Additional and Clarificatory Information

To encourage Bondholders to submit their Consent Instructions as soon as practicable, the Company has decided to clarify the Consent Solicitation Memorandum by amending the “*Risk Factors*” and “*Background and Purpose of this Consent Solicitation – Proposed Amendment and Waivers*” sections in the Consent Solicitation Memorandum as set forth below, with additions shown in double-underline

and deletions shown in ~~strike through~~. All relevant information in the Consent Solicitation Memorandum should be deemed to be clarified and amended accordingly and this Supplemental Consent Solicitation Memorandum should be read together with the Consent Solicitation Memorandum.

(1) “Risk Factors”

The Consent Solicitation may be amended

The Issuer may, at its option and in its sole discretion, extend, or waive any condition or term of, the Consent Solicitation at any time and may, if the conditions to the Consent Solicitation (as described under “*Terms of the Consent Solicitation*”) are not satisfied or waived, amend or terminate the Consent Solicitation (subject to applicable law and the Meeting Provisions and as provided in this Consent Solicitation Memorandum, and provided that no amendment may be made to the terms of the Extraordinary Resolution).

Subject to applicable law and the Meeting Provisions, if the Issuer (i) amends the terms of the Consent Solicitation in any way which, in the Issuer’s reasonable opinion, acting in accordance with applicable law and the provisions of the Meeting Provisions, is materially prejudicial to Bondholders who have already submitted Consent Instructions in respect of the Consent Solicitation, or (ii) makes a new invitation to Bondholders to vote in respect of the Extraordinary Resolution on terms which, in the Issuer’s reasonable opinion, acting in accordance with applicable law and the provisions of the Meeting Provisions, are materially less beneficial for the Bondholders, then the Issuer will extend the Consent Solicitation for a period reasonably deemed by the Issuer to be adequate, acting in accordance with applicable law and the Meeting Provisions, to permit Bondholders to deliver or revoke their Consent Instructions and, whether such notice is given before or after the Electronic Consent Deadline or the Voting Deadline, such Bondholders shall thereupon be entitled, for the period so determined by the Issuer to withdraw any Consent Instruction given by them, in accordance with the procedure set out in the Meeting Provisions and as disclosed in “*Terms of the Consent Solicitation – Revocation of instructions*”. When considering whether a matter is, or is not, materially less beneficial for the Bondholders, the Issuer shall not be obliged to have regard to the individual circumstances of any particular Bondholder.

Accordingly, Bondholders should be aware that the Consent Solicitation may be amended, extended, delayed or terminated at the Company’s discretion subject to applicable law and the Meeting Provisions, and there can be no assurance as to the timing or completion of the Consent Solicitation.

No assurance that the Consent Solicitation will proceed

The Issuer has the right to terminate or withdraw the Consent Solicitation at any time prior to the Voting Deadline. In that case, the Consent Solicitation will not proceed.

The Company considers the Senior Notes Consents and the Consent of the Bonds to form a single package and to be interconditional as described under “*Background And Purpose Of This Consent Solicitation – Implementation of the Extraordinary Resolution*”. Accordingly, the Company will not waive that condition unless the requisite consents are obtained for each series of the Notes and the Bonds.

(2) “Proposed Amendment and Waivers”

“The Issuer is seeking Consents to:

- (i) amend the sections in relation to the events of default in the Trust Deeds to remove a sunset date of

31 March 2026, for carve-outs related to “Excluded Offshore Indebtedness”. Further, please refer to below and “*Annex I — Form of the Supplemental Trust Deed*” to this Consent Solicitation Memorandum for an illustration of the Proposed Amendments to the Trust Deeds (such amendments to the Trust Deeds, the “**Proposed Amendments**”);

(ii) irrevocably waive the following, provided that waivers in paragraphs (a) to (d) below are limited to any breach, default or event of default that arises as a result of (1) the Proposed Amendments in respect of any series of Bonds or the proposed amendments pursuant to the Senior Notes Consent Solicitation not becoming effective as of March 31, 2026, (2) failure to pay the cash interest on the Short Term Notes due and payable on or prior to March 30, 2026, or any consequences arising from (1) or (2) in the above:

- (a) any actual or potential breach, default or event of default that may have occurred, may occur or may be continuing under or in respect of any Bonds, Subsidiary Guarantees, Trust Deeds, security documents or intercreditor agreements related thereto (collectively, the “**Bonds Documents**”) if the Proposed Amendments have not become effective as of 31 March 2026;
- (b) any failure to pay the cash interest on the Short Term Notes due and payable on or prior to 30 March 2026, and any actual or potential breach, default or event of default under or in respect of any Bonds Document that may have occurred, may occur or may be continuing as a result of such failure;
- (c) any actual or potential breach, default or event of default that may have occurred, may occur or may be continuing under or in respect of any Bonds Document if the Proposed Amendments and Waivers in respect of any series of Bonds or the proposed amendments and waivers pursuant to the Senior Notes Consent Solicitation have not become effective as of 31 March 2026;
- (d) any consequential breach, default or event of default under or in respect of any Bonds Document that may have occurred, may occur or may be continuing as a result of, arising from or related to any of the foregoing, whether or not specifically described in the Consent Solicitation Memorandum; and

(iii) irrevocably undertake to refrain from taking and not to take, and shall be deemed to have instructed to the respective Trustee and Collateral Agent (as defined in the Trust Deeds) to refrain from taking and not to take, any enforcement action under or in respect of any Bonds Document based upon any breach, default or event of default that may have occurred, may occur or may be continuing arising from the Proposed Amendments described in limb (i) above and the proposed waivers described in limb (ii) above not becoming effective at the time of execution and delivery of the Supplemental Trust Deed (the “**Specified Defaults**”) (including without limitations, declaration of acceleration of payment, commencing or joining any proceeding or enforcing the security interest over any collateral) (each, an “**Enforcement Action**”), and to immediately stop and rescind, and shall be deemed to have instructed the respective Trustee and Collateral Agent to immediately stop and rescind, any Enforcement Action if any such Enforcement Action has been taken in connection with a Specified Default,

(limbs (ii) to (iii), collectively, the “**Proposed Waivers**”, and the Proposed Waivers together with the Proposed Amendments, the “**Proposed Amendments and Waivers**”).

Regardless of whether the Proposed Amendments and Waivers become effective, the Bonds will remain outstanding in accordance with all other terms of the relevant Bonds and the relevant Trust Deed.”
