a company owned by Mr. Hubert Chan and his wife, Josephine Liu, which in aggregate are interested in 85,219,029 Shares (representing approximately 54.7% of all issued Shares) as at the Latest Practicable Date.

---

## LETTER FROM THE BOARD

---

Pursuant to the Irrevocable Undertaking, each of Mr. Hubert Chan and Light Emotion Limited agreed to, among other things, (i) accept their respective entitlements to the provisional allotment of an aggregate of 42,609,514 Rights Shares; and (ii) not to sell or transfer the Shares held by him/it in any manner before the completion or lapse of the Rights Issue.

As at the Latest Practicable Date, the Shareholder's Loan amounted to approximately HK\$3.1 million. Mr. Hubert Chan intends to advance further Shareholder's Loan in the amount of HK\$15 million to the Group. Mr. Hubert Chan has irrevocably and unconditionally undertaken to the Company that he will settle the subscription monies payable for the Rights Shares provisionally allotted to him (and any excess Rights Shares which may be allotted to him) by way of setting off part of the Shareholder's Loan on a dollar-to-dollar basis, provided that, in the event that the amount of the Shareholder's Loan at the material time is not sufficient to settle the subscription monies, the shortfall will be settled by way of cash.

The exact amount of the subscription monies payable by Mr. Hubert Chan to be offset against the Shareholder's Loan then outstanding would depend on the number of the Rights Shares to be taken up by him (including any excess Rights Shares which may be allotted to him), which will be disclosed in the allotment results announcement of the Company.

As at the Latest Practicable Date, save for the Irrevocable Undertaking, the Board has not received any information from any other Shareholders of their intention to take up the Rights Shares to be provisionally allotted to them.

### **Subscription**

The Subscription Price of HK\$0.28 per Rights Share is payable in full when a Qualifying Shareholder accepts the relevant provisional allotment of Rights Shares under the Rights Issue, upon an application of excess Rights Shares, or when a transferee of nil-paid Rights Shares accepts the provisional allotment of the relevant Rights Shares.

The Subscription Price represents:

- (i) a discount of approximately 9.7% to the closing price of HK\$0.310 per Share as quoted on the Stock Exchange on the Latest Practicable Date;
- (ii) a discount of approximately 25.5% to the adjusted closing price of HK\$0.376 per Share (based on the closing price of HK\$0.047 per Share as quoted on the Stock Exchange on the Last Trading Day and adjusted for the effect of the Share Consolidation);
- (iii) a discount of approximately 25.5% to the average of the adjusted closing prices of HK\$0.376 per Share (based on the average closing price of HK\$0.047 per Share as quoted on the Stock Exchange for the 5 consecutive trading days up to and including the Last Trading Day and adjusted for the effect of the Share Consolidation);

---

## LETTER FROM THE BOARD

---

- (iv) a discount of approximately 17.6% to the average of the adjusted closing prices of approximately HK\$0.34 per Share (based on the average closing price of approximately HK\$0.043 per Share as quoted on the Stock Exchange for the 30 consecutive trading days up to and including the Last Trading Day and adjusted for the effect of the Share Consolidation);
- (v) a discount of approximately 18.6% to the theoretical ex-rights price of HK\$0.344 per Share based on the adjusted closing price of HK\$0.376 per Share as quoted on the Stock Exchange on the Last Trading Day and adjusted for the effect of the Share Consolidation;
- (vi) a theoretical dilution effect (as defined under Rule 7.27B of the Listing Rules) of a discount of approximately 8.5% represented by the theoretical diluted price of approximately HK\$0.344 to the benchmarked price of approximately HK\$0.376 per Share (as defined under Rule 7.27B of the Listing Rules, taking into account the higher of the closing price on the Last Trading Day of HK\$0.376 per Share and the average closing price of the Shares in the five trading days immediately prior to the date of the Announcement of HK\$0.376 per Share), adjusted for the effect of the Share Consolidation; and
- (vii) a discount of approximately 79.1% to the consolidated net asset value per Share of approximately HK\$1.34 (based on the unaudited consolidated net asset value of the Company as at 30 September 2025 of approximately HK\$208.8 million and the total number of 155,666,407 issued Shares after the Share Consolidation).

