Dear Sir or Madam,

**(i) PROPOSALS RELATING TO GENERAL MANDATES TO ISSUE  
AND REPURCHASE SHARES  
AND  
(ii) RE-ELECTION OF DIRECTORS  
AND  
(iii) NOTICE OF ANNUAL GENERAL MEETING**

**INTRODUCTION**

At the AGM of the Company for the year ended 31 December 2025, resolutions will be proposed to: (i) grant to the Directors general mandates to issue and repurchase shares of the Company and (ii) re-elect Directors.

---

## LETTER FROM THE BOARD

---

The purpose of this circular is to give you further details of the abovementioned proposals and notice of the AGM for the year ended 31 December 2025. In compliance with the Listing Rules, this circular also contains the explanatory statement and gives all the information reasonably necessary to enable Shareholders to make an informed decision on whether to vote for or against the resolution to approve the purchase by the Company of its own shares, and the particulars of the Directors proposed to be re-elected at the AGM.

### **GENERAL MANDATE TO ISSUE SHARES**

At the AGM, an ordinary resolution will be proposed to grant a general mandate to the Directors to allot, issue and deal with additional shares of the Company not exceeding 20% of the issued share capital of the Company to provide flexibility to the Company to raise fund by issue of shares efficiently. On the Latest Practicable Date, there were in issue an aggregate of 2,190,679,905 Shares. On the assumption that no Shares will be issued prior to the AGM, exercise in full of the mandate could result in up to 438,135,981 Shares being issued by the Company. The mandate allows the Company to allot, issue and deal with additional Shares only up to the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by law or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company, whichever occurs first.

In addition, an ordinary resolution will also be proposed to authorise an extension of this mandate by adding thereto any Shares repurchased under the general mandate to repurchase shares.

### **GENERAL MANDATE TO REPURCHASE SHARES**

At the AGM, an ordinary resolution will be proposed that the Directors be given a general mandate to exercise all powers of the Company to repurchase issued and fully paid Shares. Under such mandate, the number of Shares that the Company may repurchase shall not exceed 10% of the share capital of the Company in issue on the date of the resolution. The Company's authority is restricted to purchases made on the Stock Exchange in accordance with the Listing Rules. Based on 2,190,679,905 Shares in issue as at the Latest Practicable Date and on the assumption that no Share will be issued prior to the AGM, exercise in full of the mandate could result in up to approximately 219,067,990 Shares being repurchased by the Company. The mandate allows the Company to make or agree to make purchases only up to the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by law or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company, whichever occurs first.

The Directors have no present intention to repurchase any Shares but consider that the mandate will provide the Company the flexibility to make such repurchase when appropriate and beneficial to the Company. Such repurchases may enhance the net value of the Company and/or earnings per Share. As compared with the financial position of the Company as at 31 December 2025 (being the date of its latest audited accounts), the Directors consider that there would be a material adverse impact on the working capital and on the gearing position of the Company in the event that the proposed purchases were to be carried out in full during the proposed purchase period. No purchase would be made in circumstances that would have a material adverse impact on the working capital or gearing ratio of the Company.

---

## LETTER FROM THE BOARD

---

The Company is empowered by the Articles to purchase its Shares. Hong Kong law provides that payment in connection with a share repurchase may only be paid out of distributable profits or the proceeds of a fresh issue of shares. Under Hong Kong law, the Shares so repurchased will be treated as cancelled.

The Directors intend to apply the profits that would otherwise be available for distribution by way of dividend for any purchase of its Shares.

### **Directors, their associates and connected persons**

None of the Directors nor, to the best of the knowledge and belief of the Directors having made all reasonable enquiries, any of the associates of any of the Directors has any present intention, in the event that the proposal is approved by Shareholders, to sell Shares to the Company.

No core connected person of the Company has notified the Company that he/she has a present intention to sell Shares to the Company nor has he/she undertaken not to sell any of the Shares held by him/her to the Company in the event that the Company is authorised to make purchases of Shares.

### **Undertaking of the directors**

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make purchases pursuant to the proposed resolution in accordance with the Listing Rules and all applicable laws of the Hong Kong, and in accordance with the regulations set out in the Articles.

### **Confirmation by the Company**

The Company confirms that neither the explanatory statement nor the share repurchase mandate has any unusual features.

### **Effect of Takeovers Code**

A repurchase of Shares by the Company may result in an increase in the proportionate interests of a substantial shareholder of the Company in the voting rights of the Company, which could give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Company, Mr. Lo Yuen Yat (“**Mr. Lo**”), who held approximately 53.69% of the issued share capital of the Company, was the only substantial shareholder holding more than 10% of the issued share capital of the Company. In the event that the Directors should exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the resolution, the shareholdings of Mr. Lo in the Company would be increased to approximately 59.65% of the issued share capital of the Company and such increase would not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. As at the Latest Practicable Date, the Directors have no intention to exercise in full the power to repurchase Shares under the general mandate.
