MANAGEMENT DISCUSSION AND ANALYSIS

The board (the “**Board**”) of directors (the “**Director(s)**”) of TATA Health International Holdings Limited (“**TATA Health**” or the “**Company**”, together with its subsidiaries, the “**Group**”) hereby presents the Group’s interim results for the six months ended 30 June 2024 (the “**Reporting Period**”).

OPERATION REVIEW AND FUTURE DEVELOPMENT

In the past six months, with the gradual recovery of Hong Kong’s economy, especially the retail industry, after the COVID-19 pandemic, the footwear business accounted for 100% of the Company’s revenue. However, the other three segments still have not improved, especially the healthcare and the online medical service businesses, which still kept in operational stagnation.

Footwear Business

With the gradual recovery of the Hong Kong economy after the COVID-19 pandemic, revenue of the Group’s footwear business for the Reporting Period was approximately HK\$72.3 million, representing an approximate 28.2% decrease from approximately HK\$100.7 million for the corresponding period which was mainly attributable to the weak consumer sentiment with the ongoing economic uncertainty, which created a challenging environment for the retail sector in Hong Kong during the Reporting Period.

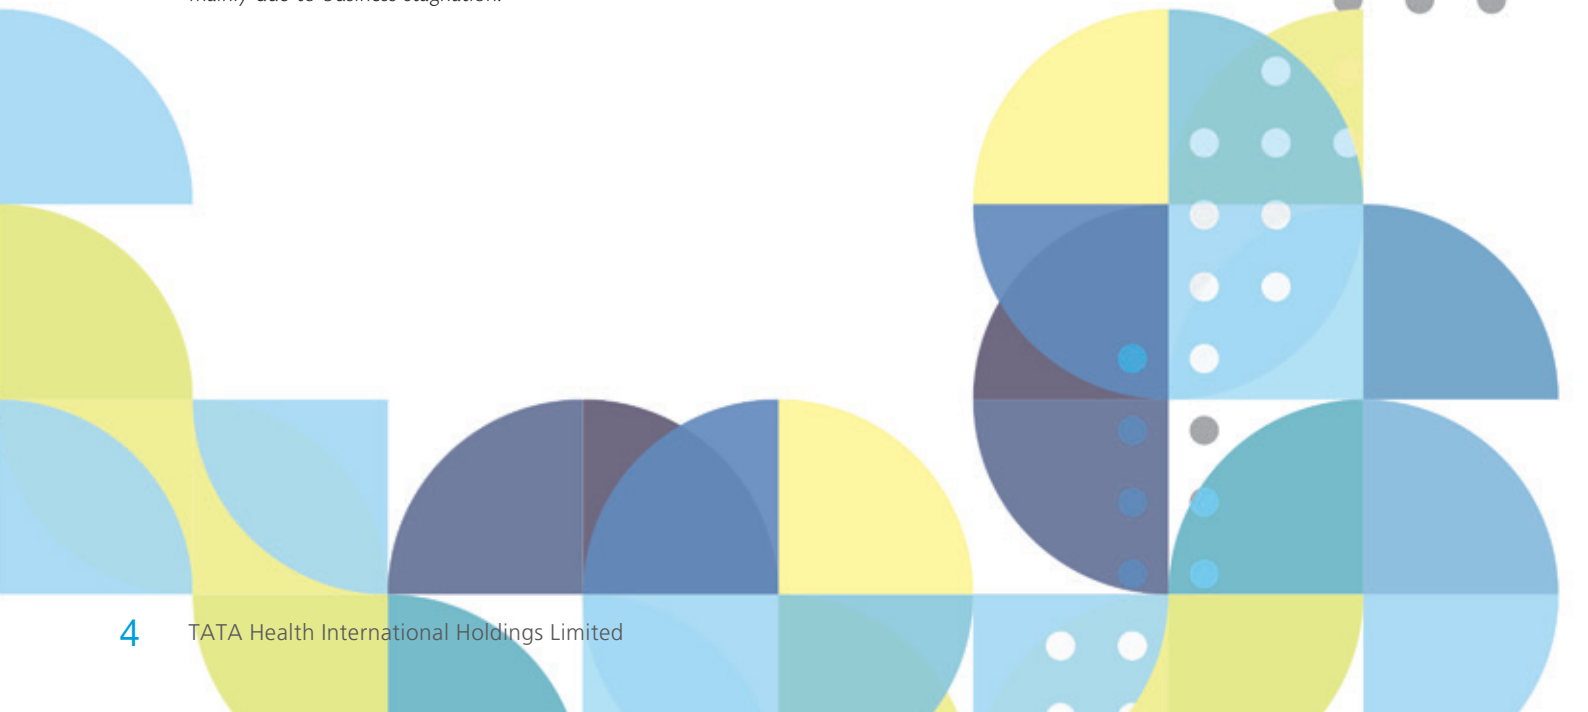

Healthcare Business

The revenue of the healthcare business segment for the Reporting Period was nil (2023: nil), and no segment loss for the Reporting Period (2023: loss of approximately HK\$697,000) was recorded. The nil in revenue compared with the corresponding period in 2023 was mainly due to business stagnation.

Financial Services

The operating revenue of DSG Finance Holdings (Hong Kong) Limited (a subsidiary of the Company) and its subsidiaries (collectively, the “**DSG Group**”) derives from: (i) investment management services; (ii) advisory services in securities; and (iii) advisory services in corporate finance.

In order to release more liquid capital and allocate resources more effectively, DSG Securities (Hong Kong) Limited applied for the reduction of its Type 1 regulated activities (dealing in securities), which had been approved by the Securities and Futures Commission on 18 July 2022. DSG Group had nil revenue for the Reporting Period (2023: approximately HK\$3.4 million), which was mainly due to business stagnation.

Online Medical Services Business

Revenue was nil during the Reporting Period (2023: approximately HK\$0.1 million).

The business is still in a stagnant state, and due to the inability to repay employees' unpaid wages, Shangying Internet Medical (Shanghai) Co. Limited* 商贏互聯網醫療(上海)有限公司 (an indirect non-wholly owned subsidiary of the Company), being the major business entity for the provision of online medical services, has entered into bankruptcy proceedings in the PRC. For details, please refer to the announcement of the Company published on 3 January 2025 and Note 12(a) to the condensed consolidated financial statements as set out in this interim report.