The Rights Issue will not result in a theoretical dilution effect of 25% or more on its own. As such, the theoretical dilution impact of the Rights Issue is in compliance with Rule 7.27B of the Listing Rules.

The Subscription Price was determined taking into consideration (i) the recent market price of the Shares, which ranged from HK\$0.304 per Share to HK\$0.376 per Share for the 30 consecutive trading days preceding the Last Trading Day (as adjusted for the effect of the Share Consolidation); (ii) the prevailing market conditions; (iii) the low trading volume of the Shares, with the highest daily trading liquidity amounted to only 0.1% of the Shares in issue during the 30 consecutive trading days preceding the Last Trading Day; (iv) the current business performance and financial position of the Group; (v) the amount of funds the Company intends to raise under the Rights Issue; and (vi) the imminent funding and capital needs of the Company for the repayment of the Group's outstanding bank borrowings. The Directors consider that the Subscription Price which is set at a discount to the current market price of the Shares would encourage the Shareholders to participate in the Rights Issue, and accordingly allow them to maintain their shareholdings in the Company and participate in the future growth and development of the Group.

The Directors consider that, in view of prevailing market conditions and factors as described above, the terms of the Rights Issue, including the Subscription Price, are on normal commercial terms, fair and reasonable and in the interests of the Company and the Shareholders as a whole.

---

## LETTER FROM THE BOARD

---

### Conditions of the Rights Issue

The Rights Issue is conditional upon each of the following conditions being fulfilled:

- (i) the passing by the Shareholders at the EGM of ordinary resolution(s) to approve the Increase in Authorised Share Capital and the Share Consolidation;
- (ii) the Increase in Authorised Share Capital, the Share Consolidation and the Change in Board Lot Size becoming effective;

**The Rights Issue is subject to the fulfilment of conditions including, among other things, the Stock Exchange granting the listing of, and permission to deal in, the Rights Shares in their nil-paid and fully-paid forms. If the conditions to the Rights Issue are not fulfilled, the Rights Issue will not proceed.**

### Status of the Rights Shares

The Rights Shares, when issued and fully paid, will be free from all liens, charges, encumbrances and third-party rights, interests or claims of any nature whatsoever and shall rank *pari passu* in all respects with the Shares then in issue, including as to the right to receive all dividends and distributions which may be declared, made or paid on or after the date of allotment of the Rights Shares.

### Qualifying Shareholders

### **Procedure for acceptance, payment and transfer**

The PAL, as an actionable corporate communication and a temporary document of titles, will be despatched in printed form to the Qualifying Shareholders which entitles the Qualifying Shareholder(s) to whom it is addressed to subscribe for the number of Rights Shares shown therein. If the Qualifying Shareholders wish to accept all the Rights Shares provisionally allotted to them as specified in the PALs, they must lodge the PALs in accordance with the instructions printed thereon, together with a remittance for the full amount payable on acceptance, with the Registrar, Union Registrars Limited, at Suites 3301-04, 33/F, Two Chinachem Exchange Square, 338 King's Road, North Point, Hong Kong by no later than 4:00 p.m. on Friday, 6 March 2026. All remittances must be made in Hong Kong dollars by cheques which must be drawn on an account with, or by cashier's orders which must be issued by, a licensed bank in Hong Kong and made payable to "HKC INTERNATIONAL HOLDINGS LIMITED" and crossed "ACCOUNT PAYEE ONLY".

It should be noted that unless the duly completed PAL, together with the appropriate remittance, has been lodged with the Registrar by no later than 4:00 p.m. on Friday, 6 March 2026, whether by the original allottee or any person in whose favour the provisional allotment has been validly transferred, that provisional allotment and all rights and entitlement thereunder will be deemed to have been declined and will be cancelled and such Rights Shares will be available for application under the EAFs by the Qualifying Shareholders. The Company may, at its sole discretion, treat a PAL as valid and binding on the person(s) by whom or on whose behalf it is lodged even if the PAL is not completed in accordance with the relevant instructions. The Company may require such incomplete PAL to be completed by the relevant applicants at a later stage.

