Accordingly, Mr. Wang Yaonan will retire as a Director from the conclusion of the Annual General Meeting.

In order to fill the vacancy to be left after the retirement of Mr. Wang Yaonan, the Board proposed to appoint Mr. Zhang Libin as an independent non-executive Director. The appointment of Mr. Zhang Libin will be subject to the approval of the Shareholders at the Annual General Meeting.

In assessing the proposed appointment, the Board has received from Mr. Zhang a written confirmation of his independence pursuant to Rule 3.13 of the Listing Rules. In the confirmation, Mr. Zhang has confirmed:

- (a) his independence as regards each of the factors referred to in Rules 3.13(1) to (8) of the Listing Rules;

## LETTER FROM THE BOARD

### 5. PROPOSED ADOPTION OF THE SHARE SCHEME

#### 5.1 Introduction

On 3 May 2016, the Company adopted the Existing Share Award Scheme, which will expire on 2 May 2026. In addition, on 16 May 2016, the Company adopted the Existing Share Option Scheme, which will expire on 15 May 2026.

As at the Latest Practicable Date, there were 3,020,000 outstanding share awards granted but yet to be vested under the Existing Share Award Scheme and nil outstanding share options granted and yet to be exercised under the Existing Share Option Scheme. Save for such outstanding awards and options, the Company does not have any other outstanding share awards or options granted and yet to be exercised. The Board has no intention to grant any further awards under the Existing Share Award Scheme and options under the Existing Share Option Scheme during the period from the Latest Practicable Date up to the date of the Annual General Meeting.

Save for the Existing Share Award Scheme and the Existing Share Option Scheme, the Company had no other subsisting share schemes which has not expired as at the Latest Practicable Date.

The Directors propose to adopt the Share Scheme to replace the Existing Share Award Scheme and Existing Share Option Scheme to enable the Company to grant share options and/or share awards to selected eligible persons as incentives or rewards for their contribution or potential contribution to the development and long-term growth of the Group, as well as to attract and retain talents. The Company may issue new Shares and/or utilise existing Shares and/or treasury shares (if any) to satisfy grants of the Awards under the Share Scheme.

The adoption of the Share Scheme is conditional upon the passing of an ordinary resolution by the Shareholders at the Annual General Meeting. Application will be made to the Listing Committee of the Stock Exchange for the approval of the listing of, and permission to deal in, the Shares which may fall to be allotted and issued pursuant to the granting, vesting or exercise of the Awards that may be granted pursuant to the Share Scheme.

A summary of the principal terms of the Share Scheme is set out in Appendix III to this circular.

#### 5.2 Purpose

The purpose of the Share Scheme is set out in the paragraph headed “1. PURPOSE” in Appendix III to this circular.

## LETTER FROM THE BOARD

### 5.3 Conditions

The conditions for the adoption of the Share Scheme are set out in the paragraph headed “26. CONDITIONS OF THE SHARE SCHEME” in Appendix III to this circular.

### 5.4 Eligible Participants

The Eligible Participants are the Employee Participants and the Related Entity Participants. The criteria for determination of their eligibility are set out in the paragraph headed “3. ELIGIBLE PARTICIPANTS AND THE BASIS OF ELIGIBILITY” in Appendix III to this circular.

#### *Employee Participants*

The Board (including the independent non-executive Directors) is of the view that the non-executive Directors (including the independent non-executive Directors) should be included as Employee Participants on the basis of the following:

- (i) the non-executive Directors (including the independent non-executive Directors) play a vital role in shaping and overseeing the strategic direction and governance of the Group by contributing their expertise, objective insights and independent judgement. The involvement of non-executive Directors (including the independent non-executive Directors) enhances decision-making, governance and accountability of the Board, which are essential for the Group’s sustainable development, long-term growth and stability;
- (ii) the objectivity and independence of the independent non-executive Directors shall not be impaired by any potential grant of the Awards under the Share Scheme for the following reasons: (a) the independent non-executive Directors will be required to continue to comply with the independence requirement under Rule 3.13 of the Listing Rules; (b) approval by independent Shareholders will be required if any Award is to be granted to independent non-executive Directors or any of their respective associates which would result in the Shares issued and to be issued in respect of all options and awards granted to such person in the twelve (12)-month period up to and including the date of such grant representing in aggregate over 0.1% of the Shares in issue (excluding treasury shares); and (c) the Board will be mindful of the recommended best practice E.1.9 of the Corporate Governance Code set out in Appendix C1 to the Listing Rules which recommends that issuers should generally not grant equity-based remuneration with performance-related elements to independent non-executive directors when considering any future grants of Awards to the independent non-executive Directors;

## LETTER FROM THE BOARD

- (iii) the inclusion of non-executive Directors (including the independent non-executive Directors) as Employee Participants would provide the Group with flexibility to offer non-cash incentives to the non-executive Directors (including the independent non-executive Directors) for their continuous contributions to the Group's growth and development, without compromising, in the case of independent non-executive Directors, their objectivity and independence; and
- (iv) it is common to include non-executive Directors (including independent non-executive directors) as eligible persons of share schemes among public companies.

The Board (including the independent non-executive Directors) is of the view that the inclusion of Employee Participants as Eligible Participants, the criteria of selection of the Eligible Participants and the inclusion of non-executive Directors (including independent non-executive Directors) as Eligible Participants are fair and reasonable and align with the purpose of the Share Scheme to recognise contributions made and to be made to the growth and development of the Group and the long-term interests of the Company and the Shareholders.

Furthermore, the Board (including the independent non-executive Directors) believes that including part-time employees as Eligible Participants will drive long-term growth and profitability by enhancing engagement, retention, and inclusivity. Extending incentives to part-time employees fosters a shared success culture, recognizes contributions regardless of employment status, and motivates greater engagement and long-term commitment to performance. This approach strengthens loyalty, reduces turnover costs, and supports the Group in attracting and retaining dedicated talent across all levels. Aligning all employees with strategic goals ensures a cohesive and high-performing workforce, and promotes a unified effort towards the Group's growth and prosperity. By valuing part-time roles equally, the Group maximizes productivity and operational flexibility. The Board (including the independent non-executive Directors) is of the view that extending incentives to part-time employees will sustain growth, improve efficiency, and deliver long-term value for the Group.

### *Related Entity Participants*

Whilst the scope of the Eligible Participants is not limited to the employees of the Group and the Directors, the Board (including the independent non-executive Directors) considers that the Related Entity Participants have made and may continue to make contributions to the Group. The proposed category of the Related Entity Participants is in line with the Company's business needs and the industry norm, desirable and necessary from a commercial perspective and shall help maintain or enhance the competitiveness of the Group.

## LETTER FROM THE BOARD

The Group has a close working relationship with the Related Entity Participants such as the senior management of the holding companies, fellow subsidiaries or associated companies of the Company. The Board (including the independent non-executive Directors) is of the view that the Related Entity Participants are valuable human resources to the Group as they often possess similar industry-specific knowledge and expertise, extensive experience in the same or similar projects engaged by the Group and network connections in the market who/which can share their expertise, experience and business connections with the Group. Accordingly, the Group directly benefits from these Related Entity Participants as they allow the Group to gain insights, better understand its market position, competitiveness and capture new opportunities for business development. Hence, recognition of the contribution of these Related Entity Participants fulfills the purpose of the Share Scheme.

The Board (including the independent non-executive Directors) is of the view that the inclusion of Related Entity Participants as Eligible Participants, the criteria of selection of the Eligible Participants, and the terms of the grants are fair and reasonable and align with the purpose of the Share Scheme to recognise contributions made and to be made to the growth and development of the Group and the long term interests of the Company and the Shareholders.

### **5.5 Vesting Period**

The vesting period of the Awards is set out in the paragraph headed “5. VESTING PERIOD” in Appendix III to this circular. The paragraph also sets out circumstances in which the Board may grant Awards with a vesting period shorter than the Minimum Period. The paragraph headed “19. RIGHTS ON A CORPORATE TRANSACTION” in Appendix III to this circular further sets out circumstances in which the Board may in its discretion accelerate the vesting dates of Awards, which may result in a vesting period shorter than the Minimum Period.

The Board and the Remuneration Committee are of the view that (i) there are certain limited instances (for example in circumstances set out in the paragraphs headed “5. VESTING PERIOD” and “19. RIGHTS ON A CORPORATE TRANSACTION” in Appendix III to this circular) where a strict twelve (12)-month vesting requirement would not work or would not be fair to the holder(s) of the Awards; (ii) there is a need for the Company to retain flexibility to reward exceptional performers with accelerated vesting period or in exceptional circumstances where justified; and (iii) the Company should be allowed to formulate its own talent recruitment and retention strategies in response to changing market conditions and industry competition. It should have the flexibility to impose vesting conditions such as performance-based vesting conditions instead of time-based vesting criteria depending on individual circumstances.

## **LETTER FROM THE BOARD**

As such, the Board and the Remuneration Committee are of the view that the circumstances when vesting period is shorter than the Minimum Period prescribed in the paragraphs headed “5. VESTING PERIOD” and “19. RIGHTS ON A CORPORATE TRANSACTION” in Appendix III to this circular are appropriate, fair and reasonable and align with the purpose of the Share Scheme.

### **5.6 Exercise Price and Purchase Price and Exercise of Awards**

The basis of determination of the Exercise Price and the Purchase Price is set out in the paragraph headed “6. EXERCISE PRICE AND PURCHASE PRICE AND EXERCISE OF AWARDS” in Appendix III to this circular.

In determining the Exercise Price and Purchase Price, the Board may take into consideration matters including the market price of the Shares, the purpose of the grant of the Awards, the remuneration plans (for Employee Participants), the present contribution and expected contribution of the Eligible Participant to the profits of the Group, the general financial condition of the Group, the Group’s overall business objectives and future development plan, and any other matter which the Board considers relevant.

The Directors are of the view that such room for discretion on the Exercise Price and Purchase Price provides the Board with flexibility to stipulate, if necessary, a Purchase Price for Awarded Shares, while balancing the purpose of the Share Scheme and the interests of Shareholders.

### **5.7 Maximum number of Shares subject to the Share Scheme**

The total number of Shares which may be issued (including any transfer of treasury shares of the Company) in respect of all Awards which may be granted under the Share Scheme is set out in the paragraph headed “7. SCHEME LIMIT AND ADDITIONAL APPROVALS” in Appendix III to this circular.

As at the Latest Practicable Date, the number of issued Shares is 995,879,675 Shares and the Company has no treasury shares. Assuming that there will be no change in the number of issued Shares and the Company will not have any treasury shares between the Latest Practicable Date and the Adoption Date, the total number of Shares which may be issued upon exercise of all Awards to be granted under the Share Scheme together with all options and awards which may be granted under any other schemes for the time being of the Company would be 99,587,967 Shares, representing approximately 10% of the issued share capital of the Company (excluding treasury shares) on the date of approval of the Share Scheme.

## LETTER FROM THE BOARD

### 5.8 Performance targets and clawback mechanism

The Board may at its discretion specify any condition in the offer letter at the grant of the relevant Award, including condition(s) and/or performance target(s) that must be achieved before any of the Awards can be exercised, as well as the clawback mechanism, if applicable, for the Company to recover or withhold any Share Options or Share Awards granted to any Eligible Participants.

The Board (including the independent non-executive Directors) believes that this will provide the Board with more flexibility in setting out the terms and conditions of the Awards under particular circumstances of each grant and facilitate the Board to offer suitable incentives to attract and retain quality personnel that are valuable to the development of the Group. The Board (including the independent non-executive Directors) also considers that it may not always be appropriate to impose performance targets or prescribe a clawback mechanism particularly when the purpose of granting Awards is to motivate and incentivize employees, and it is impractical to expressly set out a generic set of performance targets in the Share Scheme, as each Grantee will play different roles and contribute in diverse ways to the Group.

Specifically, the Board may, at its discretion, require at the time of grant any particular Grantee to achieve such performance targets as the Board may then specify in the grant before any Awards granted under the Share Scheme to such Grantee can be exercised. If performance targets are imposed on a Grantee at the grant of the relevant Award, the Board will have regard to the purpose of the Share Scheme in assessing the reasonableness and suitability of such performance targets, with reference to factors including but not limited to, as and when appropriate:

- (a) sales performance (e.g. revenue) of the Group;
- (b) operating performance (e.g. operation efficiency) of the Group;
- (c) financial performance (e.g. profits, cash flow, earnings, market capitalization and return on equity) of the Group;
- (d) corporate sustainability parameters (e.g. accuracy and timeliness in handling customer complaints and feedback and adherence to corporate culture);
- (e) personal qualities (e.g. discipline, punctuality, integrity and compliance with internal procedures and controls) of the Grantee; and
- (f) individual performance (e.g. key performance indicator achievement) of the Grantee,

the satisfaction of which shall be assessed and determined by the Board at its discretion.

## LETTER FROM THE BOARD

Generally, the Company will also utilize its internal assessment system to appraise and evaluate whether the Eligible Participants will contribute to the long-term growth of the Group on a case-by-case basis. Specifically, the Eligible Participants' expected contribution will be considered with reference to factors including but not limited to their past contributions to the Group, the nature of job duties or services, position within or related to the Group and other features including geographical location, business strategy focus and corporate culture. Specific weightings will be given to the factors above in order to provide a fair and objective appraisal of the Eligible Participants before Awards will be granted, such that the grants will be on a fair and reasonable basis and in the interest of the Company and the Shareholders as a whole.

On the other hand, if a clawback mechanism is prescribed, at the Board's discretion, on a Grantee at the grant of the relevant Award, if the Grantee's employment has been terminated summarily, or if he or she has been convicted of any criminal offence involving his or her integrity or honesty, or has been involved in any wrongdoing that brings the Group into disrepute or causes damages to the Group (including but not limited to causing a material misstatement in the Company's financial statements), any outstanding Awards not yet vested and Awards vested but not exercised shall immediately lapse, unless the Board determines otherwise at its discretion.

### 5.9 Others

As at the Latest Practicable Date, the Company has no concrete plans or specific intention to grant Awards to the Eligible Participants under the Share Scheme immediately after its adoption.

The Company understands that the adoption of the Share Scheme would not constitute an offer to public and would not be subject to the prospectus requirements under the Companies (Winding Up and Miscellaneous Provisions) Ordinance (Chapter 32 of the Laws of Hong Kong).

None of the Directors is and will be trustee of the Share Scheme nor has a direct or indirect interest in the trustee.

The Company may issue new Shares and/or utilize treasury shares (if any) to satisfy grant(s) of the Award(s) under the Share Scheme.

The Company will, where applicable, comply with the applicable requirements under Chapter 17 of the Listing Rules in respect of the operation of the Share Scheme.

As at the Latest Practicable Date, save for the Existing Share Award Scheme and the Existing Share Option Scheme, which will expire on 2 May 2026 and 15 May 2026, respectively, the Company has no other share schemes to provide incentives to employees or other eligible participants.

## LETTER FROM THE BOARD

To the best knowledge, information and belief of the Directors, having made all reasonable enquiries, as at the Latest Practicable Date, no Shareholder had any material interest in the adoption of the Share Scheme. Accordingly, no Shareholder is required to abstain from voting on the resolution approving the adoption of the Share Scheme at the Annual General Meeting.

### 5.10 Application for Listing

Application will be made to the Listing Committee of the Stock Exchange for the approval of the listing of, and permission to deal in, the Shares which may fall to be issued and allotted in respect of all share options and share awards that may be granted pursuant to the Share Scheme.

### 5.11 Document on display

**OTHERS**

There is no other information relating to the above Directors that needs to be disclosed pursuant to Rule 13.51(2) sub-paragraphs (h) to (v) of the Listing Rules, and there is no other matter which needs to be brought to the attention of the Shareholders in relation to the above Directors.

