## **POSITIVE PROFIT ALERT**

This announcement is made by CALB Group Co., Ltd. (the “**Company**” and together with its subsidiaries, the “**Group**”) in accordance with Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on a preliminary assessment of the unaudited consolidated management accounts of the Group for the year ended 31 December 2025 (the “**Reporting Period**”) and other available information, the Group is expected to record a net profit ranging from approximately RMB2,025 million to RMB2,193 million for the Reporting Period, representing an increase ranging from approximately 140% to 160% compared to the net profit of approximately RMB844 million for the corresponding period last year.

The Board believes that such expected significant growth during the Reporting Period was primarily driven by the continuous high growth of leading-edge technology products across business sectors, including passenger applications and commercial applications as well as energy storage.

Such financial information remains subject to finalisation and necessary adjustments, and may differ from the actual annual results of the Group for the Reporting Period. Further details of the Group’s financial information will be disclosed in the announcement of annual results for the Reporting Period, which is expected to be published by the end of March 2026.
