Additional and Clarificatory Information

To encourage Holders to submit their Consents as soon as practicable, the Company has decided to clarify the Consent Solicitation Statement by amending the “*Risk Factors*” and “*Proposed Amendment and Waivers – Summary of the Proposed Amendments and Waivers*” sections in the Consent Solicitation Statement as set forth below, with additions shown in double-underline and deletions shown in ~~strike through~~. All relevant information in the Consent Solicitation Statement should be deemed to be clarified and amended accordingly and this Supplemental Consent Solicitation Statement should be read together with the Consent Solicitation Statement.

(1) “Risk Factors”

The consummation of the Consent Solicitation may be canceled, delayed or amended

We are not obligated to complete the Consent Solicitation under certain circumstances and unless and until certain conditions are satisfied. Even if the Consent Solicitation is completed, it may not be completed on the schedule described in this Consent Solicitation Statement. The Company, subject to certain limits, has the right to amend the terms of the Consent Solicitation prior to the Expiration Deadline and it may choose to terminate or amend certain parts of the Consent Solicitation, but retain other aspects unchanged.

Subject to applicable law and the terms of the Indentures, if the Company (i) amends the terms of the Consent Solicitation in any manner which, in the Company’s reasonable judgment, acting in accordance with applicable law, is materially prejudicial to Holders who have already delivered Consents in respect of the Consent Solicitation, or (ii) makes a new invitation to Holders to provide Consents in respect of the proposals on terms which, in the Company’s reasonable judgment, are materially less beneficial for the Holders, then the Company will extend the Consent Solicitation for a period reasonably deemed by the Company to be adequate, acting in accordance with applicable law, to permit Holders to deliver or revoke their Consents. When considering whether a change or a new invitation is, or is not, materially less beneficial for the Holders, the Company shall not be obligated to have regard to the individual circumstances of any particular Holder.

Accordingly, Holders should be aware that the Consent Solicitation may be amended, extended, delayed or terminated at the Company’s discretion subject to applicable law and the terms of the Indentures, and there can be no assurance as to the timing or completion of the Consent Solicitation.

There can be no assurance that the conditions to the Consent Solicitation may be satisfied or waived

The successful consummation of the Consent Solicitation is subject to the satisfaction or waiver by the Company of certain conditions. There can be no assurance that such conditions will be satisfied or waived. If those conditions are not satisfied or waived, the Consent Solicitation will not be successfully consummated.

The Company considers the MCB Consents and the Consent of the Notes to form a single package and to be interconditional as described under “*This Consent Solicitation – Conditions to the consummation of this Consent Solicitation*”. Accordingly, the Company will not waive that condition unless the requisite consents are obtained for each series of Notes and the MCBs.

(2) “Summary of the Proposed Amendments and Waivers”

We are seeking Consents to:

(i) amend the sections in relation to the events of default in the Indentures to remove a sunset date of March 31, 2026, for carve-outs related to “Excluded Offshore Indebtedness”. Further, please refer to below and “*Annex 1 – Form of the Supplemental Indenture*” to this Consent Solicitation Statement for an illustration of the Proposed Amendment to the Indentures (such amendments to the Indentures, the “**Proposed Amendments**”); and

(ii) irrevocably waive the following, provided that waivers in paragraphs (a) to (d) below are limited to any breach, default or event of default that arises as a result of (1) the Proposed Amendments in respect of any series of Notes or the proposed amendments pursuant to the MCB Consent Solicitation not becoming effective as of March 31, 2026, (2) failure to pay the cash interest on the Short Term Notes due and payable on or prior to March 30, 2026, or any consequences arising from (1) or (2) in the above:

- (a) any actual or potential breach, default or event of default, that may have occurred, may occur or may be continuing under or in respect of any Notes, Subsidiary Guarantees, Indentures, security documents or intercreditor agreements related thereto (collectively, the “**Notes Documents**”) if the Proposed Amendments have not become effective as of March 31, 2026;
- (b) any failure to pay the cash interest on the Short Term Notes due and payable on or prior to March 30, 2026, and any actual or potential breach, default, or event of default under or in respect of any Notes Document that may have occurred, may occur or may be continuing as a result of such failure;
- (c) any actual or potential breach, default or event of default that may have occurred, may occur or may be continuing under or in respect of any Notes Document if the Proposed Amendments and Waivers in respect of any series of Notes or the proposed amendments and waivers pursuant to the MCB Consent Solicitation have not become effective as of March 31, 2026;
- (d) any consequential breach, default or event of default under or in respect of any Notes Document that may have occurred, may occur or may be continuing as a result of, arising from or related to any of the foregoing, whether or not specifically described in the Consent Solicitation Statement; and

(iii) irrevocably undertake to refrain from taking and not to take, and shall be deemed to have instructed to the respective Trustee and Collateral Agent (as defined in the Indentures) to refrain from taking and not to take, any enforcement action under or in respect of any Notes Document based upon any breach, default or event of default that may have occurred, may occur or may be continuing arising from the Proposed Amendments described in limb (i) above and the proposed waivers described in limb (ii) above not becoming effective at the Effective Time (the “**Specified Defaults**”) (including without limitations, declaration of acceleration of payment, commencing or joining any proceeding or enforcing the security interest over any collateral) (each, an “**Enforcement Action**”), and to immediately stop and rescind, and shall be deemed to have instructed the respective Trustee and Collateral Agent to immediately stop and rescind, any Enforcement Action if any such Enforcement Action has been taken in connection with a Specified Default,

(limbs (ii) to (iii), collectively, the “**Proposed Waivers**”, and the Proposed Waivers together with the Proposed Amendments, the “**Proposed Amendments and Waivers**”).

Regardless of whether the Proposed Amendments and Waivers become effective, the Notes will remain outstanding in accordance with all other terms of the relevant Notes and the relevant Indenture.

If the Company fails to comply with the Special Record Date Notice Requirement or to pay the Minimum Cash Interest under the Short Term Notes on the payment date specified in the Special Record Date Notice, the Proposed Waivers and the Proposed Amendments will cease to be effective.

To encourage Holders to submit their Consents as soon as practicable, the Company will make the Minimum Cash Interest payment under the Short Term Notes due on March 30, 2026 as soon as practicable, after the Supplement Indentures and the Supplemental Trust Deeds become effective and the Company will, within two Business Days after the Supplement Indentures and the Supplemental Trust Deeds become effective, issue the notice of special record date (which shall be no later than 15 Business Days after the date of the notice of special record date) (“**Special Record**”

Date Notice”), which will set forth the special record date and the payment date (which shall be 15 days after the special record date) (this paragraph together, the “**Special Record Date Notice Requirement**”), in accordance with the special record date arrangements pursuant to the terms of the Short Term Notes, as described below under “*Questions & Answers – When will I receive the Minimum Cash Interest?*”.

Except as set forth herein, all other terms and conditions of the Consent Solicitation as set out in the Consent Solicitation Statement remain unchanged.

The date of this Supplemental Consent Solicitation Statement is April 16, 2026.