This is an explanatory statement given to all Shareholders relating to a resolution to be proposed at the Annual General Meeting for approving the Share Buy-back Mandate. This explanatory statement contains all the information required pursuant to Rule 10.06(1)(b) and other relevant provisions of the Listing Rules which is set out as follows:

## **1. SHARE CAPITAL**

As at the Latest Practicable Date, the Company had 995,879,675 Shares in issue and the Company did not have any treasury shares.

Subject to the passing of the proposed ordinary resolution approving the Share Buy-back Mandate, and assuming that the Company has not issued or repurchased any Shares between the Latest Practicable Date and the date of the Annual General Meeting and the Company does not have any treasury shares, the Company would be allowed under the Share Buy-back Mandate to repurchase up to a maximum of 99,587,967 Shares, representing 10% of the total number of Shares in issue (excluding treasury shares) as at the date of the passing of the resolution to approve the Share Buy-back Mandate.

## **2. REASONS FOR REPURCHASES**

Repurchases of Shares will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders. When exercising the Share Buy-back Mandate, the Directors may, subject to market conditions and the Company's capital management needs at the relevant time of the buy-backs, resolve to cancel the Shares bought back following settlement of any such buy-back and/or hold them as treasury shares. Shares bought back for cancellation may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and its assets and/or its earnings per Share. On the other hand, Shares bought back and held by the Company as treasury shares may be resold on the market at market prices to raise funds for the Company, or transferred or used for other purposes, subject to compliance with the Listing Rules, the Articles of Association, and the laws of the Cayman Islands. Shareholders can be assured that the Directors would only make such share buy-back when they believe that such repurchases will benefit the Company and the Shareholders as a whole.

To the extent that any treasury shares are deposited with CCASS pending resale, the Company will adopt appropriate measures to ensure that it does not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those shares were registered in the Company's own name as treasury shares. These measures may include approval by the Board that (i) the Company will not (or will procure its broker not to) give any instructions to HKSCC to vote at general meetings for the treasury shares deposited with CCASS and (ii) in the case of dividends or distributions, the Company will withdraw the treasury shares from CCASS, and either re-register them in its own name as treasury shares or cancel them, in each case before the record date for the dividends or distributions.

### **3. FUNDING OF REPURCHASES**

Repurchases pursuant to the Share Buy-back Mandate would be financed entirely from the Company's available cash flow or working capital facilities. Any repurchase will be made out of funds of the Company legally available for such purpose in accordance with the applicable laws of the Cayman Islands and the memorandum and articles of association.

The working capital or gearing position of the Company may be affected in the event that the Share Buy-back Mandate is exercised in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Share Buy-back Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Group or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Group.

### **4. DISCLOSURE OF INTEREST**

None of the Directors, to the best of their knowledge having made all reasonable enquiries, nor any of their close associates, has any present intention to sell any Shares to the Company or its subsidiaries under the Share Buy-back Mandate if it is approved by the Shareholders.

No core connected persons of the Company have notified the Company that they have a present intention to sell any Shares to the Company or they have undertaken not to sell any of the Shares held by them to the Company in the event that the Company is authorized to exercise the Share Buy-back Mandate.

### **5. UNDERTAKING OF THE DIRECTORS**

The Directors, so far as the same may be applicable, will exercise the Share Buy-back Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

### **6. EFFECT OF THE TAKEOVERS CODE**

If as a result of a repurchase of Shares a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a shareholder, or group of shareholders acting in concert, depending on the level of increase of the shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeover Code.

As at the Latest Practicable Date, Mr. Ji Wei, an executive Director and chairman of the Company, is interested in 538,988,888 Shares, representing approximately 54.12% of the total number of Shares in issue. In the event that the Directors exercise the power to repurchase Shares in full pursuant to the Share Buy-back Mandate, (if the present shareholdings remain the same) the

shareholding of Mr. Ji Wei in the Company will be increased to approximately 60.14% of the issued share capital of the Company and such increase would not give rise to an obligation to make a mandatory general offer under Rule 26 of the Takeovers Code.

## 7. SHARE PRICES

- (5) grants of Awards with a mixed or accelerated vesting schedule such as where the Awards may vest evenly over a period of twelve (12) months; or

The Company will disclose the Purchase Price for Share Awards in the announcement on grant of the relevant Awards and in its annual and interim reports to the extent required under Chapter 17 of the Listing Rules.
- (c) Where an Award is to be granted under paragraph 8 or paragraph 9, for the purposes of sub-paragraph (a)(1) or sub-paragraph (a)(2) above, the date of the meeting of the Board (or its authorized committee for the administration of the Share Scheme) or the Remuneration Committee (as the case may be) at which the Offer was proposed shall be taken to be the Offer Date for the relevant Award, and the provisions as set above shall apply *mutatis mutandis*.
- (d) Subject to the terms of the Share Scheme and the fulfilment of all terms and conditions as set out in the Offer Letter, including the attainment of any performance targets stated therein (if any), an Award shall be exercisable in whole or in part by the Grantee (or, as the case may be, the Grantee's Personal Representative) giving notice in writing to the Company stating that the Award is thereby exercised and the number of Award Shares in respect of which it is so exercised.

- (e) Each of such notice must be accompanied by a remittance for the full amount of the Exercise Price or the Purchase Price (as applicable) for the Award Shares in respect of which the notice is given.
- (f) Within twenty-one (21) days (or such longer period if the Company in its sole discretion considers it appropriate due to applicable legal or regulatory restrictions) after receipt of the notice and the remittance and, where appropriate, receipt of the Auditors' or independent financial adviser's certificate, the Company shall, at its discretion, arrange for the Exercised Award Shares to be satisfied in the following methods:
  - (1) allot and issue (or transfer from the treasury shares) the relevant number of Shares to or to the order of the Grantee (or the Grantee's estate in the event of an exercise by the Grantee's Personal Representative or such other person as the Grantee may designate and notify to the Company or the Trustee (as applicable) in writing not less than 7 Business Days in advance) credited as fully paid and instruct the Share Registrar to issue to or to the order of the Grantee (or the Grantee's estate in the event of an exercise by the Grantee's Personal Representative or such designee, as applicable) a share certificate for the Shares so allotted and issued, and if applicable, subject to the Grantee having provided or procured to be provided to the Company and/or the Share Registrar the relevant documents as may be required by the Company and/or the Share Registrar, use its best commercial efforts to arrange for the Shares to be deposited into the Central Clearing and Settlement System of Hong Kong;
  - (2) arrange for the Exercised Award Shares to be transferred to or to the order of the Grantee (or the Grantee's estate in the event of an exercise by the Grantee's Personal Representative or such other person as the Grantee may designate and notify to the Company or the Trustee (as applicable) in writing not less than 7 Business Days in advance) credited as fully paid and issue to or to the order of the Grantee (or the Grantee's estate in the event of an exercise by the Grantee's Personal Representative or such designee, as applicable) a share certificate in respect of the Shares so transferred;
  - (3) pay to or to the order of the Grantee (or the Grantee's estate in the event of an exercise by the Grantee's Personal Representative or such other person as the Grantee may designate and notify to the Company or the Trustee (as applicable) in writing not less than 7 Business Days in advance) by remittance to the bank account designated and provided by or on behalf of the Grantee (or the Grantee's Personal Representative), the Actual Sale Proceeds from on-market sale of the Exercised Award Shares through the facilities of the Stock Exchange at prevailing market prices; and/or
  - (4) arrange for Exercised Award Shares to be issued or designated as vested shares held for the economic benefit of the Grantee (or the Grantee's estate in the event of an exercise by the Grantee's Personal Representative or such other person as the

Grantee may designate and notify to the Company or the Trustee (as applicable) in writing not less than 7 Business Days in advance), following which, the Grantee (or the Grantee's estate in the event of an exercise by the Grantee's Personal Representative or such designee, as applicable) shall be entitled to future dividends paid or payable on the Exercised Award Shares and the Grantee (or the Grantee's Personal Representative or such designee, as applicable) will have a one-time option to request the Company to cause payment to or to the order of the Grantee (or the Grantee's estate in the event of an exercise by the Grantee's Personal Representative or such designee, as applicable) by remittance to the bank account designated and provided by or on behalf of the Grantee, the Actual Sale Proceeds from on-market sale of the Exercised Award Shares through the facilities of the Stock Exchange at prevailing market prices.

## **7. SCHEME LIMIT AND ADDITIONAL APPROVALS**

### **The Scheme Mandate Limit**

- (1) The total number of Shares which may be issued (excluding any treasury shares) in respect of all Awards which may be granted at any time under the Share Scheme together with options and awards which may be granted under any other schemes of the Company shall not exceed such number of Shares as equals 10% of the Shares in issue (excluding treasury shares) as at the Adoption Date (the "**Scheme Mandate Limit**"). Awards lapsed in accordance with the terms of the Share Scheme (and other schemes of the Company) will not be regarded as utilised for the purpose of calculating the Scheme Mandate Limit. For the avoidance of doubt, Awards granted in accordance with the terms of the Share Scheme (and other similar schemes of the Company) the underlying Shares of which are existing Shares purchased by the Trustee(s) (or any other third party(ies) authorised by the Board) in the open market upon the instruction of the Board from time to time will not be regarded as utilised for the purpose of calculating the Scheme Mandate Limit.

### **Share consolidation or sub-division**

- (2) If the Company conducts a share consolidation or sub-division after the Scheme Mandate Limit has been approved in general meeting, the maximum number of Shares that may be issued in respect of all options and awards to be granted under all of the schemes of the Company under the Scheme Mandate Limit as a percentage of the total number of issued Shares at the date immediately before and after such consolidation or sub-division shall be the same, rounded to the nearest whole share.

### **Refreshment**

- (3) (a) The Company may seek approval of the Shareholders in a general meeting of the Company to refresh the Scheme Mandate Limit under the Share Scheme on or after the third (3rd) anniversary of the date of the Shareholders' approval for the last refreshment or the Adoption Date. The total number of Shares which may be issued

upon exercise of all (i) the Awards to be granted under the Share Scheme and (ii) the options and awards to be granted under any other schemes of the Company as “refreshed” must not exceed 10% of the Shares in issue (excluding treasury shares) as at the date of approval of the refreshment. For the purpose of seeking approval of the Shareholders under this paragraph (3), the Company must send a circular to the Shareholders containing the information required under the Listing Rules; and

- (b) any refreshment within any three (3)-year period shall be subject to independent Shareholders’ approval pursuant to Rule 17.03C(1)(b) and (c) of the Listing Rules.

**Grant in excess of the Scheme Mandate Limit**

- (4) The Company may seek separate approval of the Shareholders in a general meeting of the Company for granting Awards beyond the Scheme Mandate Limit provided that the Awards in excess of the Scheme Mandate Limit are granted only to Eligible Participants specifically identified by the Company before such approval is sought. For the purpose of seeking approval of the Shareholders under this paragraph (4), the Company must send a circular to the Shareholders containing the name of each of the specified Eligible Participants who may be granted such Awards, the number and terms of the Awards to be granted to each Eligible Participant, and the purpose of granting Awards to the specified Eligible Participants with an explanation as to how the terms of the Awards serve such purpose, and such other information as required under the Listing Rules. The number and terms (including the Exercise Price or the Purchase Price) of the Awards to be granted to such Eligible Participant must be fixed before the Shareholders’ approval. For the grant of Share Options, the date of Board meeting for proposing such grant should be taken as the date of grant for the purpose of calculating the Exercise Price.

**8. GRANT OF AWARDS TO A DIRECTOR, CHIEF EXECUTIVE OR SUBSTANTIAL SHAREHOLDER OF THE COMPANY OR ANY OF THEIR RESPECTIVE ASSOCIATES**

- (1) Any grant of an Award to any of the Director, chief executive of the Company or substantial shareholder, or any of their respective associates must be approved by the independent non-executive Directors (excluding any independent non-executive Director who or whose associate is the proposed Grantee of the Award).
- (2) (i) Where any grant of an Award to an independent non-executive Director or a substantial shareholder of the Company, or any of their respective associates, would result in the Shares issued and to be issued (including any transfer of treasury shares of the Company) in respect of all options and awards granted (excluding any options and awards lapsed in accordance with the terms of the relevant schemes) to such person in the twelve (12)-month period up to and including the date of such grant representing in aggregate over 0.1% of the Shares in issue (excluding treasury shares), or

- (ii) where any grant of Share Awards (i.e., excluding grant of Share Options) to any Director (other than an independent non-executive Director) or chief executive of the Company, or any of their respective associates, would result in the Shares issued and to be issued (including any transfer of treasury shares of the Company) in respect of all Share Awards granted (excluding any Share Awards lapsed in accordance with the terms of the relevant schemes) to such person in the 12-month period up to and including the date of such grant representing in aggregate over 0.1% of the Shares in issue (excluding treasury Shares) at the date of such grant,

such grant of Award must be approved by the Shareholders in a general meeting of the Company.

- (3) The Company must send a circular to the Shareholders. The circular must contain the information required under the Listing Rules.
- (4) The Grantee, his associates and all core connected persons of the Company must abstain from voting in favour of the proposed grant at such general meeting. Parties that are required to abstain from voting in favour of the proposed grant at the general meeting of the Company pursuant to the Listing Rules may vote against the resolution at the general meeting of the Company, provided that their intention to do so has been stated in the relevant circular to the Shareholders.
- (5) Any vote taken at the general meeting of the Company to approve the grant of such Award must be taken on a poll and comply with the requirements under the Listing Rules.
- (6) Any change in the terms of Awards granted to an Eligible Participant who is a director, chief executive or substantial shareholder of the Company, or any of their respective associates must be approved by the Shareholders in the manner as set out in Rule 17.04(4) of the Listing Rules if the initial grant of the Awards requires such approval (except where the changes take effect automatically under the existing terms of the Share Scheme).
- (7) Applications shall be made by the Company to the Listing Committee (as defined in the Listing Rules) for the listing of and the permission to deal in any Shares that may fall to be allotted and issued under the Share Scheme.

## **9. MAXIMUM ENTITLEMENT OF EACH ELIGIBLE PARTICIPANT**

Where any grant of an Award to an Eligible Participant would result in the Shares issued and to be issued (including any transfer of treasury shares of the Company) in respect of all options and awards granted to such Eligible Participant (excluding any options and awards lapsed in accordance with the terms of the relevant schemes) in the twelve (12)-month period up to and including the date of such grant representing in aggregate exceeding 1% of the Shares in issue (excluding

treasury shares), such grant must be separately approved by the Shareholders in a general meeting of the Company with such Eligible Participant and the person's close associates (or associates if the Eligible Participant is a connected person) abstaining from voting.

The Company must send a circular to the Shareholders and the circular must disclose the identity of the Eligible Participant, the number and terms of the Awards to be granted (and Awards previously granted to such Eligible Participant during the twelve (12)-month period), the purpose of granting the Awards to the Eligible Participant, an explanation as to how the terms of the Awards serve such purpose and such information as may be required by the Stock Exchange from time to time. The number and terms (including the Exercise Price or Purchase Price) of the Award to be granted to such Eligible Participant must be fixed before the Shareholders' approval. For the grant of Share Options, the date of the meeting of the Board for proposing such grant should be taken as the Offer Date for the purpose of calculating the Exercise Price.

#### **10. TIME OF EXERCISE OF OPTIONS**

Subject to the terms of the Share Scheme, a Share Option may be exercised in whole or in part at any time during the period stipulated in the Offer Letter, provided that such period shall not go beyond the day immediately prior to the tenth (10th) anniversary of the offer date with respect of the relevant Share Option.

