CAUTION STATEMENT

The Company hereby reminds shareholders and investors of the Company that the above statistics are based on the Group's internal records which are unaudited. Differences may arise between such statistics and the data to be disclosed in periodic reports due to completion of certain steps on sorting out the toll traffic volume and toll revenue and confirming the results of sorting out such data, as well as the toll traffic volume and toll revenue statistics of certain projects being recorded on the basis of estimation at the date of monthly settlement and disclosure under the circumstance of inter-network toll collection for expressways. In addition, the Company adjusts monthly forecast statistics in accordance with the difference between the estimated statistics and the actual settlement statistics for the previous month, resulting in a certain degree of year-on-year/month-on-month deviation. As such, the toll traffic volume and toll revenue statistics in this announcement are only for reference by shareholders and investors of the Company as phasic statistics. Shareholders and investors of the Company are advised to use such statistics cautiously.
