### **SUPPLEMENTAL ANNOUNCEMENT IN RELATION TO THE PUBLIC FLOAT**

Reference is made to the various announcements of Allan International Holdings Limited (the “**Company**”) since 14 June 2024 in relation to the status of its public float (the “**Announcements**”). Unless otherwise defined, capitalised terms used herein shall have the same meanings as defined in the Announcements.

#### **SUPPLEMENTAL INFORMATION ON PROPOSAL TO RESTORE PUBLIC FLOAT**

In addition to the information disclosed in the Announcements, the Company would like to provide additional information in relation to the progress of developing a public float restoration plan.

In view of the prevailing volatility in the capital markets arising from geopolitical developments, fluctuations in the Company’s share price, and the cost considerations associated with the appointment of a financial adviser for equity financing, the Board is considering alternative arrangements, including the adoption of a share scheme funded by existing shares of the Company and the appointment of relevant service providers.

Subject to further review and approval, shares for the proposed share scheme will be acquired through transactions in the secondary market. In this connection, the Company has been engaging in preliminary discussions with certain substantial shareholders and connected persons regarding the potential disposal of part of their respective shareholdings to support the implementation of the proposed arrangement.

Considering it will require time to negotiate and obtain necessary approvals, the Company expects to develop detailed restoration plan to restore the public float of the Company before the end of the third quarter of 2026.

**Shareholders and potential investors of the Company are advised to exercise caution when dealing in the Shares.**