If a Qualifying Shareholder wishes to transfer all of his/her/its rights to subscribe for the Rights Shares provisionally allotted to him/her/it, the Qualifying Shareholder must complete and sign the “FORM OF TRANSFER AND NOMINATION” in the PAL and hand the PAL to the transferee(s) or through whom the Qualifying Shareholder are transferring his/her/its rights. The transferee(s) must then complete and sign the “REGISTRATION APPLICATION FORM” in the PAL and lodge the PAL intact together with a remittance for the full amount payable on acceptance with the Registrar, Union Registrars Limited, at Suites 3301-04, 33/F, Two Chinachem Exchange Square, 338 King’s Road, North Point, Hong Kong by not later than 4:00 p.m. on Friday, 6 March 2026.

All cheques or cashier’s orders will be presented for payment immediately following receipt and all interest earned on such monies (if any) will be retained for the benefit of the Company. Completion and return of the PAL with a cheque or a cashier’s order will constitute a warranty by such person that the cheque or the cashier’s order will be honoured on first presentation. Without prejudice to the other rights of the Company in respect thereof, the Company reserves the right to reject any PAL in respect of which the cheque or cashier’s order is dishonoured on first presentation, and in that event the provisional allotment and all rights thereunder will be deemed to have been declined and will be cancelled.

No action has been taken to permit the offering of the Rights Shares or the distribution of the Prospectus Documents in any territory other than Hong Kong. Accordingly, no person receiving the Prospectus Documents in any territory outside Hong Kong may treat it as an offer or invitation to apply or subscribe for the Rights Shares, unless in a territory where such an offer or invitation could lawfully be made without compliance with any registration or other legal and regulatory requirements thereof. Completion and return of the PAL by anyone outside Hong Kong will constitute a warranty and representation by such person to the Company that all registration, legal and regulatory requirements of such relevant jurisdictions other than Hong Kong in connection with the PAL and any acceptance of it, have been, or will be, duly complied with. For the avoidance of doubt, neither HKSCC nor HKSCC Nominees Limited will give, or be subject to, any of the above warranty and representation. The Company reserves the right to refuse to accept any application or subscription for Rights Shares where it believes that doing so would violate the applicable securities or other laws or regulations of any jurisdiction. No application for Rights Shares will be accepted from any person who is a Non-Qualifying Shareholder.

As disclosed in the paragraph headed “Rights of Overseas Shareholders”, there would be no Non-Qualifying Shareholder on the Record Date. Accordingly, the Prospectus Documents will be despatched to the Qualifying Shareholders on the Prospectus Posting Date.

### Application for excess Rights Shares

All Qualifying Shareholders are entitled to apply, by way of excess application under the EAFs, for additional Rights Shares in excess of their assured entitlements.

The excess Rights Shares will comprise:

- (i) any Rights Shares provisionally allotted but not accepted by any of the Qualifying Shareholders or otherwise not subscribed for by transferees of nil-paid Rights Shares prior to the Latest Time for Acceptance;
- (ii) any Rights Shares which would otherwise have been provisionally allotted to the Non-Qualifying Shareholders; and
- (iii) any Rights Shares created from the aggregation of unsold fractions of Rights Shares not provisionally allotted to the Qualifying Shareholders.

Application for excess Rights Shares can be made only by Qualifying Shareholders duly completing the EAFs (in accordance with the instructions printed thereon) and lodging the same with a separate remittance for the excess Rights Shares being applied for with the Registrar on or before the Latest Time for Acceptance, which is expected to be 4:00 p.m. on Friday, 6 March 2026.

Qualifying Shareholders who wish to apply for excess Rights Shares in addition to their provisional allotments must complete both the PAL and the EAF.

### Basis of allocation of excess Rights Shares

The Board will allocate the excess Rights Shares at its discretion, but on a fair and equitable basis as far as practicable on the following principles:

- (i) if there are insufficient excess Rights Shares to satisfy all EAFs, excess Rights Shares will be allocated on a pro rata basis by reference to the number of excess Rights Shares applied for in the relevant EAFs by the relevant Qualifying Shareholders; and
- (ii) otherwise (i.e. if the aggregate number of Rights Shares not taken up by the Qualifying Shareholders and/or transferees of nil-paid Rights Shares under the PALs is greater than the aggregate number of excess Rights Shares applied for through the EAFs), excess Rights Shares will be allocated in full in accordance with the EAFs to each Qualifying Shareholder who applies for excess Rights Shares.

