The Board announces that on April 21, 2026, subject to the acceptance by the Grantees, the Company granted 803,000 Share Awards in aggregate to employees of the Group (each entitling the holder thereof to subscribe for one (1) Class B Share) under the 2024 Share Scheme, representing approximately 0.21% of the total Class B Shares in issue (excluding any treasury Shares) as at the date of grant. Details of the Award Grant are set out below:

Date of grant:	April 21, 2026
Grantees and number of Share Awards granted:	803,000 Share Awards granted to the Employee Participants (excluding the senior management of the Group and the Directors)
Issue/Purchase price of the Share Awards granted:	Nil

Vesting period of the Share Awards granted:	The Share Awards granted shall vest subject to the following vesting period: (i) 50% of the Share Awards shall vest on April 1, 2028; (ii) 25% of the Share Awards shall vest on April 1, 2029; and (iii) 25% of the Share Awards shall vest on April 1, 2030.

Performance target:

The vesting of the Share Awards shall be conditional upon the Grantee having satisfied specified performance targets in the most recent performance review conducted prior to the relevant vesting date. Such performance targets shall include the Grantee's individual appraisal results for the applicable vesting period. If the Grantee fails to attain the required grades in the performance review, all unvested Share Awards of the corresponding vesting period shall automatically lapse.

Clawback mechanism:

When certain events specified in the 2024 Share Scheme Rules arise, the Board or the Scheme Administrator may determine that, with respect to a Grantee, Awards granted but not yet vested or exercised shall immediately lapse, and with respect to any Award Shares issued or transferred to the Grantee, the Grantee shall be required to return, at the Board's sole and absolute discretion, either (i) the exact number of the relevant Award Shares, or (ii) the monetary amount equivalent to the value of the Award Shares on any one of the following dates determined by the Board or the Scheme Administrator: (a) the date of grant (b) the date of exercise or the Vesting Date (as defined in the 2024 Share Scheme Rules) of the relevant Awards, or (c) the date of such clawback to the Company (or its nominee). These circumstances are (unless approved otherwise):

- (i) the Grantee ceases to be an Eligible Participant by reason of the termination of contractual engagement with the Group as a result of being charged/penalised/convicted of an offence involving the Grantee's integrity or honesty;
- (ii) the Grantee engages in serious misconduct or breaches the terms, including with respect to a policy or code of or other agreement with the Group or a Related Entity, which is considered to be material;
- (iii) the Grantee has engaged in any act or omission to perform his duties that has had or will have a material adverse effect on the reputation or interests of the Group; or
- (iv) the Award to the Grantee will no longer be appropriate and aligned with the purposes of the 2024 Share Scheme.

Further Information on the Award Grant under the 2024 Share Scheme

To the best of the Directors' knowledge, information and belief having made all reasonable enquiries, none of the Grantees is (i) a Director, or a chief executive, or a substantial shareholder, or an associate of any of them; (ii) a participant with options and awards granted and to be granted exceeding the 1% individual limit under Rule 17.03D of the Listing Rules; or (iii) a related entity participant or service provider with options and awards granted and to be granted in any 12-month period exceeding 0.1% of the total number of issued Shares (excluding any treasury Shares). The Award Grant is not subject to approval by the Shareholders. There are no arrangements for the Company or any of its subsidiaries to provide financial assistance to the Grantees to facilitate the purchase of Class B Shares under the 2024 Share Scheme.

Reasons for the Award Grant

The Board is of the view that the Award Grant enable the Company to use non-cash incentives to attract the Grantees, all being Employee Participants, to work towards enhancing the value and attaining the long-term objectives of the Group, whilst also aligning their interest with that of the Group and the Shareholders through the Grantees owning proprietary interest in the Company and becoming Shareholders, which is aligned with the purpose of the 2024 Share Scheme.

Number of Class B Shares Available for Future Grants

The Award Grant will be satisfied by issuance of new Class B Shares and/or transfer of Class B Shares in treasury within the Scheme Mandate Limit. As of the date of this announcement (after taking into account of the Award Grant), 26,629,496 Class B Shares and 4,730,799 Class B Shares are available for future grant under the Scheme Mandate Limit and the Service Provider Sublimit, respectively.
