After this date, when no further stabilizing action may be taken, demand for the H Shares, and therefore the price of the H Shares, could fall.

## THE LISTING APPLICATION

We have applied to the Stock Exchange for the granting of the listing of, and permission to deal in, our H Shares to be issued pursuant to the Global Offering (including any H Shares which may be issued pursuant to the exercise of the Over-allotment Option) and the H Shares to be converted from Unlisted Shares.

## STRUCTURE OF THE GLOBAL OFFERING

The Global Offering comprises:

- the Hong Kong Public Offering of initially 5,286,000 H Shares (subject to reallocation) representing approximately 10.0% of the total number of Offer Shares initially available under the Global Offering; and
- the International Offering of initially 47,573,200 H Shares (subject to reallocation and the Over-allotment Option) representing approximately 90.0% of the total number of Offer Shares initially available under the Global Offering.

The allocation of the Offer Shares between the Hong Kong Public Offering and the International Offering will be subject to reallocation as described in the section headed “Structure of the Global Offering” in the Prospectus.

In particular, subject to the requirements under Practice Note 18 to the Listing Rules and Chapter 4.14 of the Guide for New Listing Applicants issued by the Stock Exchange (the “**Guide**”), Offer Shares may be reallocated from the International Offering to the Hong Kong Public Offering to satisfy valid applications under the Hong Kong Public Offering. In accordance with Practice Note 18 to the Listing Rules and Chapter 4.14 of the Guide, the total number of Offer Shares available under the Hong Kong Public Offering following such reallocation shall not exceed 7,928,800 Offer Shares, representing approximately 15% of the number of Offer Shares initially available under the Global Offering.

In addition, in connection with the Global Offering, the Company is expected to grant to the International Underwriters the Over-allotment Option, exercisable by the Sponsor-Overall Coordinators on behalf of the International Underwriters at any time from the Listing Date until 30 days after the last day for lodging applications under the Hong Kong Public Offering, pursuant to which the Company may be required to issue up to an aggregate of 7,928,800 additional H Shares, representing approximately 15% of the number of Offer Shares initially available under the Global Offering, at the Offer Price, to cover over-allocations in the International Offering, if any.

If the Over-allotment Option is exercised in full, the additional Offer Shares to be issued pursuant thereto will represent approximately 1.8% of the enlarged issued share capital of our Company immediately following the completion of the Global Offering. If the Over-allotment Option is exercised, an announcement will be made by the Company on the website of the Stock Exchange at [www.hkexnews.hk](http://www.hkexnews.hk) and on the Company’s website at [www.viewtrixtech.com](http://www.viewtrixtech.com), respectively.
