JOINT ANNOUNCEMENT RELATING TO DISPOSAL OF UK POWER NETWORKS

THE DISPOSAL

The CKI Board and the CKHH Board jointly announce that, after trading hours on 25 February 2026 and before trading hours on 26 February 2026 in Hong Kong, London and Paris, CKI Sub (an indirect wholly-owned subsidiary of CKI), PAH Sub (an indirect wholly-owned subsidiary of PAH), CKA Sub (an indirect wholly-owned subsidiary of CKA), the Purchaser and the Purchaser's Guarantor entered into the Share Purchase Agreement in relation to the Disposal.

As at the date of this announcement, the issued share capital of the Target is owned as to 40%, 40% and 20% by CKI Sub, PAH Sub and CKA Sub, respectively.

Pursuant to the Share Purchase Agreement, each Seller has agreed to severally sell its respective Sale Shares, and the Purchaser has agreed to purchase such Sale Shares from that Seller. The Sale Shares together represent 100% of the issued share capital of the Target.

Each Seller has also agreed to sell, or procure the sale of, each Shareholder Debt Instrument registered in the name of the relevant Shareholder Debt Instrument Holder, and the Purchaser has agreed to purchase each such Shareholder Debt Instrument from that relevant Shareholder Debt Instrument Holder.

REASONS FOR AND BENEFITS OF CKI SUB'S DISPOSAL

Since the CKI Group's acquisition of its interest in the Target Group in 2010, the Target Group has gone through a steady transformation and is now a leading electricity distribution network operator in the United Kingdom, consistently delivering stable financial contribution to CKI and CKHH. The Target Group has achieved significant growth during the CKI Group's investment period and the CKI Board believes that the Disposal will allow the CKI Group (which is a part of the CKHH Group) to monetise its investment at an attractive valuation with significant accounting gain and cash proceeds for future investments or acquisitions.

LISTING RULES IMPLICATIONS

(a) For CKI

As one or more of the applicable percentage ratios of CKI in respect of CKI Sub's Disposal exceed 25% but all of the applicable percentage ratios are less than 75%, CKI Sub's Disposal constitutes a major transaction of CKI and is subject to the announcement, notification, circular and shareholders' approval requirements under Chapter 14 of the Listing Rules.

CKA has been deemed by the Stock Exchange to be a connected person of CKHH under the Listing Rules. As wholly-owned subsidiaries of CKHH currently hold approximately 75.67% of the issued share capital of CKI, CKA may be regarded as a connected person of CKI under the Listing Rules. Accordingly, CKI Sub's Disposal may constitute a connected transaction of CKI under Chapter 14A of the Listing Rules. On this basis, as one or more of the applicable percentage ratios of CKI in respect of CKI Sub's Disposal exceed 5%, CKI Sub's Disposal will be subject to CKI's compliance with the announcement, reporting, circular and independent shareholders' approval requirements under Chapter 14A of the Listing Rules.

(b) For CKHH

As one or more of the applicable percentage ratios of CKHH in respect of CKI Sub's Disposal exceed 5% but all of the applicable percentage ratios are less than 25%, CKI Sub's Disposal constitutes a discloseable transaction of CKHH and is subject to the announcement and notification requirements but is not subject to the circular and shareholders' approval requirements under Chapter 14 of the Listing Rules.

CKA has been deemed by the Stock Exchange to be a connected person of CKHH under the Listing Rules. Accordingly, the Disposal by CKI Sub, which is an indirect subsidiary of CKHH, may constitute a connected transaction of CKHH under Chapter 14A of the Listing Rules. On this basis, as one or more of the applicable percentage ratios of CKHH in respect of CKI Sub's Disposal exceed 5%, CKI Sub's Disposal will be subject to CKHH's compliance with the announcement, reporting, circular and independent shareholders' approval requirements under Chapter 14A of the Listing Rules.