Prospects

In the past six months, the overall global economic environment was still unstable. However, with the gradual improvement of Hong Kong's economic environment and the measures taken by the HKSAR Government to boost the economy after the COVID-19 pandemic, the overall retail industry in Hong Kong showed a growth trend.

As part of the retail industry, the sales of the footwear business, which accounted for 100% of the Company's revenue, decreased by approximately 28.2% in the Reporting Period compared to the same period last year. Looking ahead, the Group will focus more on the diversification of its range of footwear products, explore potential business collaborations and introduce new brands with growth potential and high gross profit margins.

For the DSG Group, which is also located in Hong Kong, the revenue was nil during the Reporting Period as compared to approximately HK\$3.4 million for the same period last year, as DSG Group basically had no business operation starting from 2024. It will continue to focus on developing its financing consulting business and explore new market opportunities, such as Singapore, in the future.

FINANCIAL REVIEW

Revenue

Revenue of the Group's businesses for the Reporting Period was approximately HK\$72.3 million, representing an approximate 30.6% decrease from approximately HK\$104.1 million for the six months ended 30 June 2023, which was mainly due to the decrease in the revenue of the footwear business.

Revenue from the Footwear Business

Revenue of the Group's footwear business for the Reporting Period was approximately HK\$72.3 million, representing an approximate 28.2% decrease from HK\$100.7 million of the corresponding period of 2023. The decrease in revenue of the Group's footwear business was mainly due to weak consumer sentiment with the ongoing economic uncertainty, which created a challenging environment for the retail sector in Hong Kong during the Reporting Period.

As at 30 June 2024, the Group operated 27 retail outlets in Hong Kong (30 June 2023: 32) and 3 retail outlet in Macau (30 June 2023: 2).

In view of the above, future exchange rates of the above currencies could vary significantly from the current or historical exchange rates as a result of the controls that could be imposed by the respective governments and the depth and breadth of the respective markets of currency exchange. The respective exchange rates may also be affected by economic developments and geopolitical changes domestically and internationally, and the demand and supply of the respective currencies. The appreciation or devaluation of the respective currencies against Hong Kong dollars may also have an impact on the Group's results.

