**VOLUNTARY ANNOUNCEMENT —
EXPECTED SUCCESSFUL BID FOR CENTRALISED PROCUREMENT
PROJECT OF CHINA TELECOMMUNICATIONS CORPORATION
("CHINA TELECOM") IN RESPECT OF
POWER CABLE YEAR 2025 TO YEAR 2027**

This is a voluntary announcement made by Trigiant Group Limited ("**Company**", together with its subsidiaries, the "**Group**").

The board of directors of the Group is pleased to announce that China Telecom released the bidding results notice (hereinafter referred to as the "**Notice**") on the Centralised Procurement Project of China Telecom in respect of Power Cable Year 2025 to Year 2027 on its online business platform on 28 February 2026, pursuant to which, 江蘇俊知技術有限公司 (Jiangsu Trigiant Technology Co., Ltd.*) (hereinafter referred to as "**Trigiant Technology**"), a wholly-owned subsidiary of the Group, is the relevant prospective successful bidder. The details of the expected successful bid are as follows:

Centralised Procurement Project of China Telecom in respect of Power Cable Year 2025 to Year 2027: Trigiant Technology's bidding price including tax is RMB2,839,275,522.76, Trigiant Technology is ranked No. 3 of the tender.

* For identification purpose only

China Telecom is one of the Group’s major customers, and this centralised procurement plays an active role in promoting domestic construction of Artificial Intelligence Data Centre (“AIDC”). To address the rapid growth in global demand for artificial intelligence (“AI”) computing power, the Group is making significant strategic investments to comprehensively strengthen its business layout in the domestic AIDC sector. With the continuous expansion and rapid development of domestic AIDC construction, we expect this sector to contribute to the Group’s overall business, becoming a core engine driving the Group’s business and leading the Group into a new cycle of high-quality development.

The publication period of the Notice, which is from 1 to 3 March 2026, has expired. Investors are advised to exercise caution in making investment decisions and take precautions against investment risks.
