**POSITIVE PROFIT ALERT**

This announcement is made by Yunnan Jinxun Resources Co., Ltd. (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571).

The board of directors of the Company (the “**Board**”) wishes to inform shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary assessment of the unaudited consolidated management accounts of the Group and the information currently available, the Group expected to record a consolidated profit attributable to owners of the Company in the range of approximately RMB300 million to RMB330 million for the year ended 31 December 2025, representing a significant increase as compared to RMB202 million for the year ended 31 December 2024.

Based on the information currently available, the substantial increase in the consolidated profit attributable to owners of the Company was mainly attributable to (i) the increase in sales volume of the Company’s cathode copper products, which was in line with the growth in cathode copper production; and (ii) the significant increase in the average selling price resulting from the increase in copper prices quoted on the London Metal Exchange.

The Company is in the process of preparing the annual results of the Group for the year ended 31 December 2025. The information contained herein is based only on the Board’s preliminary assessment with reference to the unaudited consolidated financial statements of the Group for the year ended 31 December 2025, which has not been finalised or is not audited by the Company’s auditor and may be subject to further adjustment. Shareholders and potential investors are advised to carefully read the annual results announcement for the year ended 31 December 2025, which is expected to be released by end of March 2026 in accordance with the Listing Rules.

**Shareholders and potential investors of the Company should exercise caution when dealing in the shares of the Company.**