GENERAL

As completion of the Disposal is subject to the fulfilment of certain terms and conditions under the Share Purchase Agreement, there remains the possibility that the Disposal may not proceed. Shareholders and potential investors should exercise caution when dealing in the securities of CKI and/or CKHH.

Please also refer to the announcements of PAH and CKA dated today in relation to PAH Sub's Disposal and CKA Sub's Disposal, respectively.

1. INTRODUCTION

The CKI Board and the CKHH Board jointly announce that, after trading hours on 25 February 2026 and before trading hours on 26 February 2026 in Hong Kong, London and Paris, CKI Sub (an indirect wholly-owned subsidiary of CKI), PAH Sub (an indirect wholly-owned subsidiary of PAH), CKA Sub (an indirect wholly-owned subsidiary of CKA), the Purchaser and the Purchaser's Guarantor entered into the Share Purchase Agreement in relation to the Disposal.

2. SHARE PURCHASE AGREEMENT

The principal terms of the Share Purchase Agreement are set out below:

Date

25 February 2026

Parties

- (i) CKI Sub as a seller;
- (ii) PAH Sub as a seller;

- (iii) CKA Sub as a seller;
- (iv) the Purchaser as the purchaser; and
- (v) the Purchaser's Guarantor as the Purchaser's guarantor.

CKI Sub is an indirect wholly-owned subsidiary of CKI, and is an indirect non-wholly owned subsidiary of CKHH. PAH Sub is an indirect wholly-owned subsidiary of PAH. CKA Sub is an indirect wholly-owned subsidiary of CKA. The rights and obligations of each of CKI Sub, PAH Sub and CKA Sub under the Share Purchase Agreement are on a several basis, and each of CKI Sub, PAH Sub and CKA Sub will only have rights and obligations to the extent they relate to the Sale Shares or the Shareholder Debt Instruments it agrees to sell, or procure to sell, under the Share Purchase Agreement.

The Disposal

As at the date of this announcement, the issued share capital of the Target is owned as to 40%, 40% and 20% by CKI Sub, PAH Sub and CKA Sub, respectively.

Each Seller has agreed to severally sell its respective Sale Shares, and the Purchaser has agreed to purchase such Sale Shares from that Seller. The Sale Shares together represent 100% of the issued share capital of the Target.

Each Seller has also agreed to sell, or procure the sale of, each Shareholder Debt Instrument registered in the name of the relevant Shareholder Debt Instrument Holder, and the Purchaser has agreed to purchase each such Shareholder Debt Instrument from that relevant Shareholder Debt Instrument Holder.

Guarantees

The Purchaser's Guarantor has agreed to guarantee the performance and observance of the obligations of the Purchaser under the Share Purchase Agreement. Engie has entered into the Purchaser Parent Guarantee, under which Engie will guarantee the payment of the purchase price by the Purchaser under the Share Purchase Agreement.

Each of CKI, PAH and CKA has entered into separate guarantee letters on 25 February 2026 (London time) addressed to the Purchaser, under which CKI, PAH and CKA guarantee the performance and observance of the obligations of CKI Sub, PAH Sub and CKA Sub under the Share Purchase Agreement, respectively.

CKI Consideration

The CKI Consideration for CKI Sub's Sale Shares and CKI Sub's Shareholder Debt Instruments shall be an amount in cash equal to the Base CKI Consideration, being GBP4,219,200,000 (equivalent to approximately HK\$44,301,600,000), subject to customary adjustments pursuant to the Share Purchase Agreement.

The amount of the CKI Consideration allocated to each CKI Sub's Shareholder Debt Instrument shall be an amount equal to the aggregate of all principal, interest, fees and other amounts outstanding in relation to that Shareholder Debt Instrument as at Closing.

The amount of the CKI Consideration allocated to CKI Sub's Sale Shares shall be an amount equal to the CKI Consideration less the amount of the CKI Consideration allocated to all of CKI Sub's Shareholder Debt Instruments. The CKI Consideration is payable by the Purchaser to CKI Sub in cash at Closing pursuant to the Share Purchase Agreement.