The Board acknowledges the importance of the compliance of the Listing Rules. The Company will use its best endeavors to enhance its corporate governance and internal control systems to prevent any non-compliance of the Listing Rules in the future.

Compliance with the Model Code for Securities Transactions by Directors

The Company has adopted the "Model Code for Securities Transactions by Directors of Listed Issuers" (the "**Model Code**") as contained in Appendix C3 to the Listing Rules as its own code of conduct regarding the Directors' dealings in the Company's securities. Following specific enquiry made to the Directors, each of them has confirmed their compliance with the required standards set out in the Model Code throughout the Reporting Period.

SIGNIFICANT EVENTS AFTER THE REPORTING PERIOD

Save as disclosed below and in Note 12 to the condensed consolidated financial statements as set out in this interim report, the Group had no other significant event that happened after the Reporting Period.

Independent Auditors' Report

The auditors of the Company, HLB Hodgson Impey Cheng Limited (“**HLB**”), had disclaimed their opinion on the consolidated financial statements of the Group for the years ended 31 December 2023, 2024 and 2025 in respect of the financial impact to the Group's consolidated financial statements due to the lost records of Shanghai Ying Group and Shang Ying Group, details of which were disclosed in the independent auditors' report on page 65 of the Company's 2023 annual report.

The disclaimer of opinion made by HLB, was on the bases of (i) the potential financial impacts of the lost records to the Group after the disposals (as referred to in Note 3 to the Financial Statements); and (ii) the potential impacts of the matters concerning the recoverability of the loans to an associate. However, as disclosed in the announcement of the Company dated 28 November 2025, the Company has obtained written confirmation from HLB confirming that the disclaimer of opinion is expected to be fully removed in financial year of 2027 and will not have any continuing effect on the consolidated financial statements of the Group from then on, on the grounds that: (i) the disposals will impact the Group's profit or loss for financial year of 2025, the comparability of the amounts reported in the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity, and consolidated statement of cash flows for the financial year of 2026; and (ii) there will be no continuing financial impact on the closing balances as at 31 December 2025, as the remaining portion of the said loans to an associate after set-off was fully impaired during financial year of 2024. The qualification still exists due to the comparability of the amounts reported in the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity, and consolidated statement of cash flows for financial year of 2026.

Management's position, view and assessment on the Disclaimer of Opinion

In preparing the consolidated financial statements of the Group on a going concern basis, the management of the Company has taken into account the following factors:

- (i) the recorded overall revenue in the financial years of 2022, 2023 and 2024 of approximately HK\$144.6 million, HK\$207.5 million and HK\$124.5 million respectively;
- (ii) the due consideration of the Group's profit and cash flow forecast, its internal resources, available financial facilities and financial position, and the continuous financial support for the operations of the Group provided by Mr. Zhang Ming Qi, an executive Director, to the Group via a financial facility of HK\$50,000,000; and
- (iii) the sufficient working capital to finance the Group's operations and meet its requirements and financial obligations as and when they fall due for at least the next 18 months from the date of the Company's announcement dated 28 November 2025.

In light of the above, the management of the Company is of the view that the Group has a viable and sustainable business with a sufficient level of operations and assets of sufficient value to support its operations to warrant the continued listing of the shares of the Company on the Stock Exchange.

Audit Committee's position, view and assessment on the Disclaimer of Opinion

The Audit Committee had reviewed the disclaimer of opinion, the management's position concerning the disclaimer of opinion and measures taken by the Company for addressing the disclaimer of opinion. The Audit Committee agreed with the Board's position based on the reasons aforementioned. The Audit Committee had also discussed with HLB regarding the financial position of the Company, measures taken and to be taken by the Company, and considered the HLB's rationale and understood their consideration in arriving at their opinion. Moreover, the Audit Committee had assessed the plans and measures taken by the management to address the uncertainties regarding going concern underlying the disclaimer of opinion in which HLB's opinion is not modified with respect to going concern, the Audit Committee was satisfied that the abovementioned action plan may address the disclaimer of opinion and such that the consolidated financial statements for the year ending 31 December 2027 will be free from disclaimer of opinion.

NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

For the six months ended 30 June 2024

1. BASIS OF PREPARATION

The consolidated financial statements have been prepared in accordance with Hong Kong Financial Reporting Standards (“**HKFRS**”) issued by the Hong Kong Institute of Certified Public Accountants (the “**HKICPA**”). For the purpose of preparation of the consolidated financial statements, information is considered material if such information is reasonably expected to influence decisions made by primary users. In addition, the consolidated financial statements include applicable disclosures required by the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and by the Hong Kong Companies Ordinance (Cap. 622, Laws of Hong Kong).

On 7 September 2023, Mr. Yang Jun (“**Mr. Yang**”) retired as executive director (“**Director(s)**”) of the Company with effect from the conclusion of the annual general meeting (the “**2022 AGM**”) held on the same date as the resolution regarding his re-election was being voted down at the 2022 AGM. He was the responsible director of certain subsidiaries, namely, Shang Ying International Trade Holdings Limited, Shang Ying Development Limited, Shang Ying Internet Micro-credit Co., Limited, Shang Ying Commerce and Trade Holding Co., Ltd, 商贏醫院管理(上海)有限公司, 上海家庭力量文化傳播有限公司, 家庭力量(上海)健康管理有限公司, 上海禾恩醫院有限公司, 商贏互聯網醫療(上海)有限公司, 上海慈醫尚曜生物科技有限公司, 上海同舟共濟互聯網醫院有限公司, 恒贏商貿(上海)有限公司, 上海茂富管理諮詢有限公司 and 上海商贏互聯網醫院有限公司 (collectively referred to as the “**Shang Ying International Group**”), Shang Ying New Retail Group Holdings Ltd, Shang Ying Retail Plus Holdings Ltd, Shang Ying New Retail Ltd, Shang Ying Brand Management Co., Ltd, Sixth Avenue Plus Pty Ltd, 第六大道健康科技(上海)有限公司, Shang Ying Health Holding Limited, Sun Medical and Technology Investment Holdings Co., Limited and certain associates, namely, Century Health Holdings Co., Limited, Dermaco Pty Ltd., Pharma Science Australia Pty. Ltd. and Century Health Brands Pty Ltd (collectively referred to as the “**Shang Ying Retail Group**”).

Notes to the Condensed Consolidated Financial Statements

For the six months ended 30 June 2024

1. BASIS OF PREPARATION (Continued)

Following the suspension of trading in the shares of the Company with effect from 2 April 2024, there was limited working capital available to fund the overheads of other business. Under such circumstances, the Group entered into a sale and purchase agreement to dispose of its financial services business which was carried out by Shang Ying Capital Limited and its subsidiaries (collectively, the “**Shang Ying Capital Group**”) in September 2025 (the “**Disposal**”).

The books and records of the Shang Ying Capital Group available to the Group at the material time which were retained by the Group were not found to be of a sufficient level for audit purposes. Despite the Directors have taken all reasonable steps and have used their best endeavours to resolve the matter, including making repeated requests to Shang Ying Capital Group, the Company has been unable to access to the complete set of books and records of these subsidiaries and is unable to determine whether the records retained by the Group upon Disposal was updated and complete.

In view of the Disposal, for the purposes of the preparation of the Group’s consolidated financial statements for the six months ended 30 June 2024, the Directors have determined to consolidate the Shang Ying Capital Group using the carrying amounts of their assets and liabilities and their results and cash flows as at and for the six months ended 30 June 2023 that were included in the consolidated assets, liabilities, results and cash flows of the Group presented in the condensed consolidated financial statements financial position as at and for the six months ended 30 June 2023.

The Shanghai Third Intermediate People’s Court issued a civil ruling on 29 April 2024, with reference number “(2024) Hu 03 Po 396,” accepting the applicant’s request for the bankruptcy liquidation of Shangying Internet Medical (Shanghai) Co. Limited* 商贏互聯網醫療(上海)有限公司 (“**Shangying Medical**”). Subsequently, on 6 May 2024, a decision was made with the same reference number appointing PricewaterhouseCoopers (PwC) as the bankruptcy administrator for Shangying Medical. As of the date of approval of the consolidated financial statements, Shangying Medical remains in the bankruptcy examination stage. As per Article 25(1) of the Enterprise Bankruptcy Law, the administrator is tasked with various responsibilities including taking over the debtor’s assets, conducting financial investigations, managing daily expenses, and representing the debtor in legal proceedings. Consequently, following the appointment of the bankruptcy administrator, Shangying Medical’s management rights concerning company assets, financial records, internal affairs, expenses, and asset disposal have been transferred to the administrator, causing all shareholders to forfeit their control over the company’s assets and operations as per the regulations outlined in Enterprise Accounting Standard No. 33 — Consolidated Financial Statements (revised in 2014), Article 7.

