DISCLOSEABLE TRANSACTIONS
DISPOSAL OF LISTED SECURITIES

Reference is made to the Company's announcement dated 31 March 2026 in relation to the Previous Disposals (the "**Announcement**").

THE DISPOSALS

On 1 April 2026, Redwood through on-market transactions conducted on the Stock Exchange, disposed of 300,000 Xunce Shares at an aggregate consideration of approximately HK\$64,101,000 (exclusive of transaction costs), representing approximately HK\$213.67 per share, which is receivable in cash on settlement.

Together with the Previous Disposals, the Group had disposed of an aggregate of 829,200 Xunce Shares for an aggregate consideration of approximately HK\$144,787,000 (exclusive of transaction costs) through on-market transactions.

As the Disposals were conducted on the open market, the Company is not aware of the identities of the purchasers of the Disposed Shares. To the best of the knowledge, information and belief of the Directors, having made all reasonable enquiries, each of the purchasers of the Disposed Shares is an Independent Third Party.

Based on public information available to the Company, the Disposed Shares represent approximately 0.26% of the total number of issued shares of Xunce as at the date of this announcement.

FINANCIAL EFFECT OF THE DISPOSALS

The Group expects to receive net proceeds of approximately HK\$144,787,000 from the Disposals. The Group currently intends to use the proceeds for general working capital.

The cost of investment (exclusive of transaction costs) of the Disposed Shares was approximately HK\$ 46,310,000. The Group is expected to recognise a gain of approximately HK\$98,477,000 (before taxation), which is calculated based on the difference between the cost of investment of the Disposed Shares and the proceeds (exclusive of transaction costs) from the Disposals. The actual amount of gain or loss as a result of the Disposals to be recorded by the Group will be subject to the review and final audit by the auditor of the Company.

REASONS FOR AND BENEFITS OF THE DISPOSALS

The Group is principally engaged in provision of investment management services business and strategic direct investment business. The Directors consider the Disposals provide the Group with an opportunity to reallocate the Company's resources to other business needs. The Disposals were made under the Group's disciplined risk management and active portfolio monitoring and balancing framework. Immediately following the Disposals, the Group does not hold any shares in Xunce. The Disposals reflect the Group's proactive approach in responding to evolving market dynamics, capturing new opportunities, and managing downside risk effectively, while maintaining a positive outlook on the long-term prospects of Xunce.

As the Disposals were made in the open market at the relevant prevailing market prices of the Xunce Shares, the Directors consider that the terms of the Disposals (including without limitation, their consideration) are fair and reasonable, on normal commercial terms and in the interests of the Company and the Shareholders as a whole.

IMPLICATION UNDER THE LISTING RULES

As the highest of the applicable percentage ratios (as defined under the Listing Rules) in respect of each of (i) the Current Disposal (on a standalone basis) and (ii) the Disposals (on an aggregated basis) exceed 5% but are less than 25%, the Current Disposal constitutes a discloseable transaction of the Company and is subject to the reporting and announcement requirements under Chapter 14 of the Listing Rules.
