RESUMPTION GUIDANCE AND CONTINUED SUSPENSION OF TRADING

This announcement is made by Far East Holdings International Limited (the “**Company**”) pursuant to Rule 13.09 of the Rules (the “**Listing Rules**”) Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

Reference is made to the announcement of the Company dated 2 February 2026 in relation to the decision of the Listing Review Committee to suspend trading of shares of the Company for non-compliance with Rule 13.24 of the Listing Rules.

RESUMPTION GUIDANCE

On 13 February 2026, the Company received a letter from the Stock Exchange setting out the following resumption guidance (the “**Resumption Guidance**”) for the resumption of trading in the Company’s shares:

- (i) demonstrate its compliance with Rule 13.24 of the Listing Rules; and
- (ii) inform the market of all material information for the Company’s shareholders and investors to appraise its position.

For the avoidance of doubt, the Company must meet all resumption guidance, remedy the issues causing its trading suspension and fully comply with the Listing Rules to the Stock Exchange’s satisfaction before trading in its securities is allowed to resume. For this purpose, the Company has the primary responsibility to devise its action plan for resumption. Whilst the Company may seek the Stock Exchange’s guidance on its resumption plan, its resumption plan is not subject to the Stock Exchange prior approval before implementation. To assist the Company, the Stock Exchange set out the resumption guidance which the Stock Exchange may modify or supplement if the Company’s situation changes.

Under Rule 6.01A(1), the Stock Exchange may cancel the listing of any securities that have been suspended from trading for a continuous period of 18 months. In the case of the Company, the 18-month period expires on 2 August 2027. If the Company fails to remedy

the issues causing its trading suspension, fulfill the resumption guidance and fully comply with the Listing Rules to the Stock Exchange's satisfaction and resume trading in its shares by 2 August 2027, the Listing Division will recommend the Listing Committee to proceed with the cancellation of the Company's listing. Under Rules 6.01 and 6.10, the Stock Exchange also has the right to impose a shorter specific remedial period or to cancel the listing of the Company immediately, where appropriate.

The Company must also comply with the Listing Rules and all applicable laws and regulations in Hong Kong and its place of incorporation before resumption.

The Stock Exchange requests that the Company announces the resumption guidance and the 18-month period within which it must meet the resumption guidance, remedy the issues causing its trading suspension and fully comply with the Listing Rules to the Stock Exchange's satisfaction and resume trading in its shares to avoid delisting as soon as practicable.

While trading is suspended, the Company is also reminded of its obligations under the Listing Rules including, but not limited to, the following:

- (a) keep the duration of any trading suspension to the shortest possible period as required under Rule 6.05;
- (b) comply with its continuing obligations under the Listing Rules at all times, for example, those applying to notifiable and/or connected transactions under Chapters 14 and 14A of the Listing Rules and publication of periodic financial results and reports and, if they are not available, management accounts under Rules 13.46 to 13.49;
- (c) announce inside information required to be disclosed under Part XIVA of the Securities and Futures Ordinance; and
- (d) announce quarterly updates on its developments under Rule 13.24A including, among other relevant matters:
 - its business operations;
 - its resumption plan with details of actions that it has taken and intends to take to remedy the issues causing its trading suspension, fulfill the resumption guidance and fully comply with the Listing Rules and resume trading. The resumption plan should be accompanied with a clear timeframe in respect of each stage of work under the plan with a view that the resumption guidance can be fulfilled and trading can resume as soon as practicable and, in any event before the 18-month period expires;
 - the progress of implementing its resumption plan; and
 - details of any material change to the resumption plan and, in the case of delay, the reasons and impact of such delay.

The Company must announce its first quarterly update on or before 2 May 2026 and every 3 months from that date until resumption or cancellation of listing (whichever is earlier).

With a view to resuming trading as soon as possible and in any event before the 18-month period expires, it is the Company's primary responsibility to devise its own resumption plan with a timetable setting out the actions that it considers appropriate to fulfil the resumption guidance and comply with the Listing Rules, work according to the plan, and announce quarterly updates as described above. Thus, whilst the Company may seek the Stock Exchange's guidance on its resumption plan, its resumption plan is not subject to the Stock Exchange's prior approval before implementation.

Before the Stock Exchange confirms to the Company that trading can resume, the Company must ensure that in each of its announcements, there is a statement that trading will remain suspended with an explanation of the reasons for the continued suspension.

When the Company considers that it has fulfilled the resumption guidance, remedied the issues causing its trading suspension and fully complied with the Listing Rules, it should request the Stock Exchange's confirmation that this is the case and provide the Stock Exchange with sufficient supporting information for assessment.

For further guidance, please see the Stock Exchange's guidance letter on long suspension and delisting (GL95-18).

CONTINUED SUSPENSION OF TRADING

At the request of the Company, trading in the shares on the Stock Exchange has been suspended with effect from 9:00 a.m. on 3 February 2026. Trading in the Shares will continue to be suspended until further notice. Further announcement(s) will be made by the Company as and when appropriate in compliance with the requirements of the Listing Rules.

Shareholders and potential investors of the Company who have any queries about the implications of the decision of the Listing Review Committee and the suspension of trading are advised to seek advice from professional advisors.