#### **11. PERFORMANCE TARGET(S) AND CLAWBACK MECHANISM**

The Board may at its discretion determine and provide in the Offer Letter at the grant of the relevant Award any performance target(s) as the Board may then specify which must be achieved by the Grantee before any of the Awards can be exercised, as well as the clawback mechanism, if applicable, for the Company to recover or withhold any Share Options or Share Awards granted to any Eligible Participants.

Specifically, if performance targets are imposed on a Grantee at the grant of the relevant Award, the Board will have regard to the purpose of the Share Scheme in assessing the reasonableness and suitability of such performance targets, with reference to factors including but not limited to, as and when appropriate:

- (a) sales performance (e.g. revenue) of the Group;
- (b) operating performance (e.g. operation efficiency) of the Group;
- (c) financial performance (e.g. profits, cash flow, earnings, market capitalization and return on equity) of the Group;
- (d) corporate sustainability parameters (e.g. accuracy and timeliness in handling customer complaints and feedback and adherence to corporate culture); and
- (e) personal qualities (e.g. discipline, punctuality, integrity and compliance with internal procedures and controls) of the Grantee, and
- (f) individual performance (e.g. key performance indicator achievement) of the Grantee;

the satisfaction of which shall be assessed and determined by the Board at its discretion.

Generally, The Company will also utilize its internal assessment system to appraise and evaluate whether the Eligible Participants will contribute to the long-term growth of the Group on a case-by-case basis. Specifically, the Eligible Participants' expected contribution will be considered with reference to factors including but not limited to their past contributions to the Group, the nature of job duties or services, position within or related to the Group and other features including geographical location, business strategy focus and corporate culture. Specific weightings will be given to the factors above in order to provide a fair and objective appraisal of the Eligible Participants before Awards will be granted, such that the grants will be on a fair and reasonable basis and in the interest of the Company and the Shareholders as a whole.

On the other hand, if the clawback mechanism is prescribed, at the Board's discretion, on a Grantee at the grant of the relevant Award, in the event that:

- (a) a Grantee's employment has been terminated summarily;
- (b) a Grantee has been convicted of any criminal offence involving his or her integrity or honesty;
- (c) a Grantee has been involved in any wrongdoing that brings the Group into disrepute or causes damages to the Group (including but not limited to causing a material misstatement in the Company's financial statements); or

(d) the occurrence of other circumstances described in paragraph 14 or 17,

any outstanding Awards not yet vested shall immediately lapse, unless the Board determines otherwise at its discretion. If the Board exercises such discretion, it may give (but is not obliged to) the relevant Grantee written notice and the Board's interpretation of and determination shall be final, conclusive and binding.

For example, the Board may exercise its discretion in the event that the Grantee ceases to be an Eligible Participant by reason of the Grantee's retirement as an employee of the Group in accordance with the Grantee's contract of employment, or that the Grantee ceases to be an Eligible Participant by reason of the person's death before exercising the Award in full. Details of which are set out in paragraphs headed "14. RIGHTS ON CESSATION OF EMPLOYMENT OR DIRECTORSHIP" and "15. RIGHTS ON DEATH" below.

The Awards that are clawed back will lapse and will not be regarded as utilized for the purpose of calculating the Scheme Mandate Limit and may be used to grant to other Eligible Participants.

## **12. RESTRICTIONS ON THE TIME OF OFFER**

No Offer shall be made by the Board:

- (1) after inside information (having the meaning as defined in the SFO) has come to its knowledge until (and including) the Business Day after such inside information has been announced by the Company pursuant to the requirements of the Listing Rules;
- (2) during the period commencing thirty (30) days immediately before the earlier of:
  - (i) the date of the Board meeting (as such date is first notified to the Stock Exchange under the Listing Rules) for approving the Company's results for any year, half-year, quarterly or any other interim period (whether or not required under the Listing Rules); and
  - (ii) the deadline for the Company to publish its results for any year or half-year under the Listing Rules, or quarterly or any other interim period (whether or not required under the Listing Rules),  
and ending on the date of the results announcement (or during any period of delay in publishing the results announcement); and
- (3) at a time when the relevant Eligible Participant would be prohibited from dealing in the Shares by the Listing Rules (including the Model Code for Securities Transactions by Directors of Listed Issuers, set out in Appendix C3 to the Listing Rules).

### **13. RIGHTS ARE PERSONAL TO GRANTEES**

Subject to the rules in the Share Scheme, an Award shall be personal to the Grantee and shall not be assignable or transferable and no Grantee shall in any way sell, transfer, charge, mortgage, encumber or create any interest whatsoever in favour of any third party over or in relation to any Award or enter into any agreement so to do. Any breach of the foregoing by a Grantee shall entitle the Company to cancel any Award or any part thereof granted to such Grantee to the extent the underlying Award Shares of which have not already been vested. For this purpose, a determination by the Board to the effect that a breach of this paragraph has occurred shall be final and conclusive.

Subject to obtaining an appropriate waiver from the Stock Exchange, an Award may be transferred to a vehicle (such as trust or private company) for the benefit of the Grantee and/or any family members of such Grantee that would continue to meet the purpose of the Share Scheme and comply with the requirements of the Listing Rules.

### **14. RIGHTS ON CESSATION OF EMPLOYMENT OR DIRECTORSHIP**

In the event that the Grantee ceases to be an Eligible Participant by reason of termination of his employment or directorship with any member of the Group on any one or more of the following grounds:

- (a) that the Grantee has committed any serious misconduct;
- (b) that the Grantee has been convicted of any criminal offence involving the person's integrity or honesty or in relation to any member of the Group (if so determined by the Board);
- (c) that the Grantee has become insolvent, bankrupt or has made arrangements or compositions with the Grantee's creditors generally;
- (d) that there has been a breach of contract entered into between the Grantee and any member of the Group; or
- (e) on any other ground as determined by the Board that would warrant the termination of the Grantee's employment at common law or pursuant to any applicable laws or under the Grantee's service contract with any member of the Group,

the Grantee's Award (to the extent not yet vested) shall immediately lapse unless the Board determines otherwise at its discretion.

In the event that the Grantee ceases to be an Eligible Participant by reason of the Grantee's retirement as an employee of the Group in accordance with the Grantee's contract of employment (evidenced to the satisfaction of the Board), in each case provided that none of the events which would be a ground for termination of the Grantee's employment or directorship set out in the paragraph above arises, before exercising the Award in full, the Grantee may exercise the Award

(to the extent not already exercised) in whole or in part within twelve (12) months following the date of such retirement, or such longer period as the Board may determine, after which any such Awards (to the extent not vested during such period) shall lapse.

In the event that the Grantee ceases to be an Eligible Participant by reason of the termination of the Grantee's employment or directorship with the Group or any Related Entity, on grounds other than those set out in paragraph 15 or paragraph 16, any Award not yet vested shall immediately lapse, unless the Board determines otherwise at its discretion.

#### **15. RIGHTS ON DEATH**

In the event that the Grantee ceases to be an Eligible Participant by reason of the person's death before exercising the Award in full (and if the Grantee is an Employee Participant, provided that none of the events which would be a ground for termination of the Grantee's employment or directorship under paragraph 14 above arises, or if the Grantee is a Related Entity Participant, provided that none of the events which would be a ground for termination of the Grantee's employment or directorship under paragraph 17 arises):

- (a) in the case of Share Options, the Grantee's Personal Representative may exercise the Share Options (to the extent not already exercised) in whole or in part in accordance with the provisions of paragraph 6 within one hundred and eighty (180) days following the date of death, or such longer period as the Board may determine, and any Share Options not exercised shall lapse at the end of the abovementioned period;
- (b) in the case of Share Awards, any outstanding Share Awards not yet vested shall immediately lapse, and the Company shall negotiate with the administrator of the Grantee's estate within twenty-four (24) months after the Grantee's death on the alternative compensation for the Grantee's estate for the relevant Share Awards that have lapsed in accordance with this paragraph. Any such alternative compensation shall be determined by the Company at its sole and absolute discretion, which shall be final and binding. Notwithstanding the foregoing, if the Company determines at its sole and absolute discretion that the Share Awards will continue to be vested in the Grantee's estate, the Company shall deliver (i) such number of Award Shares or (ii) such amount which is equal to the Actual Sale Proceeds less any Purchase Price (as applicable) (hereinafter referred to as "**Benefits**") of such Share Awards at its discretion to the Grantee's estate within twenty-four (24) months following the date of death, or such other period as the Board may determine, or if the Benefits would otherwise become bona vacantia, the Benefits shall be forfeited and cease to be transferable and such Benefits shall lapse.

## **16. RIGHTS ON INJURY, DISABILITY OR ILL-HEALTH, RETIREMENT OR TERMINATION OF EMPLOYMENT OR DIRECTORSHIP**

In the event that the Grantee ceases to be an Eligible Participant by reason of (i) injury, disability or ill-health inflicted upon the Grantee in the course of his performance of duty as employee or director of any member of the Group or any Related Entity (evidenced to the satisfaction of the Board), or (ii) the Grantee's retirement as an employee of the Group or any Related Entity in accordance with the Grantee's contract of employment (evidenced to the satisfaction of the Board), in each case provided that if the Grantee is an Employee Participant, none of the events which would be a ground for termination of the Grantee's employment or directorship under paragraph 14 above arises, or if the Grantee is a Related Entity Participant, provided that none of the events which would be a ground for termination of the Grantee's employment or directorship under paragraph 17 arises, before exercising the Award in full, the Grantee may exercise the Award (to the extent not already exercised) in whole or in part in accordance with the terms of the Share Scheme within twelve (12) months following the date of such injury, disability, ill-health or retirement, or such longer period as the Board may determine, after which any such Awards (to the extent not vested during such period) shall lapse.

## **17. RELATED ENTITY PARTICIPANTS**

In the event that the Grantee who is a Related Entity Participant ceases to be an Eligible Participant by reason of any one or more of the following grounds:

- (a) in the case of the Grantee who is a Related Entity Participant, that he/she ceases to be associated with the Related Entity as a result of resignation, termination, dismissal or retirement;
- (b) that there has been a breach of contract entered into between the Grantee and any member of the Group or any Related Entity;
- (c) that the Grantee's engagement or appointment has been terminated in the sole and absolute opinion of the Board;
- (d) that the Board, in its sole and absolute opinion, believes that the Grantee is no longer contributing to the development or success of the Group, or has become a competitor of any member of the Group;
- (e) that the Grantee has become bankrupt or insolvent or made any arrangement or composition with his/her creditors generally;
- (f) that the Grantee has committed any serious misconduct;
- (g) that the Grantee has been convicted of any criminal offence (other than an offence which, in the sole and absolute opinion of the Board, does not bring the Grantee or any member the Group into disrepute);

- (h) the entity of which the relevant Grantee is a director or employee (whether full-time, part-time or other employment arrangement) ceases to be a Related Entity; or
- (i) on any other ground as determined by the Board that would warrant the termination of the Grantee's engagement or appointment in the sole and absolute opinion of the Board,

the Award (to the extent vested but not already exercised) shall lapse and shall not be exercisable on the date of the Board's determination.

#### **18. RIGHTS ON CESSATION FOR OTHER REASONS**

In the event that the Grantee ceases to be an Eligible Participant for any reason other than the reasons specified in paragraph 14 to paragraph 16 above, the Grantee's Award (to the extent not yet vested) shall immediately lapse provided that in each case, the Board may, in its absolute discretion, decide that such Award or any part thereof shall not so lapse or determine such conditions or limitations to which the exercise of such Award will be subject to.

#### **19. RIGHTS ON A CORPORATE TRANSACTION**

- (a) If there is an event of change in control of the Company as the result of a merger, scheme of arrangement or general offer, or in the event of a dissolution or liquidation of the Company, the Board shall at its sole discretion determine whether the vesting dates of any Awards to Employee Participants will be accelerated and/or determine such conditions or limitations to which the vesting of such Award will be subject.
- (b) For the purpose of paragraph 19(a), "control" shall have the meaning as specified in the Takeovers Code.

#### **20. CANCELLATION OF AWARDS**

Subject to the terms of the Share Scheme, the Board may, with the consent of the relevant Grantee, cancel any Award granted but the underlying Award Shares of which have not yet been vested, on such terms and conditions as the Board may in its absolute discretion see fit and in a manner that complies with all applicable legal requirements for such cancellation.

Where the Company cancels any outstanding Awards and makes a new grant to the same Grantee, such new grant may only be made under the Share Scheme with the available limit approved by the Shareholders as set out in paragraph 7 above. The Awards cancelled will be regarded as utilised for the purpose of calculating the Scheme Mandate Limit.

#### **21. EFFECT OF ALTERATIONS TO SHARE CAPITAL**

In the event of any alteration in the capital structure of the Company whilst any Award remains exercisable or the Share Scheme remains in effect, and such event arises from a capitalisation issue, rights issue, sub-division or consolidation or reduction of the share capital of the Company (other than an issue of Shares as consideration in respect of a transaction), then, in

respect of any such adjustments (other than any made on a capitalisation issue) the Company shall instruct the Auditors or independent financial adviser to certify in writing to the Board the adjustment, if any, that ought in their opinion fairly and reasonably to be made either generally or as regards any particular Grantee, to:

- (1) the number or nominal amount of Shares to which the Share Scheme or any Awards relates (insofar as it is/they are unexercised); and/or
- (2) the Exercise Price or Purchase Price of any unexercised Award,  
and an adjustment as so certified by the Auditors or the independent financial adviser shall be made, provided that:
  - (a) no such adjustment shall be made the effect of which would be to enable a Share to be issued at less than its nominal value;
  - (b) any such adjustment shall be made on the basis that a Grantee shall be given the same proportion of the issued share capital of the Company for which such Grantee would have been entitled to subscribe or purchase had the person exercised all the Awards held by him immediately prior to such event (as interpreted in accordance with FAQ13–No. 16 (the “**FAQ**”) and the related Appendix 1 entitled “Supplementary Guidance on MB Rule 17.03(13)/GEM Rule 23.03(13) and the Note to the Rule” published by the Stock Exchange (the “**Supplemental Guidance**”) or any further or updated guidance or interpretation of the Listing Rules issued by the Stock Exchange from time to time);
  - (c) the issue of securities of the Company for cash or as consideration in a transaction shall not be regarded as a circumstance requiring any such adjustment; and
  - (d) in respect of any such adjustments, the Auditors or the independent financial adviser must confirm to the Board in writing that the adjustments satisfy the requirements set out in the above, the requirements of Rule 17.03(13) of the Listing Rules, the FAQ, any relevant provisions of the Listing Rules and any guidance/interpretation of the Listing Rules issued by the Stock Exchange and the note thereto from time to time.

Subject to the above principles and certification procedures and any further or updated guidance or interpretation of the Listing Rules issued by the Stock Exchange from time to time, the default method of adjustment is set out below:

- (1) In the case of a capitalisation issue or rights issue, the Company would calculate the adjusted number of Awards and adjusted exercise price by applying the formula prescribed (and as updated from time to time) by the Stock Exchange in section I entitled

“Capitalisation or Bonus Issue and Rights Issue or Open Offer of Shares” of the Supplemental Guidance published by the Stock Exchange, set out below:

$$\text{New number of Awards} = \text{Existing Awards} \times F$$

$$\text{New Exercise Price} = \text{Existing Exercise Price} \times \frac{1}{F}$$

Where:

$$F = \frac{\text{CUM}}{\text{TEEP}}$$

CUM = Closing price as shown in the daily quotation sheet of the Stock Exchange on the last day of trading before going ex-entitlement

$$\text{TEEP (Theoretical ex entitlement price)} = \frac{\text{CUM} + [M \times R]}{1 + M}$$

M = Entitlement per existing Share

R = Subscription price

- (2) In the case of a consolidation or subdivision of share capital, the Company would calculate the adjusted number of Awards and exercise price by applying the formula prescribed (and as updated from time to time) by the Stock Exchange in section II entitled “Subdivision or Consolidation of Shares” of the Supplemental Guidance, set out below:

$$\text{New number of Awards} = \text{Existing Awards} \times F$$

$$\text{New Exercise Price} = \text{Existing Exercise Price} \times \frac{1}{F}$$

Where F = Subdivision or consolidation factor

Any dispute arising in connection with the number of Shares of an Award and any of the matters referred to this section shall be referred to the decision of the Auditors or the independent financial advisers of the Company who shall act as experts and not as arbitrators and whose decision, in the absence of manifest error, shall be final, conclusive and binding on all persons who may be affected thereby.