Based on the above, the management of the Company determined that the effective date of loss of control over Shangying Medical is 6 May 2024. The management will apply deconsolidation of Shangying Medical with effect from the same date.

The Group incurred a net loss of approximately HK\$5,130,000 (2023: HK\$14,290,000) during the Reporting Period, as of that date, the Group’s current liabilities exceeded its current assets by approximately HK\$23,094,000 (2023: HK\$45,931,000) and total liabilities exceeded its total assets by approximately HK\$998,000 (2023: HK\$16,172,000).

Notes to the Condensed Consolidated Financial Statements

For the six months ended 30 June 2024

1. BASIS OF PREPARATION (Continued)

The Directors have reviewed the Group's cash flow projections prepared by the management. The cash flow projections cover a period of twelve months from the date of approval for issue of these consolidated financial statements. They are of the opinion that, taking into account the continuous support by a Director, the Group will have sufficient working capital to finance its operations and to meet its financial obligations as and when they fall due within twelve months from date of approval for issue of these consolidated financial statements. Accordingly, the Directors are satisfied that it is appropriate to prepare the consolidated financial statements on a going concern basis.

The validity of the use of the going concern basis for the preparation of the consolidated financial statements is dependent upon the success of the Group's future operations, its ability to generate adequate cash flows in order to meet its obligations as and when they fall due and its ability to refinance or restructure its borrowings such that the Group can meet its future working capital and financing requirements. The Directors are of the opinion that the Group will be able to finance its future financing requirements and working capital based on the following considerations:

(a) Financial support from a director of the Company

Mr. Zhang Ming Qi ("**Mr. Zhang**"), the non-executive Director, has agreed to provide financial support for the continuing operations of the Company so as to enable it to meet its liabilities when they fall due and carry on its business without a significant curtailment of operations in the twelve months from the date of approval for issue of these consolidated financial statements, with a financial facility amounted to HK\$50,000,000 available to the Group.

(b) Excluding the liabilities of Shang Ying International Group and Shang Ying Retail Group

As disclosed in the note 12 to this report, Shang Ying International Group has been disposed of, and Shang Ying Group will be disposed of. Consequently, there is no anticipated cash outflow concerning the liabilities of Shang Ying International Group and Shang Ying Retail Group that were included in the condensed consolidated liabilities of the Group as at 30 June 2024.

However, the outcome of the above-mentioned management's plans to deal with the condition that cast significant doubt on the Group's ability to continue as a going concern cannot be ascertained with certainty. Hence, there exists material uncertainty about the ability of the Group to continue its operations for the foreseeable future as a going concern. Should the Group be unable to continue to operate as a going concern, adjustments would have to be made to write down the value of assets to their recoverable amounts, to provide for further liabilities which might arise and to reclassify non-current assets and non-current liabilities as current assets and current liabilities respectively. The effects of these adjustments have not been reflected in the consolidated financial statements.

The Company, which was incorporated in the Cayman Islands, together with those group entities incorporated in the British Virgin Islands, have no assessable profits for both periods.

Under the two-tiered profits tax rates regime of Hong Kong Profits Tax, the first HK\$2 million of profits of the qualifying group entity will be taxed at 8.25%, and profits above HK\$2 million will be taxed at 16.5%. The profits of group entities not qualifying for the two-tiered profits tax rates regime will continue to be taxed at a flat rate of 16.5%. Accordingly, the Hong Kong Profits Tax of the qualifying group entity is calculated at 8.25% on the first HK\$2 million of the estimated assessable profits and at 16.5% on the estimated assessable profits above HK\$2 million.

The Directors considered the amount involved upon implementation of the two-tiered profits tax rates regime as insignificant to the consolidated financial statements. Hong Kong Profits Tax is calculated at 16.5% of the estimated assessable profit for both years.