The CKI Consideration for CKI Sub's Disposal was determined based on arm's length negotiations between CKI Sub and the Purchaser and after taking into account factors including: (i) the prevailing market prices of similar assets; (ii) the performance of the business conducted by the Target Group; and (iii) the information set out under the section headed "5. Reasons for and Benefits of CKI Sub's Disposal". Further information on the basis upon which the CKI Consideration was determined will be disclosed in the circulars to be despatched by CKI and CKHH, respectively.

Conditions

The sale and purchase of the Sale Shares and the Shareholder Debt Instruments is conditional upon satisfaction of the following Conditions, or their satisfaction subject only to Closing:

- (i) approval by the shareholders of CKI of all resolution(s) relating to the transactions to be performed by CKI Sub under the Share Purchase Agreement as may be required under the Listing Rules or otherwise required by the Stock Exchange, or the grant by the Stock Exchange of a waiver from the need to obtain such approval;
- (ii) approval by the shareholders of CKHH of all resolution(s) relating to the transactions to be performed by CKI Sub under the Share Purchase Agreement as may be required under the Listing Rules or otherwise required by the Stock Exchange, or the grant by the Stock Exchange of a waiver from the need to obtain such approval;
- (iii) approval by the shareholders of PAH of all resolution(s) relating to the transactions to be performed by PAH Sub under the Share Purchase Agreement as may be required under the Listing Rules or otherwise required by the Stock Exchange, or the grant by the Stock Exchange of a waiver from the need to obtain such approval;
- (iv) approval by the shareholders of CKA of all resolution(s) relating to the transactions to be performed by CKA Sub under the Share Purchase Agreement as may be required under the Listing Rules or otherwise required by the Stock Exchange, or the grant by the Stock Exchange of a waiver from the need to obtain such approval;
- (v) a notification under the National Security and Investment Act 2021 of the United Kingdom having been accepted and (a) the Secretary of State confirming before the end of the review period that no further action will be taken in relation to the Disposal; or (b) if the Secretary of State issues a call-in notice in relation to the Disposal, the relevant parties (or any party) to the Share Purchase Agreement receiving confirmation that the Secretary of State will take no further action in relation to the call-in notice and the Disposal under the National Security and Investment Act 2021; or (c) the Secretary of State making a final order in relation to the Disposal (and, to the extent relevant, all conditions or obligations contained in such an order necessary for Closing having been satisfied or complied with or any restriction preventing Closing having been lifted or released); and
- (vi) (a) the GFSC giving notice in writing that it approves or has no objection to the acquisition of UKPN Insurance by the Purchaser and all other persons who would at Closing become a shareholder controller of UKPN Insurance; or (b) (1) the surrendering of the authorisation or licence of UKPN Insurance to carry on insurance business under the relevant laws in the Island of Guernsey; and (2) the discontinuance and winding-up of the insurance business of UKPN Insurance, such that the no objection of the GFSC is not required in connection with the Disposal.

None of the Conditions may be waived by any party to the Share Purchase Agreement.

If (a) the GFSC objects in writing to any person becoming a shareholder controller of UKPN Insurance following the Disposal within 90 days of the date of the Share Purchase Agreement; or (b) the GFSC does not provide written confirmation of no objection to satisfy the Condition set out under paragraph (vi) above within 90 days of the date of the Share Purchase Agreement (or such other date as may be agreed in writing between the parties to the Share Purchase Agreement), then the parties agree that the Longstop Date shall be automatically extended by a period of three months in accordance with the following paragraph.

Subject to the preceding paragraph, if any of the Conditions is not satisfied on or before 5:00 p.m. (London time) on the Longstop Date, either the Sellers (acting jointly) (by notice to the Purchaser) or the Purchaser (by notice to the Sellers' representative) may extend the Longstop Date by a period of three months.