For the avoidance of doubt, in applying the principles above, reference will only be made to the number of excess Rights Shares being applied for in the relevant EAFs, and no reference will be made to the Rights Shares comprised in applications through PAL or the existing number of Shares held by the relevant Qualifying Shareholders; and no preference will be given to applications for topping up odd lots.

## LETTER FROM THE BOARD

---

Pursuant to Rule 7.21(3)(b) of the Listing Rules, the Company will also take steps to identify the applications for excess Rights Shares made by any controlling shareholders of the Company or its associates (together, the “**Relevant Shareholders**”), whether in their own names or through nominees. The Company shall disregard the Relevant Shareholders’ applications for excess Rights Shares to the extent that the total number of excess Rights Shares they have applied for exceeds a maximum number equivalent to the total number of Rights Shares offered under the Rights Issue minus the number of Rights Shares taken up by the Relevant Shareholders under their assured entitlement.

Shareholders with their Shares held by a nominee company (or which are deposited in CCASS) should note that the Board will regard such nominee company (including HKSCC Nominees Limited) as a single Shareholder according to the register of members of the Company. Accordingly, Shareholders should note that the aforesaid arrangement in relation to the allocation of the excess Rights Shares will not be extended to the relevant beneficial owners individually save and except for the beneficial owner(s) which the Company may permit in its absolute discretion. Shareholders with their Shares held by a nominee company (or which are held in CCASS) are advised to consider whether they would like to arrange for the registration of the relevant Shares under their own names on or prior to the Record Date for the purpose of the Rights Issue. Shareholders and investors should consult their professional advisers if they are in doubt as to their status.

If a Qualifying Shareholder wishes to apply for any Rights Shares in addition to his/her/its provisional allotment, he/she/it must complete and sign the enclosed EAF in accordance with the instructions printed thereon and lodge the same with a separate remittance for the amount payable on application in respect of the excess Rights Shares being applied for with the Registrar, Union Registrars Limited, at Suites 3301-04, 33/F, Two Chinachem Exchange Square, 338 King’s Road, North Point, Hong Kong by no later than 4:00 p.m. on Friday, 6 March 2026. All remittances must be made in Hong Kong dollars by cheques which must be drawn on a bank account with, or by cashier’s orders which must be issued by, a licensed bank in Hong Kong and made payable to “HKC INTERNATIONAL HOLDINGS LIMITED” and crossed “ACCOUNT PAYEE ONLY”. The Registrar will notify the relevant Qualifying Shareholders of any allotment of excess Rights Shares made to them.

If no excess Rights Shares are allotted to a Qualifying Shareholder who has applied for excess Rights Shares, the remittance tendered on application is expected to be returned by refund cheque to that Qualifying Shareholder in full without interest by ordinary post at his/her/its own risk by the Registrar on Tuesday, 17 March 2026. If the number of excess Rights Shares allotted to a Qualifying Shareholder is less than that applied for, the surplus remittance without interest is also expected to be returned by refund cheque to that Qualifying Shareholder by ordinary post at his own risk by the Registrar on Tuesday, 17 March 2026.

All cheques or cashier’s orders will be presented for payment immediately following receipt and all interest earned on such monies (if any) will be retained for the benefit of the Company. Completion and return of the EAF together with a cheque or a cashier’s order in payment for the excess Rights Shares applied for will constitute a warranty by the applicant that the cheque or the cashier’s order will be honoured on first presentation. Without prejudice to the other rights of the Company in respect thereof, the Company reserves the right to reject any EAF in respect of which the cheque or cashier’s order is dishonoured on first presentation.