## **22. RANKING OF SHARES**

Awards do not carry any right to vote at any general meeting of the Company, nor any right to dividends, transfer or other rights, including those arising on the liquidation of the Company. No Grantee shall enjoy any of the rights of a Shareholder by virtue of the grant of an Award unless and until the Shares underlying an Award are issued and delivered to the Grantee pursuant to the vesting and exercise of such Award.

Shares allotted and issued upon the exercise of an Award will be subject to all the provisions of the Articles and will rank *pari passu* in all respects with the other existing Shares in issue on the date of allotment and issue of the relevant Shares (the “**Allotment Date**”) other than any dividend or other distribution previously declared or recommended or resolved to be paid or made if the record date therefor shall be before the Allotment Date. The Shares allotted and issued upon the exercise of an Award shall not carry any right of a Shareholder (including voting rights) until registration of the Grantee as the holder thereof on the register of members of the Company.

### **23. GRANT OF ADDITIONAL SHARES OR CASH AWARD**

For the grant of Share Awards to the Employee Participants, the Board may at its discretion, with or without further conditions, grant additional Shares or cash award out of the trust fund representing all or part of the income or distributions (including but not limited to cash income or dividends, cash income or net proceeds of sale of non-cash and non-scrip distribution, bonus Shares and scrip dividends) declared by the Company or derived from such Share Awards during the period from the date of award to the vesting date to an Employee Participant upon the vesting of any Share Awards. In such case, the Board shall deliver a notice to the Employee Participant and the Trustee specifying the number of additional Shares and cash amount to be granted to the Employee Participant. The Trustee shall transfer the specified number of additional Shares and the cash award, together with the Share Awards, to the Employee Participant as soon as practicable on or after the vesting date and in any event not later than 10 Business Days after the vesting date.

For the avoidance of doubt, the grant of additional Shares will be regarded as utilisation of the Scheme Mandate Limit.

### **24. DURATION OF THE SHARE SCHEME**

The Share Scheme shall be valid and effective for the period commencing on the Adoption Date and expiring on the Termination Date, after which period no further Awards will be granted but the provisions of the Share Scheme shall remain in force to the extent necessary to give effect to the exercise of any Awards granted on or prior to the Termination Date or otherwise as may be required in accordance with the provisions of the Share Scheme.

### **25. ALTERATIONS TO THE TERMS OF THE SHARE SCHEME**

The Share Scheme may be altered in any respect by a resolution of the Board provided that:

- (a) any alteration to the terms and conditions of the Share Scheme which is of a material nature or any alteration in relation to any matter contained in Rule 17.03 of the Listing Rules to the advantage of the Eligible Participants must be approved by the Shareholders in a general meeting of the Company;

(20%) per annum) as the Board may determine, but the Board may in its absolute discretion waive payment of such interest wholly or in part.
29. No Member shall be entitled to receive any dividend or bonus or to be present and vote (save as proxy for another Member) at any general meeting either personally or by proxy, or be reckoned in a quorum, or exercise any other privilege as a Member until all calls or instalments due by him to the Company, whether alone or jointly with any other person, together with interest and expenses (if any) shall have been paid.
30. On the trial or hearing of any action or other proceedings for the recovery of any money due for any call, it shall be sufficient to prove that the name of the Member sued is entered in the Register as the holder, or one of the holders, of the shares in respect of which such debt accrued, that the resolution making the call is duly recorded in the minute book, and that notice of such call was duly given to the Member sued, in pursuance of these Articles; and it shall not be necessary to prove the appointment of the Directors who made such call, nor any other matters whatsoever, but the proof of the matters aforesaid shall be conclusive evidence of the debt.

31. Any amount payable in respect of a share upon allotment or at any fixed date, whether in respect of nominal value or premium or as an instalment of a call, shall be deemed to be a call duly made and payable on the date fixed for payment and if it is not paid the provisions of these Articles shall apply as if that amount had become due and payable by virtue of a call duly made and notified.
32. On the issue of shares the Board may differentiate between the allottees or holders as to the amount of calls to be paid and the times of payment.
33. The Board may, if it thinks fit, receive from any Member willing to advance the same, and either in money or money's worth, all or any part of the moneys uncalled and unpaid or instalments payable upon any shares held by him and upon all or any of the moneys so advanced (until the same would, but for such advance, become presently payable) pay interest at such rate (if any) as the Board may decide. The Board may at any time repay the amount so advanced upon giving to such Member not less than one (1) month's Notice of its intention in that behalf, unless before the expiration of such notice the amount so advanced shall have been called up on the shares in respect of which it was advanced. Such payment in advance shall not entitle the holder of such share or shares to participate in respect thereof in a dividend subsequently declared.

**FORFEITURE OF SHARES**

34. (1) If a call remains unpaid after it has become due and payable the Board may give to the person from whom it is due not less than fourteen (14) clear days' Notice:
  - (a) requiring payment of the amount unpaid together with any interest which may have accrued and which may still accrue up to the date of actual payment; and
  - (b) stating that if the Notice is not complied with the shares on which the call was made will be liable to be forfeited.
- (2) If the requirements of any such Notice are not complied with, any share in respect of which such Notice has been given may at any time thereafter, before payment of all calls and interest due in respect thereof has been made, be forfeited by a resolution of the Board to that effect, and such forfeiture shall include all dividends and bonuses declared in respect of the forfeited share but not actually paid before the forfeiture.
35. When any share has been forfeited, Notice of the forfeiture shall be served upon the person who was before forfeiture the holder of the share. No forfeiture shall be invalidated by any omission or neglect to give such Notice.
36. The Board may accept the surrender of any share liable to be forfeited hereunder and, in such case, references in these Articles to forfeiture will include surrender.

37. Any share so forfeited shall be deemed the property of the Company and may be sold, re-allotted or otherwise disposed of to such person, upon such terms and in such manner as the Board determines, and at any time before a sale, re-allotment or disposition the forfeiture may be annulled by the Board on such terms as the Board determines.
38. A person whose shares have been forfeited shall cease to be a Member in respect of the forfeited shares but nevertheless shall remain liable to pay the Company all moneys which at the date of forfeiture were presently payable by him to the Company in respect of the shares, with (if the Directors shall in their discretion so require) interest thereon from the date of forfeiture until payment at such rate (not exceeding twenty per cent. (20%) per annum) as the Board determines. The Board may enforce payment thereof if it thinks fit, and without any deduction or allowance for the value of the forfeited shares, at the date of forfeiture, but his liability shall cease if and when the Company shall have received payment in full of all such moneys in respect of the shares. For the purposes of this Article any sum which, by the terms of issue of a share, is payable thereon at a fixed time which is subsequent to the date of forfeiture, whether on account of the nominal value of the share or by way of premium, shall notwithstanding that time has not yet arrived be deemed to be payable at the date of forfeiture, and the same shall become due and payable immediately upon the forfeiture, but interest thereon shall only be payable in respect of any period between the said fixed time and the date of actual payment.
39. A declaration by a Director or the Secretary that a share has been forfeited on a specified date shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share, and such declaration shall (subject to the execution of an instrument of transfer by the Company if necessary) constitute a good title to the share, and the person to whom the share is disposed of shall be registered as the holder of the share and shall not be bound to see to the application of the consideration (if any), nor shall his title to the share be affected by any irregularity in or invalidity of the proceedings in reference to the forfeiture, sale or disposal of the share. When any share shall have been forfeited, notice of the declaration shall be given to the Member in whose name it stood immediately prior to the forfeiture, and an entry of the forfeiture, with the date thereof, shall forthwith be made in the register, but no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice or make any such entry.
40. Notwithstanding any such forfeiture as aforesaid the Board may at any time, before any shares so forfeited shall have been sold, re-allotted or otherwise disposed of, permit the shares forfeited to be bought back upon the terms of payment of all calls and interest due upon and expenses incurred in respect of the share, and upon such further terms (if any) as it thinks fit.
41. The forfeiture of a share shall not prejudice the right of the Company to any call already made or instalment payable thereon.

42. The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

REGISTER OF MEMBERS

43. (1) The Company shall keep in one or more books a Register of its Members and shall enter therein the following particulars, that is to say:
- (a) the name and address of each Member, the number and class of shares held by him and the amount paid or agreed to be considered as paid on such shares;
  - (b) the date on which each person was entered in the Register; and
  - (c) the date on which any person ceased to be a Member.
- (2) The Company may keep an overseas or local or other branch register of Members resident in any place, and the Board may make and vary such regulations as it determines in respect of the keeping of any such register and maintaining a Registration Office in connection therewith.
- (3) The Register may be maintained in electronic form and may reflect holdings in both certificated and Uncertificated form provided that it must be readily retrievable and capable of being printed or exported. The Company may integrate the Register with any Electronic System.
44. The Register ~~and branch register of Members, as the case may be,~~ shall be open to inspection for at least two (2) hours during business hours by Members and holders of Prescribed Securities (as defined in the USM Rules) without charge or by any other person, upon a maximum payment of \$2.50 or such lesser sum specified by the Board, at the Office or such other place at which the Register is kept in accordance with the Act or, if appropriate, upon a maximum payment of \$1.00 or such lesser sum specified by the Board at the Registration Office. The Register including any overseas or local or other branch register of Members may, after notice has been given by advertisement in ~~an appointed newspaper or any other~~ any newspapers in accordance with the requirements of any Designated Stock Exchange or by any electronic means in such manner as may be accepted by the Designated Stock Exchange to that effect, be closed at such times or for such periods not exceeding in the whole thirty (30) days in each year as the Board may determine and either generally or in respect of any class of shares. The period of thirty (30) days may be extended for a further period or periods not exceeding thirty (30) days in respect of any year if approved by the Members by ordinary resolution.

RECORD DATES

45. Subject to the Listing Rules, notwithstanding any other provision of these Articles, the Company or the Directors may fix any date as the record date for:
- (a) determining the Members entitled to receive any dividend, distribution, allotment or issue;
  - (b) determining the Members entitled to receive Notice of and to vote at any general meeting of the Company.

TRANSFER OF SHARES

46. (1) Subject to these Articles, any Member may transfer all or any of his shares by an instrument of transfer in the usual or common form or in a form prescribed by the Designated Stock Exchange or in any other form approved by the Board and may be under hand or, if the transferor or transferee is a clearing house or its nominee(s), by hand or by machine imprinted signature or by such other manner of execution as the Board may approve from time to time.
- (2) Notwithstanding the provisions of subparagraph (1) above, for so long as any shares are listed on the Designated Stock Exchange, titles to such listed shares may be evidenced and transferred in accordance with the laws applicable to and the Listing Rules that are or shall be applicable to such listed shares. The register of members of the Company in respect of its listed shares (whether the Register or a branch register) may be kept by recording the particulars required by Section 40 of the Act in a form otherwise than legible if such recording otherwise complies with the laws applicable to and the Listing Rules that are or shall be applicable to such listed shares.
47. ~~The~~ Subject to the Act and all applicable laws and regulations, including the Securities and Futures Ordinance and USM Rules, transfers of shares may be effected in Uncertificated form through the Electronic System, including the UNSRT System, the Central Clearing and Settlement System, or any other system approved by the Designated Stock Exchange or the SFC, without the need for a written instrument of transfer in accordance with the rules and procedures of the Electronic System. The Company shall not be responsible for any delay or failure in the Electronic System unless caused by its own default. For certificated shares, the instrument of transfer shall be executed by or on behalf of the transferor and the transferee provided that the Board may dispense with the execution of the instrument of transfer by the transferee in any case which it thinks fit in its discretion to do so. Without prejudice to the last preceding Article, the Board may also resolve, either generally or in any particular case, upon request by either the transferor or transferee, to accept mechanically executed transfers. The transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register in respect thereof. Nothing in these Articles shall preclude the Board from recognising a renunciation of the allotment or provisional allotment of any share by the allottee in favour of some other person.

48. (1) The Board may, in its absolute discretion, and without giving any reason therefor, refuse to register a transfer of any share (not being a fully paid up share) to a person of whom it does not approve, or any share issued under any share incentive scheme for employees upon which a restriction on transfer imposed thereby still subsists, and it may also, without prejudice to the foregoing generality, refuse to register a transfer of any share to more than four (4) joint holders or a transfer of any share (not being a fully paid up share) on which the Company has a lien.
- (2) No transfer shall be made to an infant or to a person of unsound mind or under other legal disability.
- (3) The Board in so far as permitted by any applicable law may, in its absolute discretion, at any time and from time to time transfer any share upon the Register to any branch register or any share on any branch register to the Register or any other branch register. In the event of any such transfer, the shareholder requesting such transfer shall bear the cost of effecting the transfer unless the Board otherwise determines.
- (4) Unless the Board otherwise agrees (which agreement may be on such terms and subject to such conditions as the Board in its absolute discretion may from time to time determine, and which agreement the Board shall, without giving any reason therefor, be entitled in its absolute discretion to give or withhold), no shares upon the Register shall be transferred to any branch register nor shall shares on any branch register be transferred to the Register or any other branch register and all transfers and other documents of title shall be lodged for registration, and registered, in the case of any shares on a branch register, at the relevant Registration Office, and, in the case of any shares on the Register, at the Office or such other place at which the Register is kept in accordance with the Act.
49. Without limiting the generality of the last preceding Article, the Board may decline to recognise any instrument of transfer unless:
- (a) a fee of such maximum sum as the Designated Stock Exchange may determine to be payable or such lesser sum as the Board may from time to time require is paid to the Company in respect thereof;
- (b) if applicable, the instrument of transfer is in respect of only one class of share;
- (c) for certificated shares, the instrument of transfer is lodged at the Office or such other place at which the Register is kept in accordance with the Act or the Registration Office (as the case may be) accompanied by the relevant share certificate(s) and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer (and, if the instrument of transfer is executed by some other person on his behalf, the authority of that person so to do); and
- (d) if applicable, the instrument of transfer is duly and properly stamped.

50. If the Board refuses to register a transfer of any share, it shall, within two (2) months after the date on which the transfer was lodged with the Company, send to each of the transferor and transferee notice of the refusal.
51. The registration of transfers of shares or of any class of shares may, after notice has been given by announcement or by electronic communication or by advertisement in any newspapers or by any other means in accordance with the requirements of any Designated Stock Exchange to that effect be suspended at such times and for such periods (not exceeding in the whole thirty (30) days in any year) as the Board may determine. The period of thirty (30) days may be extended for a further period or periods not exceeding thirty (30) days in respect of any year if approved by the Members by ordinary resolution.

