GRANT OF RESTRICTED SHARE UNITS PURSUANT TO THE 2026 SHARE PLAN

Pursuant to Rules 17.06A, 17.06B, and 17.06C of the Listing Rules, the Board hereby announces that on May 18, 2026, the Company granted 1,281,929 Restricted Share Units to 51 Grantees pursuant to the 2026 Share Plan, subject to acceptance by the Grantees. Details of the Restricted Share Units granted are as follows.

Grant Date:	May 18, 2026 (after trading hours during Hong Kong time)
Grantees:	51 employees of the Group
Number of Class A Ordinary Shares underlying the Restricted Share Units granted:	1,281,929
Purchase price of Restricted Share Units granted:	Nil
Closing price of the Class A Ordinary Shares or ADSs on the Grant Date:	HK\$18.88 per Class A Ordinary Share, for Class A Ordinary Shares traded on the Stock Exchange on May 18, 2026 (Hong Kong time) US\$7.14 per ADS, for ADSs traded on the Nasdaq Stock Market on May 15, 2026 (New York time), being the trading day on the Nasdaq Stock Market immediately preceding the Grant Date.
Vesting periods of the Restricted Share Units granted:	The Restricted Share Units granted to the Grantees have a mixed vesting schedule with a total vesting period (i.e. the period between the Grant Date and the last vesting date) of 15 to 54 months.

* *For identification purposes only*

In respect of the Restricted Share Units granted to certain Grantees, the Restricted Share Units will be vested in several batches. As the grant of Restricted Share Units was delayed due to administrative reasons, the period between the Grant Date and the first vesting date is less than 12 months to reflect the time from which the Restricted Share Units would have been granted, as permitted under the 2026 Share Plan. Dr. Han, to whom the Compensation Committee has delegated the authority to determine the grant of awards to employees (excluding Directors, chief executive, substantial Shareholders, or connected persons of the Company) pursuant to the terms of the 2026 Share Plan, is of the view that such shorter vesting period is appropriate for retaining, incentivizing and rewarding those Grantees, as well as encouraging them to continuously contribute to the operation, development and long-term success and growth of the Group.

Performance target:

There are no performance targets attached to the Restricted Share Units granted to the Grantees. Having considered, among others, the long vesting schedule of certain Restricted Share Units and the terms (including vesting schedule and performance target) of share awards granted by other comparable companies, Dr. Han is of the view that the grant of Restricted Share Units without performance targets is market competitive, consistent with the Company's remuneration policy, and aligns with the purpose of the 2026 Share Plan.

Clawback mechanism:

Upon the occurrence of certain clawback events which include, among others, the Grantee has been involved in serious misconduct or breach as determined by the Group in good faith, including acts such as dishonesty, theft, fraud, criminal conviction, violation of laws or exchange rules, breach of fiduciary duty or material violation of written Company policies, material breach of agreements, failure to perform material duties after written notice and a reasonable opportunity to cure (if curable), unfair competition, defamatory or harmful statements, inducing contract breaches, or any act materially adverse to the Group's reputation or interests, the Company shall claw back the Restricted Share Units granted to such Grantee which shall be regarded as lapsed.

The Group has not provided any financial assistance to the Grantees to facilitate the purchase of Class A Ordinary Shares under the 2026 Share Plan.

To the best knowledge of the Directors having made all reasonable enquiries, as of the date of this announcement, none of the Grantees is: (i) a connected person of the Company, or a Director, chief executive, or substantial Shareholder of the Company, or an associate of any of them; (ii) a participant with options and awards granted and to be granted exceeding the 1% individual limit under Rule 17.03D of the Listing Rules; or (iii) a related entity participant or service provider with options and awards granted and to be granted in any 12-month period exceeding 0.1% of the Shares in issue (excluding treasury Shares). The grant of the Restricted Share Units is not subject to Shareholders' approval.

The purpose of the grant of Restricted Share Units is to (i) recognize the contribution to the success and development of the Group made by the existing employees of the Group; and/or (ii) generally incentivize and motivate employees of the Group to remain with, and to strive for the future development and expansion of, the Group.

NUMBER OF CLASS A ORDINARY SHARES AVAILABLE FOR FUTURE GRANTS

The grant of Restricted Share Units will be satisfied by issuance of new Class A Ordinary Shares or transfer of treasury Shares. As of the date of this announcement, after the aforesaid grant of the Restricted Share Units, 94,222,717 and 10,273,224 underlying Shares are available for future grant under the Plan Limit and the Consultant Sub-limit on grants of options and awards over new Shares under the 2026 Share Plan and any other schemes of the Company, respectively.
