Reasons for and benefits of the Investment Plan

Having considered the atmosphere, market trend and outlook for blockchain technology and crypto assets, the Board is of the view that investment in listed securities in the crypto assets sector is an opportunity for the Company to expand its digital currencies business. There is therefore no assurance as to the timing, quantity, type or price of any listed securities/ETFs to be purchased and/or sold under the Investment Plan. Accordingly, Shareholders and potential investors are advised to exercise caution when dealing in the Shares.

The Company will continue to comply with the relevant requirements under the Listing Rules in relation to the Investment Plan and the transactions contemplated thereunder.