TRANSMISSION OF SHARES

52. If a Member dies, the survivor or survivors where the deceased was a joint holder, and his legal personal representatives where he was a sole or only surviving holder, will be the only persons recognised by the Company as having any title to his interest in the shares; but nothing in this Article will release the estate of a deceased Member (whether sole or joint) from any liability in respect of any share which had been solely or jointly held by him.
53. Any person becoming entitled to a share in consequence of the death or bankruptcy or winding-up of a Member may, upon such evidence as to his title being produced as may be required by the Board, elect either to become the holder of the share or to have some person nominated by him registered as the transferee thereof. If he elects to become the holder he shall notify the Company in writing either at the Registration Office or Office, as the case may be, to that effect. If he elects to have another person registered he shall execute a transfer of the share in favour of that person. The provisions of these Articles relating to the transfer and registration of transfers of shares shall apply to such notice or transfer as aforesaid as if the death or bankruptcy of the Member had not occurred and the notice or transfer were a transfer signed by such Member.
54. A person becoming entitled to a share by reason of the death or bankruptcy or winding-up of a Member shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share. However, the Board may, if it thinks fit, withhold the payment of any dividend payable or other advantages in respect of such share until such person shall become the registered holder of the share or shall have effectually transferred such share, but, subject to the requirements of Article 72(2) being met, such a person may vote at meetings.

UNTRACEABLE MEMBERS

55. (1) Without prejudice to the rights of the Company under paragraph (2) of this Article, the Company may cease sending cheques for dividend entitlements or dividend warrants by post if such cheques or warrants have been left uncashed on two consecutive occasions.

However, the Company may exercise the power to cease sending cheques for dividend entitlements or dividend warrants after the first occasion on which such a cheque or warrant is returned undelivered.

- (2) The Company shall have the power to sell, in such manner as the Board thinks fit, any shares of a Member who is untraceable, but no such sale shall be made unless:
- (a) all cheques or warrants in respect of dividends of the shares in question, being not less than three in total number, for any sum payable in cash to the holder of such shares in respect of them sent during the relevant period in the manner authorised by the Articles have remained uncashed;
  - (b) so far as it is aware at the end of the relevant period, the Company has not at any time during the relevant period received any indication of the existence of the Member who is the holder of such shares or of a person entitled to such shares by death, bankruptcy or operation of law; and
  - (c) the Company, if so required by the Listing Rules, has given notice of its intention to sell such shares to, and caused advertisement both in daily newspaper and in a newspaper circulating in the area of the last known address of such Member or any person entitled to the share under Article 54 and where applicable, in each case in accordance with the requirements of, the Designated Stock Exchange, and a period of three (3) months or such shorter period as may be allowed by the Designated Stock Exchange has elapsed since the date of such advertisement.

For the purpose of the foregoing, the “relevant period” means the period commencing twelve (12) years before the date of publication of the advertisement referred to in paragraph (c) of this Article and ending at the expiry of the period referred to in that paragraph.

- (3) To give effect to any such sale the Board may authorise some person to transfer the said shares and an instrument of transfer signed or otherwise executed by or on behalf of such person shall be as effective as if it had been executed by the registered holder or the person entitled by transmission to such shares, and the purchaser shall not be bound to see to the application of the purchase money nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale. The net proceeds of the sale will belong to the Company and upon receipt by the Company of such net proceeds it shall become indebted to the former Member for an amount equal to such net proceeds. No trust shall be created in respect of such debt and no interest shall be payable in respect of it and the Company shall not be required to account for any money earned from the net proceeds which may be employed in the business of the Company or as it thinks fit. Any sale under this Article shall be valid and effective notwithstanding that the Member holding the shares sold is dead, bankrupt or otherwise under any legal disability or incapacity.

GENERAL MEETINGS

56. An annual general meeting of the Company shall be held ~~in~~for each financial year other than the financial year of the Company's adoption of these Articles and such annual general meeting must be held within six (6) months after the end of the Company's financial year (unless a longer period would not infringe the Listing Rules, if any).
57. Each general meeting, other than an annual general meeting, shall be called an extraordinary general meeting. All general meetings (including an annual general meeting, extraordinary general meeting, any adjourned meeting or postponed meeting) may be held as a physical meeting in any part of the world and at one or more locations as provided in Article 64A, as a hybrid meeting or as an electronic meeting, as may be determined by the Board in its absolute discretion.
58. The Board may whenever it thinks fit call extraordinary general meetings. Any one or more Member(s) holding at the date of deposit of the requisition not less than one-tenth of the paid up capital of the Company (excluding treasury shares) carrying the right of voting at general meetings of the Company, on a one vote per share basis, shall at all times have the right, by written requisition to the Board or the Secretary of the Company, to require an extraordinary general meeting to be called by the Board for the transaction of any business or resolution specified in such requisition; and such meeting shall be held within two (2) months after the deposit of such requisition. If within twenty-one (21) days of such deposit the Board fails to proceed to convene such meeting the requisitionist(s) himself (themselves) may convene a physical meeting at only one location which will be the Principal Meeting Place, and all reasonable expenses incurred by the requisitionist(s) as a result of the failure of the Board shall be reimbursed to the requisitionist(s) by the Company.

NOTICE OF GENERAL MEETINGS

59. (1) An annual general meeting must be called by Notice of not less than twenty-one (21) clear days. All other general meetings (including an extraordinary general meeting) must be called by Notice of not less than fourteen (14) clear days but if permitted by the Listing Rules, a general meeting may be called by shorter notice, subject to the Act, if it is so agreed:
- (a) in the case of a meeting called as an annual general meeting, by all the Members entitled to attend and vote thereat; and
  - (b) in the case of any other meeting, by a majority in number of the Members having the right to attend and vote at the meeting, being a majority together representing not less than ninety-five per cent. (95%) of the total voting rights at the meeting of all the Members.

(2) The Notice shall specify (a) the time and date of the meeting, (b) save for an electronic meeting, the place of the meeting and if there is more than one meeting location as determined by the Board pursuant to Article 64A, the principal place of the meeting (the “Principal Meeting Place”), (c) if the general meeting is to be a hybrid meeting or an electronic meeting, the Notice shall include a statement to that effect and with details of the electronic facilities for attendance and participation by electronic means at the meeting or where such details will be made available by the Company prior to the meeting, and (d) particulars of resolutions to be considered at the meeting. The Notice convening an annual general meeting shall specify the meeting as such. Notice of every general meeting shall be given to all Members other than to such Members as, under the provisions of these Articles or the terms of issue of the shares they hold, are not entitled to receive such Notices from the Company, to all persons entitled to a share in consequence of the death or bankruptcy or winding-up of a Member and to each of the Directors and the Auditors.-

60. The accidental omission to give Notice of a meeting or (in cases where instruments of proxy are sent out with the Notice) to send such instrument of proxy to, or the non-receipt of such Notice or such instrument of proxy by, any person entitled to receive such Notice shall not invalidate any resolution passed or the proceedings at that meeting.

PROCEEDINGS AT GENERAL MEETINGS

61. (1) All business shall be deemed special that is transacted at an extraordinary general meeting, and also all business that is transacted at an annual general meeting, with the exception of:

- (a) the declaration and sanctioning of dividends;
- (b) consideration and adoption of the accounts and balance sheet and the reports of the Directors and Auditors and other documents required to be annexed to the balance sheet;
- (c) the election of Directors whether by rotation or otherwise in the place of those retiring;
- (d) appointment of Auditors (where special notice of the intention for such appointment is not required by the Act) and other officers; and
- (e) the fixing of the remuneration of the Auditors, and the voting of remuneration or extra remuneration to the Directors.

- (2) No business other than the appointment of a chairman of a meeting shall be transacted at any general meeting unless a quorum is present at the commencement of the business. Two (2) Members entitled to vote and present in person or by proxy or, for quorum purposes only, two persons appointed by the clearing house as authorised representative or proxy shall form a quorum for all purposes.
62. If within thirty (30) minutes (or such longer time not exceeding one hour as the chairman of the meeting may determine to wait) after the time appointed for the meeting a quorum is not present, the meeting, if convened on the requisition of Members, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week at the same time and (where applicable) same place(s) or to such time and (where applicable) such place(s) and in such form and manner referred to in Article 57 as the chairman of the meeting (or in default, the Board) may absolutely determine. If at such adjourned meeting a quorum is not present within half an hour from the time appointed for holding the meeting, the meeting shall be dissolved.
63. (1) The chairman of the Company or if there is more than one chairman, any one of them as may be agreed amongst themselves or failing such agreement, any one of them elected by all the Directors present shall preside as chairman at a general meeting. If at any meeting no chairman, is present within fifteen (15) minutes after the time appointed for holding the meeting, or is willing to act as chairman, the deputy chairman of the Company or if there is more than one deputy chairman, any one of them as may be agreed amongst themselves or failing such agreement, any one of them elected by all the Directors present shall preside as chairman. If no chairman or deputy chairman is present or is willing to act as chairman of the meeting, the Directors present shall choose one of their number to act, or if one Director only is present he shall preside as chairman if willing to act. If no Director is present, or if each of the Directors present declines to take the chair, or if the chairman chosen shall retire from the chair, the Members present in person or by proxy and entitled to vote shall elect one of their number to be chairman of the meeting.
- (2) If the chairman of a general meeting held in any form is participating in the general meeting using an electronic facility or facilities which is hereby permitted and becomes unable to participate in the general meeting using such electronic facility or facilities, another person (determined in accordance with Article 63(1) above) shall preside as chairman of the meeting unless and until the original chairman of the meeting is able to participate in the general meeting using the electronic facility or facilities.
64. Subject to Article 64C, the chairman may, ~~with~~ (without the consent of ~~any meeting at which a quorum is present (and shall if so directed by the meeting)~~ any meeting at which a quorum is present (and shall if so directed by the meeting) or shall at the direction of the meeting, adjourn the meeting from time to time (or indefinitely) and/or from place to place(s) and/or from one form to another (a physical meeting, a hybrid meeting or an electronic meeting) ~~as the meeting shall determine~~, but no business shall be transacted at any adjourned meeting other than the business which might lawfully have been transacted at the meeting had

the adjournment not taken place. When a meeting is adjourned for fourteen (14) days or more, at least seven (7) clear days' Notice of the adjourned meeting shall be given specifying the details set out in Article 59(2) but it shall not be necessary to specify in such Notice the nature of the business to be transacted at the adjourned meeting and the general nature of the business to be transacted. Save as aforesaid, it shall be unnecessary to give Notice of an adjournment.

- 64A. (1) The Board may, at its absolute discretion, arrange for persons entitled to attend a general meeting to do so by simultaneous attendance and participation by means of electronic facilities at such location or locations (“Meeting Location(s)”) determined by the Board at its absolute discretion. Any Member or any proxy attending and participating in such way or any Member or proxy attending and participating in an electronic meeting or a hybrid meeting by means of electronic facilities is deemed to be present at and shall be counted in the quorum of the meeting.
- (2) All general meetings are subject to the following and, where appropriate, all references to a “Member” or “Members” in this sub-paragraph (2) shall include a proxy or proxies respectively:
- (a) where a Member is attending a Meeting Location and/or in the case of a hybrid meeting, the meeting shall be treated as having commenced if it has commenced at the Principal Meeting Place;
  - (b) Members present in person or by proxy at a Meeting Location and/or Members attending and participating in an electronic meeting or a hybrid meeting by means of electronic facilities shall be counted in the quorum for and entitled to vote at the meeting in question, and that meeting shall be duly constituted and its proceedings valid provided that the chairman of the meeting is satisfied that adequate electronic facilities are available throughout the meeting to ensure that Members at all Meeting Locations and Members participating in an electronic meeting or a hybrid meeting by means of electronic facilities are able to participate in the business for which the meeting has been convened;
  - (c) where Members attend a meeting by being present at one of the Meeting Locations and/or where Members participating in an electronic meeting or a hybrid meeting by means of electronic facilities, a failure (for any reason) of the electronic facilities or communication equipment, or any other failure in the arrangements for enabling those in a Meeting Location other than the Principal Meeting Place to participate in the business for which the meeting has been convened or in the case of an electronic meeting or a hybrid meeting, the inability of one or more Members or proxies to access, or continue to access, the electronic facilities despite adequate electronic facilities having been made available by the Company, shall not affect the validity of the meeting or the resolutions passed, or any business conducted thereat or any action taken pursuant to such business provided that there is a quorum present throughout the meeting; and

- (d) if any of the Meeting Locations is not in the same jurisdiction as the Principal Meeting Place and/or in the case of a hybrid meeting, the provisions of these Articles concerning the service and giving of Notice for the meeting, and the time for lodging proxies, shall apply by reference to the Principal Meeting Place; and in the case of an electronic meeting, the time for lodging proxies shall be as stated in the Notice for the meeting.

64B. The Board and, at any general meeting, the chairman of the meeting may from time to time make arrangements for managing attendance and/or participation and/or voting at the Principal Meeting Place, any Meeting Location(s) and/or participation in an electronic meeting or a hybrid meeting by means of electronic facilities (whether involving the issue of tickets or some other means of identification, passcode, seat reservation, electronic voting or otherwise) as it shall in its absolute discretion consider appropriate, and may from time to time change any such arrangements, provided that a Member who, pursuant to such arrangements, is not entitled to attend, in person or by proxy, at any Meeting Location shall be entitled so to attend at one of the other Meeting Locations; and the entitlement of any Member so to attend the meeting or adjourned meeting or postponed meeting at such Meeting Location or Meeting Locations shall be subject to any such arrangement as may be for the time being in force and by the Notice of meeting or adjourned meeting or postponed meeting stated to apply to the meeting.

64C. If it appears to the chairman of the general meeting that:

- (a) the electronic facilities at the Principal Meeting Place or at such other Meeting Location(s) at which the meeting may be attended have become inadequate for the purposes referred to in Article 64A(1) or are otherwise not sufficient to allow the meeting to be conducted substantially in accordance with the provisions set out in the Notice of the meeting; or
- (b) in the case of an electronic meeting or a hybrid meeting, electronic facilities being made available by the Company have become inadequate; or
- (c) it is not possible to ascertain the view of those present or to give all persons entitled to do so a reasonable opportunity to communicate and/or vote at the meeting; or
- (d) there is violence or the threat of violence, unruly behaviour or other disruption occurring at the meeting or it is not possible to secure the proper and orderly conduct of the meeting;

then, without prejudice to any other power which the chairman of the meeting may have under these Articles or at common law, the chairman may, at his/her absolute discretion, without the consent of the meeting, and before or after the meeting has started and irrespective of whether a quorum is present, interrupt or adjourn the meeting (including adjournment for indefinite period). All business conducted at the meeting up to the time of such adjournment shall be valid.

64D. The Board and, at any general meeting, the chairman of the meeting may make any arrangement and impose any requirement or restriction the Board or the chairman of the meeting, as the case may be, considers appropriate to ensure the security and orderly conduct of a meeting (including, without limitation, requirements for evidence of identity to be produced by those attending the meeting, the searching of their personal property and the restriction of items that may be taken into the meeting place, determining the number and frequency of and the time allowed for questions that may be raised at a meeting). Members shall also comply with all requirements or restrictions imposed by the owner of the premises at which the meeting is held. Any decision made under this Article shall be final and conclusive and a person who refuses to comply with any such arrangements, requirements or restrictions may be refused entry to the meeting or ejected (physically or electronically) from the meeting.

