INSIDE INFORMATION

This announcement is made by NVC International Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors of the Company (the “**Directors**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on its latest preliminary assessment of the Group’s unaudited consolidated management accounts and other information currently available to the Board, the Group is expected to record a profit of approximately US\$12.4 million for the year ended 31 December 2025 as compared to a loss of approximately US\$15.4 million for the year ended 31 December 2024, and is expected to record a profit attributable to owners of the Company of approximately US\$11.9 million for the year ended 31 December 2025, as compared to a loss attributable to owners of the Company of approximately US\$17.5 million for the year ended 31 December 2024.

To the best of the Directors’ knowledge, such expected increase in profit for the year ended 31 December 2025 was mainly because the Group recorded impairment losses of US\$26.6 million in respect of interest in an associate in 2024 and no such impairment is recognised for the year ended 31 December 2025.

Excluding the impact of such impairment loss recorded in 2024, the Company considers that the profit for the years ended 31 December 2024 and 2025 would remain at similar levels.

The Company is still in the process of finalising the annual results of the Group for the year ended 31 December 2025. The information contained in this announcement is based solely on the Board's preliminary assessment of the information currently available to it and is subject to finalisation. Details of the Group's financial performance for the year ended 31 December 2025 will be disclosed in the annual results announcement of the Company for the year ended 31 December 2025, which is expected to be published by the end of March 2026. Shareholders and potential investors should read carefully such results announcement when it is issued.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.
