ANNOUNCEMENT ON AN OVERSEAS PROJECT**

The board of directors of the Company and all directors warrant that there are no false representations or misleading statements contained in, or material omissions from this announcement, and accept legal responsibilities for the truthfulness, accuracy and completeness of this announcement.

Recently, China Railway 18th Bureau Group Co., Ltd. (中铁十八局集团有限公司), a subsidiary of the Company, has won the bid for the Emirates New Engineering Facility at Dubai World Central Airport, with a project value of approximately AED17.5 billion.

The project is funded and developed by Emirates, with a total gross floor area of approximately 1,210,000 square meters. The main scope of works includes the construction of maintenance hangars, paint hangars and related ancillary facilities. The construction period of the project is 50 months.

The signing of the Emirates New Engineering Facility at Dubai World Central Airport represents a landmark project of in-depth collaboration between China and the UAE in economic and trade sectors such as aviation hub development and logistics connectivity, and represents a significant achievement in the Company's efforts to promote high-quality overseas operations.

Announcement is hereby given.
