VOLUNTARY ANNOUNCEMENT — LATEST PROGRESS ON BUSINESS CONTRACT SIGNING

This announcement is made by 160 Health International Limited (the “**Company**”, together with its subsidiaries and consolidated affiliated entities, the “**Group**”) on a voluntary basis to inform the shareholders (the “**Shareholders**”) and potential investors of the Company of the latest business development of the Group.

The board (the “**Board**”) of directors (the “**Directors**”) of the Company is pleased to announce that, as of December 31, 2025, the Group has made positive progress in the realm of digital healthcare and wellness solutions. Throughout 2025, the Group entered into “160AI Hospital” operational collaboration with 82 public hospitals of Class IIA or above, representing a year-on-year increase of over 720% compared to 2024. In particular, in the fourth quarter of 2025, 52 new public hospitals joined the collaboration, achieving a quarter-on-quarter growth of 420%. All these new collaborations were conducted based on the Group’s innovative “160AI Hospital” operational collaboration business model, which is one of the core products of the Group’s digital healthcare and wellness solutions business. This marks pivotal progress in the market penetration of this business model, now extending into a broader healthcare system.

The Board wishes to emphasize that the latest business progress disclosed in this announcement only reflects the performance of certain business segments of the Company and does not represent the overall business performance of the Company, and that future business development is subject to uncertainties arising from various factors, including market conditions, industrial policies and actual implementation. The information as set out in this announcement is not intended, and should not be construed, as a profit forecast of the Company's overall results for the year 2025 or as an express or implied indication of the Company's overall profitability for the year 2025. The Company has not yet obtained the final and definitive figures of the overall results for the year 2025. The overall results for the year 2025 may be subject to further adjustments and finalization, which may differ from those as disclosed in this announcement. Specific financial data shall be subject to the audited annual results announcement for the year 2025 to be subsequently disclosed by the Company.

As of the date of this announcement, the Company is still in the process of finalizing the overall results for the year 2025. The information contained in this announcement is solely based on the preliminary assessment of the information currently available to the Company and does not constitute the final and definitive figures. Such information has not been audited by the Company's auditors nor reviewed by the audit committee of the Board, and it does not indicate that the Company will ultimately record a profit or loss for the year ended December 31, 2025.

Shareholders and prospective investors of the Company are advised to exercise caution when dealing in the shares of the Company.

By order of the Board
