VOLUNTARY ANNOUNCEMENT
INCLUSION OF THE COMPANY IN FTSE GLOBAL EQUITY INDEX
SERIES

This announcement is made by InnoScience (Suzhou) Technology Holding Co., Ltd. (the “**Company**” or “**InnoScience**”) on a voluntary basis.

The board of directors of the Company (the “**Board**”) is pleased to announce that the Company has been included by FTSE Russell in the FTSE Global Equity Index Series, including the FTSE Global Large Cap Index, the FTSE Global Equity Index (Large and Mid Cap), the FTSE All Cap Index (Large, Mid and Small Cap), and the FTSE Global Total Cap Index (Large, Mid, Small and Micro Cap), with effect after the close of trading on March 20, 2026.

FTSE Russell, a wholly-owned subsidiary of the London Stock Exchange Group, provides stock market indices and related data services. As one of the leaders in the global index industry, FTSE Russell provides innovative benchmarking, analytics, and data solutions to investors worldwide. FTSE Russell’s thousands of indices are used to measure and benchmark various asset classes across more than 70 countries and territories, covering 98% of the world’s investable markets, with approximately US\$20 trillion of assets benchmarked against FTSE Russell indices.

The Board believes that the Company’s inclusion in the FTSE Global Equity Index Series marks the international capital market’s recognition of the Company’s investment value, and is expected to attract passive capital allocation, bringing stable incremental capital to the Company. This will play a significant role in enhancing the Company’s influence in the international capital market, improving its shareholder structure, and increasing the liquidity of the trading of the Company’s shares.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.