64E. If, after the sending of Notice of a general meeting but before the meeting is held, or after the adjournment of a meeting but before the adjourned meeting is held (whether or not Notice of the adjourned meeting is required), the Directors, in their absolute discretion, consider that it is inappropriate, impracticable, unreasonable or undesirable for any reason to hold the general meeting on the date or at the time or place or by means of electronic facilities specified in the Notice calling the meeting, they may change or postpone the meeting to another date, time and/or place and/or change the electronic facilities and/or change the form of the meeting (a physical meeting, an electronic meeting or a hybrid meeting) without approval from the Members. Without prejudice to the generality of the foregoing, the Directors shall have the power to provide in every Notice calling a general meeting the circumstances in which a postponement of the relevant general meeting may occur automatically without further notice, including without limitation where a number 8 or higher typhoon signal, black rainstorm warning or other similar event is in force at any time on the day of the meeting. This Article shall be subject to the following:

- (a) when a meeting is so postponed, the Company shall endeavour to post a Notice of such postponement on the Company's website as soon as practicable (provided that failure to post such a Notice shall not affect the automatic postponement of a meeting);
- (b) when only the form of the meeting or electronic facilities specified in the Notice are changed, the Board shall notify the Members of details of such change in such manner as the Board may determine;
- (c) when a meeting is postponed or changed in accordance with this Article, subject to and without prejudice to Article 64, unless already specified in the original Notice of the meeting, the Board shall fix the date, time, place (if applicable) and electronic facilities (if applicable) for the postponed or changed meeting and shall notify the Members of such details in such manner as the Board may determine; further all proxy forms shall be valid (unless revoked or replaced by a new proxy) if they are received as required by these Articles not less than 48 hours before the time of the postponed or changed meeting; and

(d) Notice of the business to be transacted at the postponed or changed meeting shall not be required, nor shall any accompanying documents be required to be recirculated, provided that the business to be transacted at the postponed or changed meeting is the same as that set out in the original Notice of general meeting circulated to the Members.

64F. All persons seeking to attend and participate in an electronic meeting or a hybrid meeting shall be responsible for maintaining adequate facilities to enable them to do so. Subject to Article 64C, any inability of a person or persons to attend or participate in a general meeting by way of electronic facilities shall not invalidate the proceedings of and/or resolutions passed at that meeting.

64G. Without prejudice to other provisions in Article 64, a physical meeting may also be held by means of such telephone, electronic or other communication facilities ~~as to~~ permit all persons participating in the meeting to communicate with each other simultaneously and instantaneously, and participation in such a meeting shall constitute presence in person at such meeting.

65. If an amendment is proposed to any resolution under consideration but is in good faith ruled out of order by the chairman of the meeting, the proceedings on the substantive resolution shall not be invalidated by any error in such ruling. In the case of a resolution duly proposed as a special resolution, no amendment thereto (other than a mere clerical amendment to correct a patent error) may in any event be considered or voted upon.

#### VOTING

66. (1) Subject to any special rights or restrictions as to voting for the time being attached to any shares by or in accordance with these Articles, at any general meeting on a poll every Member present in person or by proxy shall have one vote for every fully paid share of which he is the holder but so that no amount paid up or credited as paid up on a share in advance of calls or instalments is treated for the foregoing purposes as paid up on the share. A resolution put to the vote of a meeting shall be decided by way of a poll save that ~~in the case of a physical meeting,~~ the chairman of the meeting may in good faith, allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands in which case every Member present in person or by proxy(ies) shall have one vote provided that where more than one proxy is appointed by a Member which is a clearing house (or its nominee(s)), each such proxy shall have one vote on a show of hands. For purposes of this Article, procedural and administrative matters are those that (i) are not on the agenda of the general meeting or in any supplementary circular that may be issued by the Company to its Members; and (ii) relate to the chairman's duties to maintain the orderly conduct of the meeting and/or allow the business of the meeting to be properly and effectively dealt with, whilst allowing all Members a reasonable opportunity to express their views. Votes (whether on a show of hands or by way of poll) may be cast by such means, electronic or otherwise, as the Directors or the chairman of the meeting may determine.

- (2) ~~In the case of a physical meeting where~~ Where a show of hands is allowed, before or on the declaration of the result of the show of hands, a poll may be demanded:
- (a) by at least three Members present in person or by proxy for the time being entitled to vote at the meeting; or
  - (b) by a Member or Members present in person or by proxy and representing not less than one-tenth of the total voting rights of all Members having the right to vote at the meeting; or
  - (c) by a Member or Members present in person or by proxy and holding shares in the Company conferring a right to vote at the meeting being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all shares conferring that right.

A demand by a person as proxy for a Member shall be deemed to be the same as a demand by the Member.

67. Where a resolution is voted on by a show of hands, a declaration by the chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or not carried by a particular majority, or lost, and an entry to that effect made in the minute book of the Company, shall be conclusive evidence of the facts without proof of the number or proportion of the votes recorded for or against the resolution. The result of the poll shall be deemed to be the resolution of the meeting. The Company shall only be required to disclose the voting figures on a poll if such disclosure is required by the Listing Rules.
68. On a poll votes may be given either personally or by proxy.
69. A person entitled to more than one vote on a poll need not use all his votes or cast all the votes he uses in the same way.
70. All questions submitted to a meeting shall be decided by a simple majority of votes except where a greater majority is required by these Articles or by the Act. In the case of an equality of votes, the chairman of such meeting shall be entitled to a second or casting vote in addition to any other vote he may have.
71. Where there are joint holders of any share any one of such joint holders may vote, either in person or by proxy, in respect of such share as if he were solely entitled thereto, but if more than one of such joint holders be present at any meeting the vote of the senior holder who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the joint holding. Several executors or administrators of a deceased Member in whose name any share stands shall for the purposes of this Article be deemed joint holders thereof.

72. (1) A Member who is a patient for any purpose relating to mental health or in respect of whom an order has been made by any court having jurisdiction for the protection or management of the affairs of persons incapable of managing their own affairs may vote, by his receiver, committee, curator bonis or other person in the nature of a receiver, committee or curator bonis appointed by such court, and such receiver, committee, curator bonis or other person may vote by proxy, and may otherwise act and be treated as if he were the registered holder of such shares for the purposes of general meetings, provided that such evidence as the Board may require of the authority of the person claiming to vote shall have been deposited at the Office, head office or Registration Office, as appropriate, not less than forty-eight (48) hours before the time appointed for holding the meeting, or adjourned meeting, or postponed meeting, as the case may be.
- (2) Any person entitled under Article 53 to be registered as the holder of any shares may vote at any general meeting in respect thereof in the same manner as if he were the registered holder of such shares, provided that forty-eight (48) hours at least before the time of the holding of the meeting or adjourned meeting or postponed meeting, as the case may be, at which he proposes to vote, he shall satisfy the Board of his entitlement to such shares, or the Board shall have previously admitted his right to vote at such meeting in respect thereof.
73. (1) No Member shall, unless the Board otherwise determines, be entitled to attend and vote and to be reckoned in a quorum at any general meeting unless he is duly registered and all calls or other sums presently payable by him in respect of shares in the Company have been paid.
- (2) All ~~Members~~ Members shall have the right to (a) speak at a general meeting; and (b) vote at a general meeting except where a Member is required, by the Listing Rules ~~of the Designated Stock Exchange~~, to abstain from voting to approve the matter under consideration.
- (3) Where the Company has knowledge that any Member is, under the Listing Rules, required to abstain from voting on any particular resolution of the Company or restricted to voting only for or only against any particular resolution of the Company, any votes cast by or on behalf of such Member in contravention of such requirement or restriction shall not be counted.
74. If:
- (a) any objection shall be raised to the qualification of any voter; or
- (b) any votes have been counted which ought not to have been counted or which might have been rejected; or
- (c) any votes are not counted which ought to have been counted;

the objection or error shall not vitiate the decision of the meeting or adjourned meeting or postponed meeting on any resolution unless the same is raised or pointed out at the meeting or, as the case may be, the adjourned meeting or postponed meeting at which the vote objected to is given or tendered or at which the error occurs. Any objection or error shall be referred to the chairman of the meeting and shall only vitiate the decision of the meeting on any resolution if the chairman decides that the same may have affected the decision of the meeting. The decision of the chairman on such matters shall be final and conclusive.

PROXIES

75. Any Member entitled to attend and vote at a meeting of the Company shall be entitled to appoint another person as his proxy to attend and vote instead of him. A Member who is the holder of two or more shares may appoint more than one proxy to represent him and vote on his behalf at a general meeting of the Company or at a class meeting. A proxy need not be a Member. In addition, a proxy or proxies representing either a Member who is an individual or a Member which is a corporation shall be entitled to exercise the same powers on behalf of the Member which he or they represent as such Member could exercise.
76. The instrument appointing a proxy shall be in ~~writing under the hand of~~ such form, including electronic or otherwise, as the Board may determine and in the absence of such determination, shall be in writing, which may include electronic writing, and signed by the appointor or ~~of~~ his attorney duly authorised in writing or, if the appointor is a corporation, either under its seal or ~~under the hand of~~ signed by an officer, attorney or other person authorised to sign the same. In the case of an instrument of proxy purporting to be signed on behalf of a corporation by an officer thereof it shall be assumed, unless the contrary appears, that such officer was duly authorised to sign such instrument of proxy on behalf of the corporation without further evidence of the facts.
77. (1) The Company may, at its absolute discretion, provide an electronic address for the receipt of any document or information relating to proxies for a general meeting (including any instrument of proxy or invitation to appoint a proxy, any document necessary to show the validity of, or otherwise relating to, an appointment of proxy (whether or not required under these Articles) and notice of termination of the authority of a proxy). If such an electronic address is provided, the Company shall be deemed to have agreed that any such document or information (relating to proxies as aforesaid) may be sent by electronic means to that address, subject as hereafter provided and subject to any other limitations or conditions specified by the Company when providing the address. Without limitation, the Company may from time to time determine that any such electronic address may be used generally for such matters or specifically for particular meetings or purposes and, if so, the Company may provide different electronic addresses for different purposes. The Company may also impose any conditions on the transmission of and its receipt of such electronic communications including, for the avoidance of doubt, imposing any security or encryption arrangements as may be

specified by the Company. If any document or information required to be sent to the Company under this Article is sent to the Company by electronic means, such document or information is not treated as validly delivered to or deposited with the Company if the same is not received by the Company at its designated electronic address provided in accordance with this Article or if no electronic address is so designated by the Company for the receipt of such document or information.

- (2) The instrument appointing a proxy and (if required by the Board) the power of attorney or other authority (if any) under which it is signed, or a certified copy of such power or authority, shall be delivered to such place or one of such places (if any) as may be specified for that purpose in or by way of note to or in any document accompanying the Notice convening the meeting (or, if no place is so specified at the Registration Office or the Office, as may be appropriate), or if the Company has provided an electronic address in accordance with the preceding paragraph, shall be received at the electronic address specified, not less than forty-eight (48) hours before the time appointed for holding the meeting or adjourned meeting or postponed meeting at which the person named in the instrument proposes to vote. No instrument appointing a proxy shall be valid after the expiration of twelve (12) months from the date named in it as the date of its execution, except at an adjourned meeting or postponed meeting in cases where the meeting was originally held within twelve (12) months from such date. Delivery of an instrument appointing a proxy shall not preclude a Member from attending and voting at the meeting convened and in such event, the instrument appointing a proxy shall be deemed to be revoked.

78. Instruments of proxy shall be in any common form or in such other form as the Board may approve (provided that this shall not preclude the use of the two-way form) and the Board may, if it thinks fit, send out with the Notice of any meeting forms of instrument of proxy for use at the meeting. The instrument of proxy shall be deemed to confer authority to vote on any amendment of a resolution put to the meeting for which it is given as the proxy thinks fit. The instrument of proxy shall, unless the contrary is stated therein, be valid as well for any adjournment or postponement of the meeting as for the meeting to which it relates. The Board may decide, either generally or in any particular case, to treat a proxy appointment as valid notwithstanding that the appointment or any of the information required under these Articles has not been received in accordance with the requirements of these Articles. Subject to aforesaid, if the proxy appointment and any of the information required under these Articles is not received in the manner set out in these Articles, the appointee shall not be entitled to vote in respect of the shares in question.

79. A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the previous death or insanity of the principal, or revocation of the instrument of proxy or of the authority under which it was executed, provided that no intimation in writing of such death, insanity or revocation shall have been received by the Company at the Office or the Registration Office (or such other place as may be specified for the delivery of

instruments of proxy in the Notice convening the meeting or other document sent therewith) two (2) hours at least before the commencement of the meeting or adjourned meeting or postponed meeting, at which the instrument of proxy is used.

80. Anything which under these Articles a Member may do by proxy he may likewise do by his duly appointed attorney and the provisions of these Articles relating to proxies and instruments appointing proxies shall apply *mutatis mutandis* in relation to any such attorney and the instrument under which such attorney is appointed.

The person so authorised shall be entitled to exercise the same powers on behalf of such corporation as the corporation could exercise if it were an individual Member and such corporation shall for the purposes of these Articles be deemed to be present in person at any such meeting if a person so authorised is present thereat.
- (2) If a clearing house (or its nominee(s)), being a corporation, is a Member, it may authorise such persons as it thinks fit to act as its representatives at any meeting of the Company or at any meeting of any class of Members provided that, if more than one person is so authorised, the authorisation shall specify the number and class of shares in respect of which each such representative is so authorised. Each person so authorised under the provisions of this Article shall be deemed to have been duly authorised without further evidence of the facts and be entitled to exercise the same rights and powers on behalf of the clearing house (or its nominee(s)) as if such person was the registered holder of the shares of the Company held by the clearing house (or its nominee(s)) including the right to speak and vote and, where a show of hands is allowed, the right to vote individually on a show of hands.
- (3) Any reference in these Articles to a duly authorised representative of a Member being a corporation shall mean a representative authorised under the provisions of this Article.

A resolution in writing signed (in such manner as to indicate, expressly or impliedly, unconditional approval) by or on behalf of all persons for the time being entitled to receive Notice of and to attend and vote at general meetings of the Company shall, for the purposes of these Articles, be treated as a resolution duly passed at a general meeting of the Company and, where relevant, as a special resolution so passed. Any such resolution shall be deemed to have been passed at a meeting held on the date on which it was signed by the last Member to sign, and where the resolution states a date as being the date of his signature thereof by any

Member the statement shall be prima facie evidence that it was signed by him on that date. Such a resolution may consist of several documents in the like form, each signed by one or more relevant Members.

Any such revocation or termination as aforesaid shall be without prejudice to any claim for damages that such Director may have against the Company or the Company may have against such Director. A Director appointed to an office under this Article shall be subject to the same provisions as to removal as the other Directors of the Company, and he shall (subject to the provisions of any contract between him and the Company) ipso facto and immediately cease to hold such office if he shall cease to hold the office of Director for any cause.

90. An alternate Director shall only be a Director for the purposes of the Act and shall only be subject to the provisions of the Act insofar as they relate to the duties and obligations of a Director when performing the functions of the Director for whom he is appointed in the alternative and shall alone be responsible to the Company for his acts and defaults and shall not be deemed to be the agent of or for the Director appointing him. An alternate Director shall be entitled to contract and be interested in and benefit from contracts or arrangements or transactions and to be repaid expenses and to be indemnified by the Company to the same extent *mutatis mutandis* as if he were a Director but he shall not be entitled to receive from the Company any fee in his capacity as an alternate Director except only such part, if any, of the remuneration otherwise payable to his appointor as such appointor may by Notice to the Company from time to time direct.

92. An alternate Director shall ipso facto cease to be an alternate Director if his appointor ceases for any reason to be a Director, however, such alternate Director or any other person may be re-appointed by the Directors to serve as an alternate Director PROVIDED always that, if at any meeting any Director retires but is re-elected at the same meeting, any appointment of such alternate Director pursuant to these Articles which was in force immediately before his retirement shall remain in force as though he had not retired.