If (i) the Purchaser or the Sellers have not extended the Longstop Date pursuant to the preceding paragraph and any Condition is not satisfied on or before 5:00 p.m. (London time) on the Longstop Date; or (ii) the Purchaser or the Sellers have extended the Longstop Date pursuant to the preceding paragraph or the Longstop Date has been automatically extended as set out above and any Condition is not satisfied on or before 5:00 p.m. (London time) on the extended Longstop Date, the Purchaser or the Sellers (acting jointly) may in their sole discretion terminate the Share Purchase Agreement in accordance with its terms.

Closing

Closing shall take place on the tenth business day following (but excluding) the date on which the fulfilment of the last Condition is notified by the relevant party to the other parties to the Share Purchase Agreement, or at such other time or date as may be agreed between the Purchaser and the Sellers' representative in writing.

At Closing, each of the Sellers and the Purchaser shall comply with their respective closing obligations under the Share Purchase Agreement, including the delivery by each of the Sellers and the Purchaser to each other of various closing deliverables, and the payment of the total consideration (including the CKI Consideration) for the relevant Disposal by the Purchaser to the respective Sellers.

Exclusivity

During the Exclusivity Period, each Seller undertakes that it shall not, and shall procure that its respective affiliates shall not, discuss, negotiate or solicit or accept any offer from any other third party for an acquisition (whether direct or indirect) of any of the issued share capital of the Target or any other material member of the Target Group, or of any assets, business or undertakings which are material in the context of the business of the Target Group taken as a whole.

"Exclusivity Period" means: (i) if Closing occurs under the Share Purchase Agreement, the period from the date of the Share Purchase Agreement until Closing; (ii) if Closing does not occur under the Share Purchase Agreement solely due to one (or more) of the Sellers' Shareholder Conditions not being satisfied (other than where the failure to do so was a direct result of a breach by the Purchaser of its obligations to provide information and other assistance in accordance with the Share Purchase Agreement), the period of 18 months from the date of the Share Purchase Agreement; and (iii) if Closing does not occur under the Share Purchase Agreement for any other reason, the period from the date of the Share Purchase Agreement until termination of the Share Purchase Agreement.

3. INFORMATION ON THE TARGET GROUP

The principal business of the Target Group is the distribution of electricity across London, the South East and the East of England. The Target Group owns and maintains electricity networks across London, the South East and the East of England. The Target Group's network is approximately 192,000 kilometres in length and covers an area of over 29,000 square kilometres, serving 8.5 million homes and businesses. The Target Group also has a non-regulated business – UK Power Networks Services – which designs, builds, owns and operates private networks for both public and private sector clients.

According to the audited consolidated financial statements of the Target Group for the financial years ended 31 March 2024 and 31 March 2025 prepared in accordance with the United Kingdom Generally Accepted Accounting Practice, the audited consolidated profits before and after taxation of the Target Group were, respectively, approximately GBP466.9 million (equivalent to approximately HK\$4,902.5 million) and GBP312.4 million (equivalent to approximately HK\$3,280.2 million) for the financial year ended 31 March 2024, and approximately GBP1,149.3 million (equivalent to approximately HK\$12,067.7 million) and GBP852.9 million (equivalent to approximately HK\$8,955.5 million) for the financial year ended 31 March 2025. The audited consolidated net asset value of the Target Group as at 31 March 2025 was approximately GBP5,583.5 million (equivalent to approximately HK\$58,626.8 million).

The significant increase in financial performance in the financial year ended 31 March 2025 was due to an increase in revenues collected in the period. This was mainly attributable to the recovery of additional amounts relating to higher inflation, which was under-recovered in previous financial periods owing to actual rates of inflation being much higher than those assumed when revenue tariffs were set. In addition, the revenues of the Target Group in the financial year ended 31 March 2025 include higher incentives relating to the RII0-ED1 price control, which are collected on a two-year lag.