## LETTER FROM THE BOARD

---

The EAF is for use only by the person(s) to whom it is addressed and is not transferable. All documents, including cheques or cashier's orders for amounts due, will be sent by ordinary post at the risk of the person(s) entitled thereto to their registered addresses by the Registrar. The Company may, at its discretion, treat an EAF as valid and binding on the person(s) by whom or on whose behalf it is lodged even if the EAF is not completed in accordance with the relevant instructions. No action has been taken to permit the offering of the Rights Shares or the distribution of the Prospectus Documents in any territory other than Hong Kong. Accordingly, no person receiving a copy of the EAF in any territory outside Hong Kong may treat it as an offer or invitation to apply for the excess Rights Shares, unless in a territory where such an offer or invitation could lawfully be made without compliance with any registration or other legal and regulatory requirements thereof. Completion and return of the EAF together with a cheque or cashier's order in payment for the excess Rights Shares applied for will constitute a warranty and representation from such Qualifying Shareholder(s) to the Company that all registration, legal and regulatory requirements of all relevant jurisdictions in connection with the EAF and any application thereunder, have been, or will be, duly complied with. For the avoidance of doubt, neither HKSCC nor HKSCC Nominees Limited will give, or be subject to, any of the above warranty and representation. The Company reserves the right to refuse to accept any application for excess Rights Shares where it believes that doing so would violate the applicable securities or other laws or regulations of any jurisdiction.

## LETTER FROM THE BOARD

### REASONS FOR THE RIGHTS ISSUE

The Group is principally engaged in (i) sales of internet of things (“**IoT**”) solutions; (ii) sales of mobile phones; and (iii) property leasing and related investment business.

As disclosed in the interim report of the Company for the six months ended 30 September 2025, the cash and bank balances of the Group amounted to approximately HK\$6.6 million, while bank borrowings of the Group that are repayable in the next 12 months amounted to approximately HK\$131.4 million. As at 30 September 2025, the gearing ratio of the Group, computed by total borrowings divided by total equity, was approximately 63%. Therefore, the Group is in need of financial resources to settle its outstanding bank borrowings.

Assuming full subscription under the Rights Issue and before any setting off arrangement against the Shareholder’s Loan, the maximum amount of gross proceeds and net proceeds from the Rights Issue will be approximately HK\$21.8 million and HK\$20.9 million, respectively. Assuming full subscription under the Rights Issue, the maximum gross proceeds from the Rights Issue (after setting off the subscription monies payable for the 41,233,759 Rights Shares provisionally allotted to Mr. Hubert Chan against the Shareholder’s Loan in the amount of approximately HK\$11.5 million assuming that the Shareholder’s Loan is sufficient to settle the subscription monies (as detailed in the above section headed “Irrevocable Undertaking”)) are expected to be approximately HK\$10.3 million. The maximum net proceeds from the Rights Issue after deducting related expenses are estimated to be approximately HK\$9.4 million. The Company intends to apply the net proceeds from the Rights Issue as follows:

- (i) as to approximately HK\$8.5 million or 90% of the maximum net proceeds for repayment of the Group’s bank borrowings; and
- (ii) as to the remaining balance of approximately HK\$0.9 million or 10% of the maximum net proceeds for replenishment of the general working capital of the Group for payment of staff costs.

In the event that there is an under-subscription of the Rights Issue, the net proceeds to be raised will be first applied towards the repayment of the Group’s outstanding bank borrowings, and the remaining balance (if any) will be used for general working capital purpose.

### Other fundraising alternatives

Apart from the Rights Issue, the Directors have also considered other debt or equity financing alternatives such as bank borrowings, placing or subscription of new Shares or open offer. The Directors are of the view that further bank borrowings will result in additional finance costs and further increase the gearing ratio of the Group which is not beneficial to the Group. The Group may also be restrained by various restrictive covenants under bank financing. With respect to placing or subscription of new Shares, such exercise would immediately dilute the shareholding interest of the existing Shareholders without offering them the opportunity to participate in the enlarged capital base of the Company, which is not the intention of the Company. While both the Rights Issue and open offer provide the Shareholders with equal opportunity to participate in and to maintain their pro-rata shareholdings in the Company, as opposed to an open offer, the Rights Issue further provide flexibility to the Qualifying Shareholders who do not wish to take up their provisional entitlements to sell the nil-paid rights in the market, thereby recouping some value. As such, the Directors consider the Rights Issue a more preferable fundraising option in the prevailing circumstances.

## LETTER FROM THE BOARD

Considering the existing level of cash and bank balances of the Group as well as the finance costs associated with the Group's bank borrowings, the Directors consider that the Rights Issue represents an opportunity for the Group to partially settle the bank borrowings and the Shareholder's Loan (as the case may be), reduce the gearing ratio and the associated interest expenses, as well as strengthening its financial position, while at the same time providing Qualifying Shareholders the opportunity to maintain their respective pro-rata shareholding interests in the Company and to continue to participate in the future development of the Company.