96.   - (iv) any contract or arrangement in which the Director or his close associate(s) is/are interested in the same manner as other holders of shares or debentures or other securities of the Company by virtue only of his/their interest in shares or debentures or other securities of the Company.
- (2) If any question shall arise at any meeting of the Board as to the materiality of the interest of a Director (other than the chairman of the meeting) or as to the entitlement of any Director (other than such chairman) to vote and such question is not resolved by his voluntarily agreeing to abstain from voting, such question shall be referred to the

chairman of the meeting and his ruling in relation to such other Director shall be final and conclusive except in a case where the nature or extent of the interest of the Director concerned as known to such Director has not been fairly disclosed to the Board. If any question as aforesaid shall arise in respect of the chairman of the meeting such question shall be decided by a resolution of the Board (for which purpose such chairman shall not vote thereon) and such resolution shall be final and conclusive except in a case where the nature or extent of the interest of such chairman as known to such chairman has not been fairly disclosed to the Board.

GENERAL POWERS OF THE DIRECTORS

101. (1) The business of the Company shall be managed and conducted by the Board, which may pay all expenses incurred in forming and registering the Company and may exercise all powers of the Company (whether relating to the management of the business of the Company or otherwise) which are not by the Statutes or by these Articles required to be exercised by the Company in general meeting, subject nevertheless to the provisions of the Statutes and of these Articles and to such regulations being not inconsistent with such provisions, as may be prescribed by the Company in general meeting, but no regulations made by the Company in general meeting shall invalidate any prior act of the Board which would have been valid if such regulations had not been made. The general powers given by this Article shall not be limited or restricted by any special authority or power given to the Board by any other Article.
- (2) Any person contracting or dealing with the Company in the ordinary course of business shall be entitled to rely on any written or oral contract or agreement or deed, document or instrument entered into or executed as the case may be by any two of the Directors acting jointly on behalf of the Company and the same shall be deemed to be validly entered into or executed by the Company as the case may be and shall, subject to any rule of law, be binding on the Company.
- (3) Without prejudice to the general powers conferred by these Articles it is hereby expressly declared that the Board shall have the following powers:
- (a) to give to any person the right or option of requiring at a future date that an allotment shall be made to him of any share at par or at such premium as may be agreed;

  - (c) to resolve that the Company be deregistered in the Cayman Islands and continued in a named jurisdiction outside the Cayman Islands subject to the provisions of the Act.

(4) The Company shall not make any loan, directly or indirectly, to a Director or his close associate(s) if and to the extent it would be prohibited by the Companies Ordinance (Chapter 622 of the laws of Hong Kong) as if the Company were a company incorporated in Hong Kong.

Article 101(4) shall only have effect for so long as the shares of the Company are listed on The Stock Exchange of Hong Kong Limited.

102. The Board may establish any regional or local boards or agencies for managing any of the affairs of the Company in any place, and may appoint any persons to be members of such local boards, or any managers or agents, and may fix their remuneration (either by way of salary or by commission or by conferring the right to participation in the profits of the Company or by a combination of two or more of these modes) and pay the working expenses of any staff employed by them upon the business of the Company. The Board may delegate to any regional or local board, manager or agent any of the powers, authorities and discretions vested in or exercisable by the Board (other than its powers to make calls and forfeit shares), with power to sub-delegate, and may authorise the members of any of them to fill any vacancies therein and to act notwithstanding vacancies. Any such appointment or delegation may be made upon such terms and subject to such conditions as the Board may think fit, and the Board may remove any person appointed as aforesaid, and may revoke or vary such delegation, but no person dealing in good faith and without notice of any such revocation or variation shall be affected thereby.
103. The Board may by power of attorney appoint under the Seal any company, firm or person or any fluctuating body of persons, whether nominated directly or indirectly by the Board, to be the attorney or attorneys of the Company for such purposes and with such powers, authorities and discretions (not exceeding those vested in or exercisable by the Board under these Articles) and for such period and subject to such conditions as it may think fit, and any such power of attorney may contain such provisions for the protection and convenience of persons dealing with any such attorney as the Board may think fit, and may also authorise any such attorney to sub-delegate all or any of the powers, authorities and discretions vested in him. Such attorney or attorneys may, if so authorised under the Seal of the Company, execute any deed or instrument under their personal seal with the same effect as the affixation of the Company's Seal.
104. The Board may entrust to and confer upon a managing director, joint managing director, deputy managing director, an executive director or any Director any of the powers exercisable by it upon such terms and conditions and with such restrictions as it thinks fit, and either collaterally with, or to the exclusion of, its own powers, and may from time to time revoke or vary all or any of such powers but no person dealing in good faith and without notice of such revocation or variation shall be affected thereby.

105. All cheques, promissory notes, drafts, bills of exchange and other instruments, whether negotiable or transferable or not, and all receipts for moneys paid to the Company shall be signed, drawn, accepted, endorsed or otherwise executed, as the case may be, in such manner as the Board shall from time to time by resolution determine. The Company's banking accounts shall be kept with such banker or bankers as the Board shall from time to time determine.
106. (1) The Board may establish or concur or join with other companies (being subsidiary companies of the Company or companies with which it is associated in business) in establishing and making contributions out of the Company's moneys to any schemes or funds for providing pensions, sickness or compassionate allowances, life assurance or other benefits for employees (which expression as used in this and the following paragraph shall include any Director or ex-Director who may hold or have held any executive office or any office of profit under the Company or any of its subsidiary companies) and ex-employees of the Company and their dependants or any class or classes of such person.
- (2) The Board may pay, enter into agreements to pay or make grants of revocable or irrevocable, and either subject or not subject to any terms or conditions, pensions or other benefits to employees and ex-employees and their dependants, or to any of such persons, including pensions or benefits additional to those, if any, to which such employees or ex-employees or their dependants are or may become entitled under any such scheme or fund as mentioned in the last preceding paragraph. Any such pension or benefit may, as the Board considers desirable, be granted to an employee either before and in anticipation of or upon or at any time after his actual retirement.

**BORROWING POWERS**

107. The Board may exercise all the powers of the Company to raise or borrow money and to mortgage or charge all or any part of the undertaking, property and assets (present and future) and uncalled capital of the Company and, subject to the Act, to issue debentures, bonds and other securities, whether outright or as collateral security for any debt, liability or obligation of the Company or of any third party.
108. Debentures, bonds and other securities may be made assignable free from any equities between the Company and the person to whom the same may be issued.
109. Any debentures, bonds or other securities may be issued at a discount (other than shares), premium or otherwise and with any special privileges as to redemption, surrender, drawings, allotment of shares, attending and voting at general meetings of the Company, appointment of Directors and otherwise.

110. (1) Where any uncalled capital of the Company is charged, all persons taking any subsequent charge thereon shall take the same subject to such prior charge, and shall not be entitled, by notice to the Members or otherwise, to obtain priority over such prior charge.
- (2) The Board shall cause a proper register to be kept, in accordance with the provisions of the Act, of all charges specifically affecting the property of the Company and of any series of debentures issued by the Company and shall duly comply with the requirements of the Act in regard to the registration of charges and debentures therein specified and otherwise.

112. A meeting of the Board may be convened by the Secretary on request of a Director or by any Director. The Secretary shall convene a meeting of the Board whenever he shall be required so to do by any Director. Notice of a meeting of the Board shall be deemed to be duly given to a Director if it is given to such Director in writing or verbally (including in person or by telephone) or by electronic means to an electronic address from time to time notified to the Company by such Director or (if the recipient consents to it being made available on a website) by making it available on a website or by telephone or in such other manner as the Board may from time to time determine.
113. (1) The quorum necessary for the transaction of the business of the Board may be fixed by the Board and, unless so fixed at any other number, shall be two (2). An alternate Director shall be counted in a quorum in the case of the absence of a Director for whom he is the alternate provided that he shall not be counted more than once for the purpose of determining whether or not a quorum is present.
- (2) Directors may participate in any meeting of the Board by means of a conference telephone, electronic or other communications equipment through which all persons participating in the meeting can communicate with each other simultaneously and instantaneously and, for the purpose of counting a quorum, such participation shall constitute presence at a meeting as if those participating were present in person.
- (3) Any Director who ceases to be a Director at a Board meeting may continue to be present and to act as a Director and be counted in the quorum until the termination of such Board meeting if no other Director objects and if otherwise a quorum of Directors would not be present.

114. The continuing Directors or a sole continuing Director may act notwithstanding any vacancy in the Board but, if and so long as the number of Directors is reduced below the minimum number fixed by or in accordance with these Articles, the continuing Directors or Director, notwithstanding that the number of Directors is below the number fixed by or in accordance with these Articles as the quorum or that there is only one continuing Director, may act for the purpose of filling vacancies in the Board or of summoning general meetings of the Company but not for any other purpose.
115. The Board may elect one or more chairman and one or more deputy chairman of its meetings and determine the period for which they are respectively to hold such office. If no chairman or deputy chairman is elected, or if at any meeting no chairman or deputy chairman is present within five (5) minutes after the time appointed for holding the same, the Directors present may choose one of their number to be chairman of the meeting.
116. A meeting of the Board at which a quorum is present shall be competent to exercise all the powers, authorities and discretions for the time being vested in or exercisable by the Board.
117. (1) The Board may delegate any of its powers, authorities and discretions to committees, consisting of such Director or Directors and other persons as it thinks fit, and they may, from time to time, revoke such delegation or revoke the appointment of and discharge any such committees either wholly or in part, and either as to persons or purposes. Any committee so formed shall, in the exercise of the powers, authorities and discretions so delegated, conform to any regulations which may be imposed on it by the Board.
- (2) All acts done by any such committee in conformity with such regulations, and in fulfilment of the purposes for which it was appointed, but not otherwise, shall have like force and effect as if done by the Board, and the Board shall have power, with the consent of the Company in general meeting, to remunerate the members of any such committee, and charge such remuneration to the current expenses of the Company.
118. The meetings and proceedings of any committee consisting of two or more members shall be governed by the provisions contained in these Articles for regulating the meetings and proceedings of the Board so far as the same are applicable and are not superseded by any regulations imposed by the Board under the last preceding Article.
119. A resolution in writing signed by all the Directors except such as are temporarily unable to act through ill-health or disability, and all the alternate Directors, if appropriate, whose appointors are temporarily unable to act as aforesaid shall (provided that such number is sufficient to constitute a quorum and further provided that a copy of such resolution has been given or the contents thereof communicated to all the Directors for the time being entitled to receive notices of Board meetings in the same manner as notices of meetings are required to be given by these Articles) be as valid and effectual as if a resolution had been passed at a meeting of the Board duly convened and held. A notification of consent to such resolution given by a Director in writing to the Board by any means (including by means of electronic communication) shall be deemed to be his/her signature to such resolution in writing for the

purpose of this Article. Such resolution may be contained in one document or in several documents in like form each signed by one or more of the Directors or alternate Directors and for this purpose a facsimile signature of a Director or an alternate Director shall be treated as valid. Notwithstanding the foregoing, a resolution in writing shall not be passed in lieu of a meeting of the Board for the purposes of considering any matter or business in which a substantial shareholder of the Company or a Director has a conflict of interest and the Board has determined that such conflict of interest to be material.

120. All acts bona fide done by the Board or by any committee or by any person acting as a Director or members of a committee, shall, notwithstanding that it is afterwards discovered that there was some defect in the appointment of any member of the Board or such committee or person acting as aforesaid or that they or any of them were disqualified or had vacated office, be as valid as if every such person had been duly appointed and was qualified and had continued to be a Director or member of such committee.

#### MANAGERS

121. 122. The appointment of such general manager, manager or managers may be for such period as the Board may decide, and the Board may confer upon him or them all or any of the powers of the Board as they may think fit.
123. The Board may enter into such agreement or agreements with any such general manager, manager or managers upon such terms and conditions in all respects as the Board may in their absolute discretion think fit, including a power for such general manager, manager or managers to appoint an assistant manager or managers or other employees whatsoever under them for the purpose of carrying on the business of the Company.

The Board shall provide for the custody of each Seal and no Seal shall be used without the authority of the Board or of a committee of the Board authorised by the Board in that behalf. Subject as otherwise provided in these Articles, any instrument to which a Seal is affixed shall be signed autographically by one Director and the Secretary or by two Directors or by such other person (including a Director) or persons as the Board may appoint, either generally or in any particular case, save that as regards any certificates for shares or debentures or other securities of the Company the Board may by resolution determine that such signatures or either of them shall be dispensed with or affixed by some method or system of mechanical signature. Every instrument executed in manner provided by this Article shall be deemed to be sealed and executed with the authority of the Board previously given.
- (2) Where the Company has a Seal for use abroad, the Board may by writing under the Seal appoint any agent or committee abroad to be the duly authorised agent of the Company for the purpose of affixing and using such Seal and the Board may impose restrictions on the use thereof as may be thought fit. Wherever in these Articles reference is made to the Seal, the reference shall, when and so far as may be applicable, be deemed to include any such other Seal as aforesaid.

131. Any Director or the Secretary or any person appointed by the Board for the purpose may authenticate any documents affecting the constitution of the Company and any resolution passed by the Company or the Board or any committee, and any books, records, documents and accounts relating to the business of the Company, and to certify copies thereof or extracts therefrom as true copies or extracts, and if any books, records, documents or accounts are elsewhere than at the Office or the head office the local manager or other officer of the Company having the custody thereof shall be deemed to be a person so appointed by the Board. A document purporting to be a copy of a resolution, or an extract from the minutes of a meeting, of the Company or of the Board or any committee which is so certified shall be conclusive evidence in favour of all persons dealing with the Company upon the faith thereof that such resolution has been duly passed or, as the case may be, that such minutes or extract is a true and accurate record of proceedings at a duly constituted meeting.

DESTRUCTION OF DOCUMENTS

132. (1) The Company shall be entitled to destroy the following documents at the following times:

- (a) any share certificate which has been cancelled at any time after the expiry of one (1) year from the date of such cancellation;

and it shall conclusively be presumed in favour of the Company that every entry in the Register purporting to be made on the basis of any such documents so destroyed was duly and properly made and every share certificate so destroyed was a valid certificate duly and properly cancelled and that every instrument of transfer so destroyed was a valid and effective instrument duly and properly registered and that every other document destroyed hereunder was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the Company. Provided always that: (1) the foregoing provisions of this Article shall apply only to the destruction of a document in good faith and without express notice to the Company that the preservation of such document was relevant to a claim; (2) nothing contained in this Article shall be construed as imposing upon the Company any liability in respect of the destruction of any such document earlier than as aforesaid or in any case where the conditions of proviso (1) above are not fulfilled; and (3) references in this Article to the destruction of any document include references to its disposal in any manner.

- (2) Notwithstanding any provision contained in these Articles, the Directors may, if permitted by applicable law, authorise the destruction of documents set out in subparagraphs (a) to (e) of paragraph (1) of this Article and any other documents in relation to share registration which have been microfilmed or electronically stored by the Company or by the share registrar on its behalf provided always that this Article shall

apply only to the destruction of a document in good faith and without express notice to the Company and its share registrar that the preservation of such document was relevant to a claim.