Under the regulatory framework of UK electricity distribution networks, a revenue true-up mechanism applies whereby tariffs are adjusted for actual inflation on a delayed basis.

4. FINANCIAL EFFECTS OF THE DISPOSAL AND USE OF PROCEEDS

4.1. For CKI

Subject to Closing and based on the currently available information, taking into account the CKI Group's approximately 36.01% shareholding interest in PAH, the CKI Group expects to report an effective gain of approximately HK\$14.5 billion arising from the transactions. The actual amount of such gain to be realised by the CKI Group is subject to auditor's review and will depend on the final consideration, carrying costs, other relevant expenses including transaction costs, and the actual exchange rate, and therefore may vary from the amount mentioned above. The net proceeds to be received by the CKI Group are intended to be used by the CKI Group to pursue new investment or acquisition opportunities and for general working capital.

4.2. For CKHH

Subject to Closing, based on the currently available information, the CKHH Group expects to recognise a gain of approximately HK\$14.5 billion attributable to its ordinary shareholders from the Disposal. This amount represents its approximate 75.67% share of the gain expected to be reported by the CKI Group, after accounting for relevant reclassification and consolidation adjustments. The final gain amount is subject to auditor's review and may vary depending on a number of factors, including the final consideration, carrying costs, related transaction expenses, exchange rate at Closing, as well as the CKHH Group's reclassification and consolidation adjustments relating to the Target at Closing. CKHH itself will not directly receive any net proceeds from the Disposal. As mentioned above, the net proceeds to be received by the CKI Group are intended to be used by the CKI Group to pursue new investment or acquisition opportunities and for general working capital.

5. REASONS FOR AND BENEFITS OF CKI SUB'S DISPOSAL

Since the CKI Group's acquisition of its interest in the Target Group in 2010, the Target Group has gone through a steady transformation and is now a leading electricity distribution network operator in the United Kingdom, consistently delivering stable financial contribution to CKI and CKHH. The Target Group has achieved significant growth during the CKI Group's investment period and the CKI Board believes that the Disposal will allow the CKI Group (which is a part of the CKHH Group) to monetise its investment at an attractive valuation with significant accounting gain and cash proceeds for future investments or acquisitions.

For the above reasons, the CKI Directors consider that the terms of CKI Sub's Disposal are normal commercial terms, fair and reasonable and in the interests of CKI and its shareholders as a whole, subject to the fact that the CKI Directors who are members of the CKI Independent Board Committee will form their opinion on CKI Sub's Disposal according to the recommendation of the independent financial adviser to the CKI Independent Board Committee and the independent shareholders of CKI and such opinion will be provided in a letter to be included in the circular to be despatched by CKI pursuant to the Listing Rules. None of the CKI Directors has any material interest in the transaction herein announced except by virtue of being a director and/or shareholder of CKI (or any of its subsidiaries or substantial shareholders) or the Sellers (or any of their respective subsidiaries or holding companies), and no CKI Directors were required to abstain from voting on the board resolutions of CKI passed in connection with CKI Sub's Disposal.

The CKHH Directors (other than the members of the CKHH Independent Board Committee, whose views are expected to be set out in the circular to be despatched by CKHH to its shareholders), having regard to the views of the CKI Directors expressed above, endorse the reasons of the CKI Directors for entering into CKI Sub's Disposal and the benefits which are expected to accrue to the CKHH Group (of which CKI forms part) as a result of CKI Sub's Disposal, and consider that the terms of CKI Sub's Disposal are normal commercial terms, fair and reasonable and in the interests of CKHH and its shareholders as a whole. None of the CKHH Directors has any material interest in the transaction herein announced except by virtue of being a director and/or shareholder of CKHH (or any of its subsidiaries or substantial shareholders) or the Sellers (or any of their respective subsidiaries or holding companies), and no CKHH Directors were required to abstain from voting on the board resolutions of CKHH passed in connection with CKI Sub's Disposal.