**DIVIDENDS AND OTHER PAYMENTS**

133. Subject to the Act, the Company in general meeting may from time to time declare dividends in any currency to be paid to the Members but no dividend shall be declared in excess of the amount recommended by the Board.
134. Dividends may be declared and paid out of the profits of the Company, realised or unrealised, or from any reserve set aside from profits which the Directors determine is no longer needed. With the sanction of an ordinary resolution dividends may also be declared and paid out of share premium account or any other fund or account which can be authorised for this purpose in accordance with the Act.
135. Except in so far as the rights attaching to, or the terms of issue of, any share otherwise provide:
- (a) all dividends shall be declared and paid according to the amounts paid up on the shares in respect of which the dividend is paid, but no amount paid up on a share in advance of calls shall be treated for the purposes of this Article as paid up on the share; and
  - (b) all dividends shall be apportioned and paid pro rata according to the amounts paid up on the shares during any portion or portions of the period in respect of which the dividend is paid.
136. The Board may from time to time pay to the Members such interim dividends as appear to the Board to be justified by the profits of the Company and in particular (but without prejudice to the generality of the foregoing) if at any time the share capital of the Company is divided into different classes, the Board may pay such interim dividends in respect of those shares in the capital of the Company which confer on the holders thereof deferred or non-preferential rights as well as in respect of those shares which confer on the holders thereof preferential rights with regard to dividend and provided that the Board acts bona fide the Board shall not incur any responsibility to the holders of shares conferring any preference for any damage that they may suffer by reason of the payment of an interim dividend on any shares having deferred or non-preferential rights and may also pay any fixed dividend which is payable on any shares of the Company half-yearly or on any other dates, whenever such profits, in the opinion of the Board, justifies such payment.
137. The Board may deduct from any dividend or other moneys payable to a Member by the Company on or in respect of any shares all sums of money (if any) presently payable by him to the Company on account of calls or otherwise.

138. No dividend or other moneys payable by the Company on or in respect of any share shall bear interest against the Company.
139. Any dividend, interest or other sum payable in cash to the holder of shares may be paid by cheque or warrant sent through the post addressed to the holder at his registered address or, in the case of joint holders, addressed to the holder whose name stands first in the Register in respect of the shares at his address as appearing in the Register or addressed to such person and at such address as the holder or joint holders may in writing direct. Every such cheque or warrant shall, unless the holder or joint holders otherwise direct, be made payable to the order of the holder or, in the case of joint holders, to the order of the holder whose name stands first on the Register in respect of such shares, and shall be sent at his or their risk and payment of the cheque or warrant by the bank on which it is drawn shall constitute a good discharge to the Company notwithstanding that it may subsequently appear that the same has been stolen or that any endorsement thereon has been forged. Any one of two or more joint holders may give effectual receipts for any dividends or other moneys payable or property distributable in respect of the shares held by such joint holders. For the avoidance of doubt, any dividend, interest, or other sum payable in cash may also be paid by electronic funds transfer on such terms and conditions as the Directors may determine.
140. All dividends or bonuses unclaimed for one (1) year after having been declared may be invested or otherwise made use of by the Board for the benefit of the Company until claimed. Any dividend or bonuses unclaimed after a period of six (6) years from the date of declaration shall be forfeited and shall revert to the Company. The payment by the Board of any unclaimed dividend or other sums payable on or in respect of a share into a separate account shall not constitute the Company a trustee in respect thereof.
141. Whenever the Board or the Company in general meeting has resolved that a dividend be paid or declared, the Board may further resolve that such dividend be satisfied wholly or in part by the distribution of specific assets of any kind and in particular of paid up shares, debentures or warrants to subscribe securities of the Company or any other company, or in any one or more of such ways, and where any difficulty arises in regard to the distribution the Board may settle the same as it thinks expedient, and in particular may issue certificates in respect of fractions of shares, disregard fractional entitlements or round the same up or down, and may fix the value for distribution of such specific assets, or any part thereof, and may determine that cash payments shall be made to any Members upon the footing of the value so fixed in order to adjust the rights of all parties, and may vest any such specific assets in trustees as may seem expedient to the Board and may appoint any person to sign any requisite instruments of transfer and other documents on behalf of the persons entitled to the dividend, and such appointment shall be effective and binding on the Members. The Board may resolve that no such assets shall be made available to Members with registered addresses in any particular territory or territories where, in the absence of a registration statement or other special formalities, such distribution of assets would or might, in the opinion of the Board, be unlawful or impracticable and in such event the only entitlement of the Members aforesaid

shall be to receive cash payments as aforesaid. Members affected as a result of the foregoing sentence shall not be or be deemed to be a separate class of Members for any purpose whatsoever.

142. (1) Whenever the Board or the Company in general meeting has resolved that a dividend be paid or declared on any class of the share capital of the Company, the Board may further resolve either:
- (a) that such dividend be satisfied wholly or in part in the form of an allotment of shares credited as fully paid up, provided that the Members entitled thereto will be entitled to elect to receive such dividend (or part thereof if the Board so determines) in cash in lieu of such allotment. In such case, the following provisions shall apply:
    - (i) the basis of any such allotment shall be determined by the Board;
    - (ii) the Board, after determining the basis of allotment, shall give not less than two (2) weeks' Notice to the holders of the relevant shares of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
    - (iii) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and
    - (iv) the dividend (or that part of the dividend to be satisfied by the allotment of shares as aforesaid) shall not be payable in cash on shares in respect whereof the cash election has not been duly exercised ("the non-elected shares") and in satisfaction thereof shares of the relevant class shall be allotted credited as fully paid up to the holders of the non-elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company (including profits carried and standing to the credit of any reserves or other special account, share premium account, capital redemption reserve other than the Subscription Rights Reserve (as defined below)) as the Board may determine, such sum as may be required to pay up in full the appropriate number of shares of the relevant class for allotment and distribution to and amongst the holders of the non-elected shares on such basis; or

- (b) that the Members entitled to such dividend shall be entitled to elect to receive an allotment of shares credited as fully paid up in lieu of the whole or such part of the dividend as the Board may think fit. In such case, the following provisions shall apply:
  - (i) the basis of any such allotment shall be determined by the Board;
  - (ii) the Board, after determining the basis of allotment, shall give not less than two (2) weeks' Notice to the holders of the relevant shares of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
  - (iii) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and
  - (iv) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable in cash on shares in respect whereof the share election has been duly exercised ("the elected shares") and in lieu thereof shares of the relevant class shall be allotted credited as fully paid up to the holders of the elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company (including profits carried and standing to the credit of any reserves or other special account, share premium account, capital redemption reserve other than the Subscription Rights Reserve (as defined below)) as the Board may determine, such sum as may be required to pay up in full the appropriate number of shares of the relevant class for allotment and distribution to and amongst the holders of the elected shares on such basis.
  
- (2) (a) The shares allotted pursuant to the provisions of paragraph (1) of this Article shall rank *pari passu* in all respects with shares of the same class (if any) then in issue save only as regards participation in the relevant dividend or in any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant dividend unless, contemporaneously with the announcement by the Board of their proposal to apply the provisions of sub-paragraph (a) or (b) of paragraph (1) of this Article in relation to the relevant dividend or contemporaneously with their announcement of the distribution, bonus or rights in question, the Board shall specify that the shares to be allotted pursuant to the provisions of paragraph (1) of this Article shall rank for participation in such distribution, bonus or rights.

- (b) The Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (1) of this Article, with full power to the Board to make such provisions as it thinks fit in the case of shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the Members concerned). The Board may authorise any person to enter into on behalf of all Members interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.
- (3) The Company may upon the recommendation of the Board by ordinary resolution resolve in respect of any one particular dividend of the Company that notwithstanding the provisions of paragraph (1) of this Article a dividend may be satisfied wholly in the form of an allotment of shares credited as fully paid up without offering any right to shareholders to elect to receive such dividend in cash in lieu of such allotment.
- (4) The Board may on any occasion determine that rights of election and the allotment of shares under paragraph (1) of this Article shall not be made available or made to any shareholders with registered addresses in any territory where, in the absence of a registration statement or other special formalities, the circulation of an offer of such rights of election or the allotment of shares would or might, in the opinion of the Board, be unlawful or impracticable, and in such event the provisions aforesaid shall be read and construed subject to such determination. Members affected as a result of the foregoing sentence shall not be or be deemed to be a separate class of Members for any purpose whatsoever.
- (5) Any resolution declaring a dividend on shares of any class, whether a resolution of the Company in general meeting or a resolution of the Board, may specify that the same shall be payable or distributable to the persons registered as the holders of such shares at the close of business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed, and thereupon the dividend shall be payable or distributable to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se in respect of such dividend of transferors and transferees of any such shares. The provisions of this Article shall *mutatis mutandis* apply to bonuses, capitalisation issues, distributions of realised capital profits or offers or grants made by the Company to the Members.

#### RESERVES

143. (1) The Board shall establish an account to be called the share premium account and shall carry to the credit of such account from time to time a sum equal to the amount or value of the premium paid on the issue of any share in the Company. Unless otherwise

provided by the provisions of these Articles, the Board may apply the share premium account in any manner permitted by the Act. The Company shall at all times comply with the provisions of the Act in relation to the share premium account.

- (2) Before recommending any dividend, the Board may set aside out of the profits of the Company such sums as it determines as reserves which shall, at the discretion of the Board, be applicable for any purpose to which the profits of the Company may be properly applied and pending such application may, also at such discretion, either be employed in the business of the Company or be invested in such investments as the Board may from time to time think fit and so that it shall not be necessary to keep any investments constituting the reserve or reserves separate or distinct from any other investments of the Company. The Board may also without placing the same to reserve carry forward any profits which it may think prudent not to distribute.

#### CAPITALISATION

144. (1) The Company may, upon the recommendation of the Board, at any time and from time to time pass an ordinary resolution to the effect that it is desirable to capitalise all or any part of any amount for the time being standing to the credit of any reserve or fund (including a share premium account and capital redemption reserve and the profit and loss account) whether or not the same is available for distribution and accordingly that such amount be set free for distribution among the Members or any class of Members who would be entitled thereto if it were distributed by way of dividend and in the same proportions, on the footing that the same is not paid in cash but is applied either in or towards paying up the amounts for the time being unpaid on any shares in the Company held by such Members respectively or in paying up in full unissued shares, debentures or other obligations of the Company, to be allotted and distributed credited as fully paid up among such Members, or partly in one way and partly in the other, and the Board shall give effect to such resolution provided that, for the purposes of this Article, a share premium account and any capital redemption reserve or fund representing unrealised profits, may be applied only in paying up in full unissued shares of the Company to be allotted to such Members credited as fully paid.
- (2) Notwithstanding any provisions in these Articles, the Board may resolve to capitalise all or any part of any amount for the time being standing to the credit of any reserve or fund (including a share premium account and the profit and loss account) whether or not the same is available for distribution by applying such sum in paying up unissued shares to be allotted to (i) employees (including directors) of the Company and/or its affiliates (meaning any individual, corporation, partnership, association, joint-stock company, trust, unincorporated association or other entity (other than the Company) that directly, or indirectly through one or more intermediaries, controls, is controlled by or is under common control with, the Company) upon exercise or vesting of any options or awards granted under any share incentive scheme or employee benefit scheme or other arrangement which relates to such persons that has been adopted or approved by the

Members at a general meeting, or (ii) any trustee of any trust to whom shares are to be allotted and issued by the Company in connection with the operation of any share incentive scheme or employee benefit scheme or other arrangement which relates to such persons that has been adopted or approved by the Members at a general meeting.

145. The Board may settle, as it considers appropriate, any difficulty arising in regard to any distribution under the last preceding Article and in particular may issue certificates in respect of fractions of shares or authorise any person to sell and transfer any fractions or may resolve that the distribution should be as nearly as may be practicable in the correct proportion but not exactly so or may ignore fractions altogether, and may determine that cash payments shall be made to any Members in order to adjust the rights of all parties, as may seem expedient to the Board. The Board may appoint any person to sign on behalf of the persons entitled to participate in the distribution any contract necessary or desirable for giving effect thereto and such appointment shall be effective and binding upon the Members.

**SUBSCRIPTION RIGHTS RESERVE**

146. The following provisions shall have effect to the extent that they are not prohibited by and are in compliance with the Act:

- (1) If, so long as any of the rights attached to any warrants issued by the Company to subscribe for shares of the Company shall remain exercisable, the Company does any act or engages in any transaction which, as a result of any adjustments to the subscription price in accordance with the provisions of the conditions of the warrants, would reduce the subscription price to below the par value of a share, then the following provisions shall apply:
  - (a) as from the date of such act or transaction the Company shall establish and thereafter (subject as provided in this Article) maintain in accordance with the provisions of this Article a reserve (the "Subscription Rights Reserve") the amount of which shall at no time be less than the sum which for the time being would be required to be capitalised and applied in paying up in full the nominal amount of the additional shares required to be issued and allotted credited as fully paid pursuant to sub- paragraph (c) below on the exercise in full of all the subscription rights outstanding and shall apply the Subscription Rights Reserve in paying up such additional shares in full as and when the same are allotted;
  - (b) the Subscription Rights Reserve shall not be used for any purpose other than that specified above unless all other reserves of the Company (other than share premium account) have been extinguished and will then only be used to make good losses of the Company if and so far as is required by law;
  - (c) upon the exercise of all or any of the subscription rights represented by any warrant, the relevant subscription rights shall be exercisable in respect of a nominal amount of shares equal to the amount in cash which the holder of such warrant is

required to pay on exercise of the subscription rights represented thereby (or, as the case may be the relevant portion thereof in the event of a partial exercise of the subscription rights) and, in addition, there shall be allotted in respect of such subscription rights to the exercising warrant holder, credited as fully paid, such additional nominal amount of shares as is equal to the difference between:

- (i) the said amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights); and
  - (ii) the nominal amount of shares in respect of which such subscription rights would have been exercisable having regard to the provisions of the conditions of the warrants, had it been possible for such subscription rights to represent the right to subscribe for shares at less than par and immediately upon such exercise so much of the sum standing to the credit of the Subscription Rights Reserve as is required to pay up in full such additional nominal amount of shares shall be capitalised and applied in paying up in full such additional nominal amount of shares which shall forthwith be allotted credited as fully paid to the exercising warrant holders; and
- (d) if, upon the exercise of the subscription rights represented by any warrant, the amount standing to the credit of the Subscription Rights Reserve is not sufficient to pay up in full such additional nominal amount of shares equal to such difference as aforesaid to which the exercising warrant holder is entitled, the Board shall apply any profits or reserves then or thereafter becoming available (including, to the extent permitted by law, share premium account) for such purpose until such additional nominal amount of shares is paid up and allotted as aforesaid and until then no dividend or other distribution shall be paid or made on the fully paid shares of the Company then in issue. Pending such payment and allotment, the exercising warrant holder shall be issued by the Company with a certificate evidencing his right to the allotment of such additional nominal amount of shares. The rights represented by any such certificate shall be in registered form and shall be transferable in whole or in part in units of one share in the like manner as the shares for the time being are transferable, and the Company shall make such arrangements in relation to the maintenance of a register therefor and other matters in relation thereto as the Board may think fit and adequate particulars thereof shall be made known to each relevant exercising warrant holder upon the issue of such certificate.
- (2) Shares allotted pursuant to the provisions of this Article shall rank *pari passu* in all respects with the other shares allotted on the relevant exercise of the subscription rights represented by the warrant concerned. Notwithstanding anything contained in paragraph (1) of this Article, no fraction of any share shall be allotted on exercise of the subscription rights.

- (3) The provision of this Article as to the establishment and maintenance of the Subscription Rights Reserve shall not be altered or added to in any way which would vary or abrogate, or which would have the effect of varying or abrogating the provisions for the benefit of any warrant holder or class of warrant holders under this Article without the sanction of a special resolution of such warrant holders or class of warrant holders.
- (4) A certificate or report by the auditors for the time being of the Company as to whether or not the Subscription Rights Reserve is required to be established and maintained and if so the amount thereof so required to be established and maintained, as to the purposes for which the Subscription Rights Reserve has been used, as to the extent to which it has been used to make good losses of the Company, as to the additional nominal amount of shares required to be allotted to exercising warrant holders credited as fully paid, and as to any other matter concerning the Subscription Rights Reserve shall (in the absence of manifest error) be conclusive and binding upon the Company and all warrant holders and shareholders.
